UPDATE OF DISTRICT COURT CASES - KARACHI - PAKISTAN

During the period for last 1 year we have seen many of the cases had seen final conclusion and many of them had positive outcome which is in favour of ship owners/clubs and many of cases have seen a negative faith. The good part is that lower court cases are concluded in much shorter time than earlier and this is a big achievement in judicial system of the country.

We strongly encourage to contest the cases and not leave it in the hands of opponents/claimants lawyers because at one stage or the other these cases are decreed in claimants favour and such they are used as excuse to settle the cases as global by exercising the option of arrest.
