No. 8 - Michael Stevenson

November 2004

Dear Sirs

MICHAEL STEVENSON

As many of you will already know, Michael Stevenson is due to retire in December as Senior Claims Director of the West of England's Management Company after more than 36 years with the Club.

However, I am pleased to say that Michael's retirement will not mark the end of his distinguished career with the Club since he has agreed to continue as a Consultant, initially on a full-time basis, and will retain many of his claims responsibilities particularly in relation to Class 2.

Yours faithfully

**The West of England Ship Owners
Insurance Services Limited**
(As Managers)

P E Spendlove
Managing Director
