Date: 10-02-2020

Subject: Regarding Taking Actions Against the Contagion of NOVEL CORONAVIRUS (COVID-19)

For everyone's kind attention please be informed, that after origination of Coronavirus in China, there are risks of the virus spreading in other countries. This particular type of virus usually transmits through phlegm, coughing and sneezing. People affected by this new virus generally experience symptoms like fever, coughing and difficulties in breathing. To protect vessel's master, crew, passengers and others at risk from Coronavirus and to prevent spreading of the infection, everyone concerned are requested to follow the below circular from IMO.

Commodore Syed Ariful Islam (TAS), ndc, psc, BN
