

India - Testing of Iron Ore Fines for Transportable Moisture Limit – Update

7th March 2017

Further to the [Club's news article of 13 December 2016](#), the Director General of Shipping (DGS) India has now approved eDOT Marine Laboratories to use the modified Proctor / Fagerberg test for iron ore fines. The newly revised list of DGS approved laboratories, the validity of their approval, and the test methods which they are authorised to use can be found [here](#).

Members requiring further guidance should contact the [Loss Prevention Department](#).
