

The West of England Ship Owners Mutual Insurance Association (Luxembourg)

Group Corporate Governance Charter

To be approved at the General Meeting on 7 February 2018

Introduction

This Charter sets out the principles of the Club's corporate governance which are designed to ensure that it provides long term value for its Members as a mutual marine insurer. The Charter is reviewed annually by the Club's Board and whenever changes are made to the way in which the Club is governed.

The Club's Board is committed to the adoption of best practice standards as are set out in the Ten Principles of Corporate Governance of the Luxembourg Stock Exchange in so far as they are relevant to a mutual marine insurer, in order that its governance framework is fully disclosed, clear and transparent.

The terms of the Charter are subject always to all the principles and definitions set out in the Club's Constitution.

1. General Meeting

A General Meeting of Members is the Club's paramount governing body. Its powers and responsibilities are set out in the Club's Constitution and are otherwise governed by law. Its principal powers are laid down in the Constitution, in the applicable law and in the Club's Rules.

They are:

- a) To determine the nature of the Club's business
- b) To appoint and dismiss the Club's Directors and auditors,
- c) To approve the Club's annual report and accounts
- d) To wind the Club up or change its domicile.
- e) To amend the Club's Constitution, its Corporate Governance Charter or its Rules

The Members must meet once a year for an Annual General Meeting and may meet at other times as determined by the Board or by a sufficient number of Members as specified in the Constitution. Only Members of the Club entered in the register of Members may participate and exercise voting rights in a General Meeting.

2. Role of a Director

The Club's Directors must manage the Club's business in the best possible manner to achieve the Club's aims and objectives and serve the general interests of its Members. They must act as a body in which the will of the majority prevails if there is disagreement. A dissenting Director may require his/her dissent to be recorded, but if he/she feels unable to be associated with important majority decisions he/she may resign. A serving Director remains jointly and severally liable for decisions of the Board even if he/she disagrees with them.

The Directors must act conscientiously in delegating their powers. They must ensure that the exercise of any delegated power is properly reported to the Board and that, where necessary, the Board takes the initiatives that a prudent man of business would take in relation to his own affairs. Failure to do so may amount to negligence for which a Director may be jointly and severally liable to the Club for a wrongful act or omission committed during the performance of the mandate.

A Director may be held liable to the Club and to third parties in the event the Club or third party suffers a loss due to an infringement of the law or of the Club's Constitution and Rules. The liability of Directors in such a case is joint and several.

The Directors must act in good faith in what they reasonably believe to be the best interests of the Club – that is, the Members and future Members, and not any individual Member or group or class of Members. They must exercise their powers for the purpose for which they were given, and not for some collateral purpose; they must not secretly profit from their office or allow a conflicting interest or duty to affect the way in which they perform their duty to the Club, unless permitted by the Constitution, the Rules or the Members in General Meeting.

The Board may further prescribe the duties of Directors but only to the extent such prescription is permissible by law and does not conflict with the provisions of this Charter, the Constitution, the applicable law or the Rules.

Each Director shall keep confidential any information he/she receives about the Club and its business by reason of that office.

3. Responsibilities

The Board is responsible for delivering the long-term success of the Club and in particular the Directors shall:

- a) Determine the Club's strategy and risk appetite, based on their understanding of the strategic challenges and related risks facing the Club;

7. Member Directors

Member Directors shall be appointed from amongst candidates who are eligible for appointment to the position and have been recommended by the Group Nomination & Remuneration Committee. Member Directors shall be principals or employees of a Member of the Club.

No two or more Directors may be (or become) an owner, partner, director or employee of the same current Member. Should such a situation arise, only one such Director shall remain on the Board unless the Board otherwise decides, in which case the Board's decision shall be notified to Members at the next Annual General Meeting before the appointment or re-election of Directors is considered.

Member Directors shall be subject to the provisions for re-election as set out in Paragraph 9 and tenure as set out in Paragraph 10.

8. Independent Directors

Independent Directors shall be appointed from amongst candidates who are eligible for appointment to the position and have been recommended by the Group Nomination and Remuneration Committee.

- 1) Has recently been an executive or employee of the Club or an Affiliate of the Club;

- 2) Receives or has received significant additional remuneration from the Club or an Affiliate of the Club other than the fee received as non-executive Director;
- 3) Has had a material business relationship with the Club or an Affiliate, either directly or as a partner, shareholder, director or senior executive of a company that has such a relationship;

- 5) Has close family ties with the Club's advisers, Directors or senior employees.

Independent Directors shall be subject to the provisions for re-election as set out in Paragraph 9 and tenure as set out in Paragraph 10.

9. Appointments

The Board handles the process of appointments and re-elections of Member and Independent Directors so to maintain an appropriate balance of skills and experience on the Board.

It submits its proposals regarding the appointment or re-election of Board Members, supported by a recommendation from the Group Nomination & Remuneration Committee, to the General Meeting.

Appointments to the Board or to any of its' Committees are subject to the application of the Club's regulatory Fit and Proper process, which assesses any individual's fitness (expertise) and propriety (professional integrity). The Fit and Proper procedure takes place before appointment but also at regular intervals throughout the individual's term.

In the event of a Board Member leaving before the end of their term of office, the remaining Board Members may appoint a new Board Member, with such appointment being confirmed by the General Meeting at its next meeting.

The criteria for termination of appointments of Directors or other members of Committees of the Board are defined under Paragraph 18 of the Constitution.

The Board is assisted by the Group Audit & Risk Committee, the Group Nomination & Remuneration Committee and the Advisory Committee. The Board's affiliated company, International Shipowners Reinsurance Company SA ("ISRe"), also operates as its Investment Committee. The existence and activities of each committee do not reduce the responsibility of the Board as a whole. Committees normally meet 3 times a year immediately before a Board meeting and report their decisions and recommendations at that Board meeting. Each Committee's Terms of Reference is set out in *APPENDIX 1* to 4.

As a general principle, all Committees have an advisory role to the Board and are composed of Directors of the Club except in the case of the Advisory Committee which includes as Members individuals who are not Directors. They assist the Board in specific areas and make recommendations to it. However, a Committee has no powers to take decisions relating to the Club's business, except in cases where the Board has expressly delegated powers to that Committee. Notwithstanding such delegation, the Board remains responsible for the proper execution of such powers by and on behalf of the Club.

The duties and responsibilities of the Committees are laid down by the Board and reviewed regularly by the Committees themselves and by the Board. The appointment of the members of each Committee, their dismissal, their remuneration, the term of their appointment, their duties and the working procedures of each such Committee are determined by the Board upon recommendations of the Group Nomination & Remuneration Committee.

The quorum for meetings of the Advisory Committee shall be 6 members.

The Terms of Reference of the Advisory Committee are attached as *APPENDIX 4*.

The Chairman in conjunction with the General Manager shall ensure that new Directors receive a full, formal and individual induction in the affairs of the Board upon appointment.

This obligation also applies when a close family member of the Director or other Member of a Committee concerned is in any of the above-mentioned positions. The Director or other Member of a Committee shall, unless the Board or relevant Committee determines, leave the meeting while this item on the agenda is being addressed and shall not participate in the deliberations and decision-making.

19. Remuneration

The Group Nomination & Remuneration Committee shall recommend the levels of remuneration for all Directors, including Chairman and Vice Chairmen and for members of the Advisory Committee who are not Directors. Such levels are to be approved by the Board and advised to the General Meeting.

ISRe and Hamilton reinsure between them significant portions of the Club's liabilities and the Board of ISRe provides advisory services to the Club in connection with investment strategy. Services manages the Club's day to day business.

The Affiliates apply the same principles of corporate governance as those set out in this charter, but with appropriate modifications to reflect the fact that they are wholly owned companies limited by shares and, in the case of Hamilton, incorporated in a different jurisdiction from the parent.
