

Iran Sanctions - Further Extension of the JPOA

15th January 2016

The EU has announced a short extension of the Joint Plan of Action (JPOA) previously agreed between the E3/EU+3 powers and Iran until 28 January 2016. The announcement from the EU can be found [here](#). Guidance on the limited sanctions relief under the JPOA and issues concerning Club cover can be found on our dedicated sanctions [webpage](#).

This short extension is presumably granted in the expectation that Implementation Day under the Joint Comprehensive Plan of Action (JCPOA) reached in July 2015 and following which all nuclear-related EU sanctions and US secondary sanctions against Iran will be lifted, will occur on or before 28 January 2016.
