## 2026 - List of Commercial & Legal Correspondents

Whilst the Association does not appoint Agents, the following are the names of commercial firms and lawyers who are available to assist Members, their Agents or Masters of entered vessels in connection with matters in which the Association may be concerned. However, it must be emphasised that these correspondents, although listed and named by the Association, act principally for the Shipowner/Charterer whose vessel is entered with the Association.

We especially remind correspondents instructed by or on behalf of a Member in a Class 2 case that they must look to the Member for payment of their costs and expenses without the Association incurring any liability for such costs or expenses in Class 2 cases unless in a particular case we expressly agree otherwise. In some cases instructions may come from the Association on the Member's behalf but the costs and expenses will still be for the Member's account unless we expressly agree otherwise.

In order to take full advantage of the Association's network of correspondents it is recommended that Members and/or their vessel's master download from the Association's website a copy of this book for each entered vessel so that the Master can contact the appropriate correspondent should the need arise.

There are some ports where the Association does not advertise a correspondent but nevertheless may be able to recommend someone who can assist a Member or Master in difficulty. In such cases contact should be made with the Association's Managers in London or their representative offices in Hong Kong or Piraeus or the Association's correspondents in New York.

The Commercial and Legal Correspondents listed are not agents for or authorised to accept the service of any proceedings or process on behalf of The West of England Ship Owners Mutual Insurance Association (Luxembourg) or the Managers, West of England Insurance Services (Luxembourg) S.A. or any subsidiary or associated companies.

The Association accepts no responsibility for the accuracy or contents of any of the Correspondents websites included in the list.

This information can also be accessed from the West Of England's website at [www.westpandi.com](http://www.westpandi.com)
