	DUBAI ANCHORAGES STS and BUNKERING OPERATION UPDATE	

The Dubai Maritime City Authority in cooperation and coordination with the Coast Guard; Dubai Police; Ministry of Environment and Water; Dubai Ports Authority and Dubai Ports World, have established authorized anchorages in Dubai waters extending to the EEZ. Ships desiring to anchor in Dubai Waters are advised to follow the attached regulations.

Agents representing and supporting ships illegally anchored will be subject to sanctions and license revocation. Ships anchoring outside the approved anchorages will be subject to arrest and criminal prosecution.

In addition DMCA is approving qualified vendors to conduct STS and Bunkering in Dubai waters. **Only approved vendors are authorized to conduct STS and Bunkering.** Agents representing and supporting unauthorized STS and Bunkering operations/vendors will be subject to sanctions and license revocation. Ships conducting unauthorized STS and bunkering will be subject to arrest and criminal prosecution.

We look forward to working with all concerned on enhancing the professional level of service provided by Dubai's marine support sector. If you have any questions please feel free to contact DMCA.
