DPC/ADM/2020/026
30 January 2020

To :

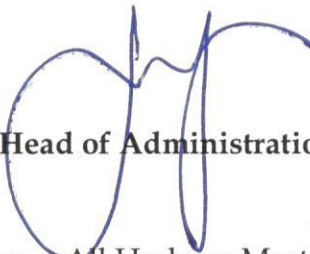

All Agents, Vessel Owners, Terminal & Other Port users.

Sub: Coronavirus

As per the guidelines issued by Federal Transport Authority, Ships calling directly/last port/transitting from China are required to provide Sharjah Ports Authority a statement declaring the health condition of all crew and Master of the vessel and to inform if any crew onboard has/had high temperature, sore throat, coughing or breathing difficulties atleast 48 hours prior to arrival/entering into Sharjah waters.

Ships having crew with such symptoms will not be permitted to enter Sharjah waters until port authority gets approval from UAE Health authority/FTA and other governmental authorities.
