

ITOPF - Available Services

15th August 2018

ITOPF - the world's pre-eminent source of expertise on the effective response to marine spills of oil, chemicals and other hazardous substances - has recently published details of the services which they can provide. A copy can be found [here](#).

All vessels irrespective of size and type entered in the Club are automatically enrolled in ITOPF in order to ensure that their invaluable expertise and experience are available in the event of a pollution incident.

Any such incidents should of course continue to be reported to the Managers in the first instance.
