Class 1 - Protection & Indemnity and Other Risks

The following Rules numbered 1 to 58 inclusive shall apply only to contracts of insurance effected by the Association in this protection and indemnity and other risks Class (Class 1) of the Association.

Part I - Introductory and Risks Covered

1 Introductory

- (1) All contracts of insurance effected by the Association incorporate all the provisions of these Rules, save insofar as those provisions are varied by any special terms which may have been agreed pursuant to the powers of the Association as set out in the Constitution.
- (2) The risks insured by the Association are set out in Rule 2; but risks other than those set out in Rule 2 may be insured by virtue of Rules 3 and 4. The provisions of these Rules govern a contract of insurance between the relevant Member (or Joint Member) and the Association alone: for the avoidance of any doubt membership of the Association does not create any contractual or other legal relationship between any one Member and any other.
- (3) The risks specified in Rule 2 are always subject to the provisos, warranties, conditions, exceptions, limitations and other terms set out in these Rules.
- (4) A person by whom or on whose behalf an application is made for the insurance or reinsurance by the Association of any vessel shall be deemed to have agreed not only on his own behalf but also on behalf of himself, any and all Co-Assureds and his or their successors and each of them that both he and they will in every respect be subject to and bound by any contract of insurance with the Association, including the provisions of these Rules incorporated as aforesaid.
- (5) These Rules and all contracts between a Member and the Association relating to the insurance afforded by the Association or otherwise shall be subject to the Constitution.
- (6) These Rules and all contracts between a Member and the Association relating to the insurance afforded by the Association or otherwise shall be governed by English law, and, subject to the arbitration provisions set out in Rule 57 hereof, shall constitute an irrevocable submission by the Association and its Members and Co-Assureds to the jurisdiction of the English courts.
- (7) In the event of any conflict between the English text of these Rules and any text thereof written in any other language the English text shall prevail.
- (8) If any provision of these Rules is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall, nevertheless, continue in full force without being impaired or invalidated in any way.

- (9) These Rules shall apply generally for entire Policy Year periods:

PROVIDED THAT:-

PROVIDED THAT:-

- (a) Where the liability arises or the costs or expenses are incurred under the terms of a crew agreement or other contract of service or employment and would not have arisen but for those terms, that liability or those costs or expenses are only covered by the Association if and to the extent that those terms shall have been

previously approved by the Managers in writing and, in the case of personal injury to a seaman on leave, only if the insured vessel was the last vessel on which he served prior to such injury; and

- (b) Where the liability arises, or the costs or expenses are incurred, under the terms of any contract or indemnity and would not have arisen but for those terms, that liability or those costs or expenses are not covered under this Section but may be covered under and in accordance with Section 13 of this Rule (indemnities and contracts).
- (c) The Managers may from time to time require as a condition of cover for liability to certain persons (other than persons specified in Sections 1 and 2A or persons connected with the operation of the insured vessel or the handling of its cargo) visiting the insured vessel, that such visits are made upon terms approved in writing by the Managers.

- (d) There is no cover under this Section in respect of liabilities, costs and expenses incurred by a Member under a contract arising in respect of a passenger on board the insured vessel whilst on an excursion from the insured vessel in circumstances where either:-
- (i) that contract has been entered into separately by the passenger for the excursion, whether or not with the Member, or
- (ii) the Member has waived any or all of his rights of recourse against any sub-contractor or other third party in respect of the excursion.
- (e) Unless and to the extent that the Member has obtained appropriate special cover by agreement in writing with the Managers, there is no cover under this Section in respect of claims relating to cash, negotiable instruments, precious or rare metals or stones, valuables or objects of a rare or precious nature.

PROVIDED THAT:-

There is no cover under this Rule 2 Section 3 for liabilities, costs or expenses which arise out of:

Section 5 *Diversion expenses*

The net cost to the Member (over and above the expenses that would have been incurred but for the diversion or delay) of fuel, insurance, wages, stores, provisions and port charges:-

- (a) during a diversion of the insured vessel reasonably undertaken for the purpose of search and rescue of persons at sea or for the purpose of securing the necessary treatment ashore of sick or injured persons aboard the insured vessel, or of landing stowaways, refugees or persons saved at sea or dead bodies; or
- (b) while awaiting a substitute for a sick or injured seaman who has been landed ashore for treatment, if in the opinion of the Managers it was reasonable to engage such a substitute.

Section 6 *Stowaways, deserters and refugees*

Expenses, other than those covered under Section 5 of this Rule, incurred by the Member in discharging his obligations towards or making necessary arrangements for stowaways, deserters, refugees or persons saved at sea, including rescue expenses, but only if and to the extent that:-

- (a) the Member is legally liable for the expenses or they are incurred with the approval and agreement in writing of the Managers; and
- (b) those expenses are not recoverable from any third party; or
- (c) the Committee so determines.

PROVIDED THAT

There is no cover under this Rule or Rule 5 for consequential loss of profit or depreciation arising from the rescue of refugees.

Section 7 *Life salvage*

Section 8 *Loss of and damage to the effects of seamen and others*

Liability to pay damages or compensation for loss of or damage to the effects of:-

- (a) Any seaman on board an insured vessel;
- (b) Any other person on board an insured vessel (other than the persons specified in Section 2A of this Rule 2).

PROVIDED THAT:-

- (b) Where the liability arises under the terms of a contract and would not have arisen but for those terms, that liability is only covered by the Association if and to the extent that those terms shall have been previously approved by the Managers in writing.
- (c) In the case of loss or damage to the effects of a seaman, there is no cover in respect of any article which in the opinion of the Managers is not reasonably used by a seaman.

Section 9 Collision with other vessels

The liabilities, set out in paragraphs (A), (B) and (C) below, to pay damages to any other person arising out of a collision between the insured vessel and any other vessel, but only if and to the extent that such liabilities are not recoverable under the collision liability clause contained in the Hull Policies of the insured vessel.

- (A) One fourth, or such other proportion as may have been agreed in writing by the Managers, of the liabilities arising out of the collision other than the liabilities listed in paragraphs (B) and (C) of this Section.
- (B) Four fourths of the liabilities arising out of the collision for or relating to:-
 - (i) removal or disposal of obstructions, wrecks, cargoes or any other thing whatsoever,
 - (ii) any real or personal property or anything whatsoever except other vessels or property on other vessels,

 - (v) pollution or contamination of any real or personal property or thing whatsoever (except pollution or contamination of other vessels with which the insured vessel is in collision or property on such other vessels).
- (C) That part of the Member's liability, arising out of the collision, which exceeds the sum recoverable under the Hull Policies of the insured vessel solely by reason of the fact that the liability exceeds the valuation of the vessel in those policies.

PROVIDED THAT:-

- (a) The Committee may for the purpose of assessing any sum recoverable under paragraph (C) of this Section determine the value at which the insured vessel should have been insured under the Hull Policies in the same manner as described in Rule 12 (exclusion of sums insurable under Hull policies); and the Association shall pay only the excess (if any) of the amount which would have been recoverable under such policies if the insured vessel had been insured thereunder at such value.
- (b) Unless the Committee otherwise determines, a Member is not covered in respect of any franchise or deductible borne by him under the Hull Policies of the insured vessel.
- (c) If the insured vessel shall come into collision with another vessel belonging wholly or in part to the Member, he shall be entitled to recover the same amounts from the Association, and the Association shall have the same rights, as if such other vessel belonged wholly to different owners.
- (d) Unless otherwise agreed in writing between the Member and the Managers as a term of the insured vessel's entry in the Association, if both vessels are to blame, then where the liability of either or both of the vessels in collision becomes limited by law, claims under this Section shall be settled upon the principle of single liability, but in all other cases claims under this Section shall be settled upon the principle of cross liabilities, as if the owner of each vessel had been

compelled to pay the owner of the other vessel such proportion of the latter's damages as may have been properly allowed in ascertaining the balance or sum payable by or to the Member in consequence of the collision.

Section 10 Loss or damage in respect of property

Liability to pay damages or compensation for any loss or damage in respect of any property (including infringement of rights) whether on land or water and whether fixed or movable.

PROVIDED THAT:-

- (a) There shall be no cover under this Section in respect of:-
 - (i) Liabilities which arise under the terms of any contract or indemnity to the extent that they would not have arisen but for those terms.
 - (ii) Liabilities against which cover is available under the following Sections of this Rule:-
 - Section 2A: The effects of passengers;
 - Section 8: The effects of seamen and others;
 - Section 9: Collision with other vessels;
 - Section 11: Pollution;
 - Section 12: Liability under towage contracts;
 - Section 14: Wreck liabilities;
 - Section 16: Cargo;
 - Section 19: Property on board the insured vessel.
 - (iii) Liabilities excluded from any of the Sections listed in paragraph (ii) above by reason only of some proviso, warranty, condition, exception, limitation or other like term applying to claims under such Section.
 - (iv) Any franchise or deductible borne by the Member under the Hull Policies of the insured vessel.
- (b) If the insured vessel causes loss or damage in respect of property or infringes rights belonging wholly or in part to the Member, he shall have the same rights of recovery from the Association as if such property or rights belonged wholly to different owners.

Section 11 Pollution

Subject to the provisions of Rule 15 the liabilities, loss, damage, costs and expenses set out in paragraphs (A) to (E) below when and to the extent that they arise out of or are incurred in consequence of the discharge or escape from the insured vessel of oil or any hazardous substance, or the threat of such discharge or escape:-

- (A) Liability for loss, damage, contamination, costs and expenses.

- (C) The costs of any measures reasonably taken for the purpose of avoiding or minimising pollution or any resulting loss or damage together with any liability for loss of or damage to property caused by measures so taken.
- (D) The costs of any measures reasonably taken to prevent an imminent danger of the discharge or escape from the insured vessel of oil or any hazardous substance.
- (E) The costs or liabilities incurred as a result of compliance with any order or direction given by any government or authority for the purpose of preventing or reducing pollution or the risk of pollution, provided always that such costs or liabilities are not recoverable under the Hull Policies of the insured vessel.

PROVIDED THAT:-

- (a) If the discharge or escape from the insured vessel causes loss, damage or contamination to property belonging wholly or in part to the Member, he shall have the same rights of recovery from the Association as if such property belonged wholly to different owners.
- (b) Without prejudice to Rule 18 (Double Insurance) in the event that a Member is insured by any other Association or insurer against any or all the liabilities, loss, damage, contamination, costs and expenses set out in this Section or any other Section of this Rule 2, the Association shall not indemnify such Member to any extent whatever against any such liabilities, loss, damage, costs and expenses (or similar risks) up to the limits of such other insurance.

In the event that the limits of such other insurances are less than the Association's limits under the Association's Rules and Bye-Laws, the Association's limit of cover shall be restricted to the amount by which such liabilities, loss, damage, costs and expenses (or similar risks) exceed the limits of such other insurance and then only up to the Association's said limits and no pro-rating, allocation or replacement of cover shall be provided.

Furthermore, there shall be no recovery from the Association in respect of liabilities insured under any other insurance, nor shall the Association provide pro-rated or allocated cover, on the basis of double insurance or otherwise, nor will the Association's cover replace any other insurance where (for whatever reason) that other insurance does not or is not able to respond to a claim thereunder.

- (c) Where any liability for loss, damage, contamination, costs and expenses arises under the terms of any contract or indemnity and would not have arisen but for those terms, that liability is only covered if and to the extent that those terms have previously been approved in writing by the Managers.
- (d) A Member insured in respect of a vessel which is a relevant ship as defined in the Small Tanker Oil Pollution Indemnification Agreement 2006 (STOPIA 2006) as amended shall, unless the Association otherwise agrees in writing, be a party to STOPIA 2006 for the period of entry of that vessel in the Association. Unless the Managers have agreed in writing or unless the Committee otherwise determines there is no cover under this Rule 2 Section 11 in respect of such vessel so long as that Member is not a party to STOPIA 2006.
- (e) A Member insured in respect of a vessel which is a relevant ship as defined in the

Tanker Oil Pollution Indemnification Agreement (TOPIA 2006) as amended shall, unless the Association otherwise agrees in writing, be a party to TOPIA 2006 for the period of entry of that vessel in the Association. Unless the Managers have agreed in writing or unless the Committee otherwise determines there is no cover under this Rule 2 Section 11 in respect of such vessel so long as that Member is not a party to TOPIA 2006.

Section 12 *Towage liabilities*

- (A) Liability under a contract for the towage of the insured vessel for the purpose of entering or leaving port or manoeuvring within the port during the ordinary course of trading for loss, injury or damage arising out of or during the course of such towage.

- (C) Liability arising from the towage by the insured vessel of another vessel or other floating structure or the cargo or other property on such tow (together with costs and expenses associated therewith) but only if and to the extent that:-
 - (i) the towage or attempt thereat is made for the purpose of saving or attempting to save, life or property at sea, or
 - (ii) the terms of the towage contract have been approved in writing by the Managers and cover for such liability has been agreed in writing with the Managers upon such terms as they may require, or
 - (iii) the Committee determines that in all the circumstances the Member ought to be reimbursed.

Section 13 *Liability under certain indemnities and contracts*

Liability for loss of life, personal injury or illness, or for loss of or damage to property, arising under the terms of an indemnity or contract given or made by or on behalf of the Member relating to facilities or services provided or to be provided to or in connection with the insured vessel, but only if and to the extent that:-

- (i) the terms have been approved in writing by the Managers or cover for the liability has been agreed in writing between the Member and the Managers on such terms as the Managers may require, or
- (ii) the Committee determines that the Member should be reimbursed.

Section 14 *Wreck liabilities*

- (A) Costs or expenses arising out of the raising, removal, destruction, lighting or marking of the wreck of the insured vessel and of any cargo or other property which is or was carried on board such wreck, when such raising, removal, destruction, lighting or marking is compulsory by law or the costs thereof are legally recoverable from the Member.

- (B) Liability incurred by the Member arising out of any such raising, removal or destruction of the wreck of the insured vessel (or of such cargo or other property) as is referred to in paragraph (A) of this Section, or any attempt thereat.
- (C) Liabilities incurred by the Member arising out of the presence or involuntary shifting of the wreck of the insured vessel (or of any cargo or other property which is or was carried on board such wreck), or arising out of his failure to raise, remove, destroy, light or mark such wreck (or such cargo or other property), including liability arising from the discharge or escape from such wreck (or such cargo or other property) of oil or any other substance.
- (D) Liabilities, costs and expenses arising out of any law compelling the raising, removal, destruction, lighting or marking of any cargo or other property including equipment of the insured vessel which is or was carried on board the insured vessel, or as a result of any failure to raise, remove, destroy, light or mark such cargo or other property.

PROVIDED THAT:-

- (a) There is no cover in respect of claims under paragraphs (A), (B) or (C) of this Section unless the insured vessel became a wreck as the result of a casualty or event occurring during the vessel's period of insurance; but in this case the Association shall continue to be liable for the claim notwithstanding that in other respects the liability of the Association shall have terminated pursuant to Rule 38 (2)(i)-(vii) (cesser upon sale, loss etc.).
- (b) In respect of any claim under this Section, the following items (so far as applicable) shall first be deducted from or set off against such costs, expenses and liabilities, and only the balance thereof, if any, shall be recoverable from the Association, namely,
 - (i) the value of all vessel's stores and materials saved,
 - (ii) the value of the wreck itself,
 - (iii) the value of all cargo or other property saved which accrues to the Member,
 - (iv) any salvage remuneration received by the Member.
- (c) In respect of a claim under paragraph (D) of this Section, there is no cover for liabilities, loss, damage, costs and expenses set out in Rule 2, Section 11.
- (d) There is no cover under this Section if the Member shall, without the consent of the Managers in writing, have transferred his interest in the wreck (otherwise than by abandonment to his Hull and Machinery Underwriters or in accordance with Rule 29 (recommendation to abandon)) prior to the raising, removal, destruction, lighting or marking of the wreck or prior to the incident giving rise to liability.
- (e) Where the liability arises, or the costs or expenses are incurred, under the terms of any contract or indemnity and would not have arisen but for those terms, that liability or those costs or expenses are only covered if and to the extent that:-
 - (i) those terms have previously been approved in writing by the Managers and cover for such liability, costs or expenses has been agreed in writing between the Member and the Managers on such terms as the Managers may require, or
 - (ii) the Committee determines that the Member should be reimbursed.

Section 15 Quarantine expenses

Additional expenses incurred by the Member as a direct consequence of an outbreak of infectious disease on board the entered vessel, including quarantine and disinfection expenses and the net loss to the Member (over and above such expenses as would have been incurred but for the outbreak) in respect of fuel, insurance, wages, stores, provisions and port charges.

PROVIDED THAT:-

There shall be no cover in respect of additional expenses incurred in trading to a port at which the Member knew or ought to have known that such expenses were likely to be incurred.

Section 16 Cargo

The liabilities costs and expenses set out in paragraphs (A) to (C) which arise in respect of cargo intended to be or being or having been carried in the insured vessel:-

(A) Loss, (including shortage), or damage

Liability for loss, (including shortage), or damage arising out of any breach by the Member or by any person for whose acts, neglect or default he may be legally liable, of his obligation properly to load, handle, stow, carry, keep, care for, discharge or deliver the cargo or out of unseaworthiness or unfitness of the insured vessel.

(B) Disposing of cargo

The additional costs and expenses (over and above those which would have been incurred by him in any event under the contract of carriage or in order to make the vessel fit to receive cargo) incurred by the Member;

- (a) in discharging or disposing of cargo as a result of:
 - (i) such cargo being damaged or worthless, or
 - (ii) damage to the insured vessel against which the Member is, or would be, insured in accordance with Rule 12;
- (b) in discharging, storing or disposing of cargo as a result of the owner of such cargo refusing to take delivery;

But only if and to the extent that the Member is unable to recover those costs from any other party and/or by sale of such cargo and/or in general average.

(C) Through or Transhipment Bills of Lading

Liability under a Through or Transhipment Bill of Lading or other form of contract approved by the Managers in writing and providing for carriage, partly to be performed by the insured vessel, of any cargo, including liability for loss (including shortage), or damage arising from events occurring while that cargo is being carried by means of transport other than the insured vessel or stored or handled in or outside the dock areas of the ports of loading and discharge of the insured vessel, but only when such carriage, storage or handling is

necessary to perform such Through or Transhipment Bill of Lading or other contract.

(NOTE: As to what forms of contract the Managers will generally approve, see the First Schedule)

PROVIDED THAT:-

(a) Hague Rules, Hague-Visby Rules and Hamburg Rules

Unless the Member has previously obtained appropriate special cover by agreement in writing with the Managers or the Committee in its discretion otherwise determines, there is no cover in respect of liabilities which would not have been payable by the Member if the contract of carriage had incorporated the Hague Rules, the Hague-Visby Rules, or similar rights, immunities and limitations in favour of the Carrier. There is no cover in respect of liabilities arising under the Hamburg Rules unless the Hamburg Rules are compulsorily applicable to the contract of carriage by operation of law.

(b) Bye-Laws as to terms of carriage

The Committee shall have power from time to time to make Bye-Laws recommending the use of any particular clause or form of contract of carriage, either generally or in any particular trade. The Committee may reject or reduce a claim on the Association arising out of a contract of carriage which is inconsistent with a clause or form of contract recommended as aforesaid, if it considers that it was unreasonable having regard to all the circumstances of the case to have entered into the particular contract of carriage.

(c) Land transport operated by Member

If any means of transport or other property (except a container) used in connection with carriage, storage or handling of cargo outside the dock area where the insured vessel is to load or has discharged that cargo is wholly or partly owned or operated by the Member, no sum shall be payable by the Association under paragraph (C) of this Section (Through or Transhipment Bills of Lading) which the Member could have recovered from the owners or operators of such means of transport or other property if the same had been wholly owned and operated by a third party.

(d) Deviation

Unless the Committee shall otherwise determine, there is no cover in respect of liabilities, costs and expenses arising from a deviation, in the sense of a departure from the contractually agreed voyage or adventure, or from events occurring during or after a deviation, if as a result of such deviation the Member is not entitled to rely on any defences or rights of limitation which would otherwise have been available to him to eliminate or reduce his liability; provided always that if the Member has notified the Managers in writing of the deviation before it occurs or immediately upon receiving information that it has occurred the Managers may agree special cover in respect of the deviation on such terms as they may determine.

(NOTE: If the contract of carriage contains a Voyage Clause approved by the Managers, the necessity of notifying and obtaining agreement for particular deviations may in certain cases be waived in the discretion of the Managers. The Voyage Clause recommended by the Association is printed in the Fourth Schedule).

(e) Certain exclusions from cover.

Unless the Committee shall otherwise determine, there is no cover in respect of any liabilities, costs and expenses arising from:-

- (i) the issue of a Bill of Lading, Waybill or other document containing or evidencing the contract of carriage, with a description of the cargo or its condition which the Member, or the Master of the insured vessel, knew to be incorrect,
- (ii) short delivery of cargo where a Bill of Lading, Waybill or other document containing or evidencing the contract of carriage, is signed for a greater quantity of cargo than is known by the Member, or Master or Chief Officer of the insured vessel to have been shipped or received for shipment,
- (iii) the issue of a Bill of Lading, Waybill or other document containing or evidencing the contract of carriage, which contains any fraudulent misrepresentation,
- (iv) the issue of an ante-dated or post-dated Bill of Lading, Waybill or other document containing or evidencing the contract of carriage, that is to say a Bill of Lading, Waybill or other document recording the loading or shipment or receipt for shipment on a date prior or subsequent to the date on which the cargo was in fact loaded, shipped or received as the case may be,
- (v) delivery of cargo carried under a negotiable bill of lading or similar document of title without production of that bill of lading or document by the person to whom delivery is made except where cargo has been carried on an Insured Owner's vessel under the terms of a non-negotiable bill of lading, waybill or other non-negotiable document, and has been properly delivered as required by that document, notwithstanding that Insured Owner may be liable under the terms of a negotiable bill of lading or other similar document of title issued by or on behalf of a party other than that Insured Owner providing for carriage in part upon that Insured Owner's vessel and in part by another mode of transport,
- (vi) delivery of cargo carried under a non-negotiable bill of lading or waybill or similar non-negotiable document to a party other than the party nominated by the shipper as the person to whom delivery should be made,
- (vii) discharge of cargo at a port or place other than in accordance with the contract of carriage, except where such cargo is so discharged with the consent in writing of the Managers,
- (viii) late arrival or non-arrival of the insured vessel at a port or place of loading, or failure to load any particular cargo, other than liabilities, loss and expense arising under a Bill of Lading already issued, or
- (ix) any deliberate breach of the contract of carriage on the part of the Member or his manager.
- (x) delivery of cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom

delivery is made, where such production is required by the express terms of that document or the law to which that document, or the contract of carriage contained in or evidenced by it, is subject, except where the carrier is required by any other law to which the carrier is subject to deliver, or relinquish custody or control of, the cargo, without production of such document.

(f) *Bye-Laws as to methods of carriage*

The Committee shall have power from time to time to make Bye-Laws regulating the system and method of carriage, storage, transport, custody and handling of cargo intended to be, being or having been carried in insured vessels.

If a Member fails to observe any such Bye-Law, there is no cover under this Section unless the Committee determines that the liabilities, costs and expenses would have arisen even if the Bye-Law had been observed.

(g) *Events on land*

There is no cover under paragraphs (A) and (B) of this Section in respect of liabilities, costs and expenses arising out of events occurring before the cargo has been received for shipment, after it has been delivered at the port of discharge, or at any time when it is neither aboard the insured vessel nor in the dock area of the port of loading or the port of discharge. This proviso shall not prevent recovery from the Association under paragraph (C) of this Section (Through and Transshipment Bills of Lading).

(h) *Value declared on Bill of Lading*

There is no cover for liabilities, costs and expenses in respect of carriage under an ad valorem bill of lading or other document of title:-

- (i) where a value of more than \$2,500 (or the equivalent in any other currency) per unit, piece or package is declared; and/or
- (ii) in the case of bills of lading subject to the Hague or Hague-Visby Rules, where a value is inserted in the bill of lading, whether by reference to each unit, piece or package or not, the effect of which, under any law held applicable to the bill, is to deprive the carrier of the right to limit liability for loss or damage in excess of package limits under Article IV Rule 5 of the Hague or Hague-Visby Rules, or in excess of such package limits as may otherwise be available under the law applicable to the bill of lading unless the consequent deprivation of the right to rely on such package limitation does not result in the carrier's liability exceeding \$2,500 per unit, piece or package.

(i) *Rare and Valuable Cargo*

There is no cover in respect of claims relating to the carriage of specie, bullion, precious or rare metals or stones, plate, works of art or other objects of a rare or precious nature, bank notes or other forms of currency, bonds, or other negotiable instruments, whether carried as cargo or as passenger's baggage or as seaman's effects, unless the Managers shall have approved in writing the contract of carriage, the spaces in which the valuables are to be carried, the

stowage thereof and the instructions given to those on board the insured vessel with regard to the safe custody thereof.

(j) Property of the Member

If any cargo lost or damaged on board the insured vessel shall be the property of the Member, he shall be entitled to recover from the Association the same amounts as would have been recoverable from him if the cargo had belonged to a third party and that third party had concluded a contract of carriage of the cargo with the Member on the terms of the Hague Rules or Hague-Visby Rules (or where compulsorily applicable by operation of law, the Hamburg Rules).

(k) Deck cargo

There is no cover in respect of claims arising out of the carriage of cargo on deck unless the cargo is suitable for carriage on deck and either:

- (a) the contract of carriage is specially endorsed to the effect that the cargo is carried on deck and provides that:-
 - (i) the carrier is exempted from all liability for loss or damage to such cargo howsoever caused; or
 - (ii) that the Hague Rules or Hague-Visby Rules apply to the on deck carriage notwithstanding Article 1(c) of the said Rules; or
- (b) the contract of carriage contains an appropriate liberty to carry cargo on deck and makes such carriage subject to the Hague Rules, the Hague-Visby Rules or similar rights, immunities and limitations in favour of the Carrier; or
- (c) where the contract of carriage is compulsorily subject to the Hamburg Rules by operation of law, the Member has complied with the provisions of paragraphs 1 and 2 of Article 9 thereof.

(l) Slot charterers

A Member who is a slot or space charterer of the insured vessel may recover under this Section in respect of his liabilities to other cargoes carried in the insured vessel, provided that the terms of the charter party have first been approved in writing by the Managers.

(m) Through or Transhipment Bills of Lading

Where a Through or Transhipment Bill of Lading has been issued by the Member in accordance with paragraph (C) above, there is no cover in respect of liabilities, costs or expenses incurred by the Member under or in connection with such a Bill of Lading, unless the Member preserves his rights of recourse against any sub-contractor by sub-contracting only on terms that:

- (a) provide that the sub-contractor shall be liable to the Member to the same or similar extent as the Member's liability under the Member's Bill of Lading, or
- (b) are the standard terms applicable in the particular trade or in the place where the sub-contract is carried out, or
- (c) have been approved in writing by the Managers.

(n) Paperless Trading

Unless either (1) the Committee otherwise determines or (2) it is otherwise agreed in writing between the Member and the Association, there shall be no recovery from the Association in respect of any liability, loss, cost or expense arising from the use of any electronic trading system, other than an electronic trading system approved by the International Group of P&I Associations, to the extent that such liability, loss, cost or expense would not (save insofar as the Association in its sole discretion otherwise determines) have arisen under a paper trading system.

For the purposes of this paragraph

- (a) an electronic trading system is any system which replaces or is intended to replace paper documents used for the sale of goods and/or their carriage by sea or partly by sea and other means of transport which:
 - (i) are documents of title, or
 - (ii) entitle the holder to delivery or possession of the goods referred to in such documents, or
 - (iii) evidence a contract of carriage under which the rights and obligations of either of the contracting parties may be transferred to a third party.
- (b) a "document" shall mean anything in which information of any description is recorded including, but not limited to, computer or other electronically generated information.

(o) Pre-loading Surveys

A Member shall arrange for a survey as to the condition of any cargo carried or intended to be carried on an insured vessel as may at any time be required in any general notice to Members by the Association or otherwise in writing by the Managers. Such survey shall be carried out by a surveyor approved in writing by the Association. Without prejudice to provisos (e)(i) and (e)(ii) of this Section 16 of Rule 2, where such a survey is carried out before a Bill of Lading, Waybill or other document is issued in respect of such cargo by or on behalf of the Member, the Member shall, unless the Managers otherwise agree in writing, cause such Bill of Lading, Waybill or other document containing or evidencing the contract of carriage to describe the cargo or its condition in accordance with the findings of the surveyor.

Section 17 Unrecoverable general average contributions

The proportion of general average expenditure, special charges or salvage which the Member is or would be entitled to claim from cargo or from some other party to the marine adventure and which is not legally recoverable by reason only of a breach of the contract of carriage.

PROVIDED THAT:-

- (a) All the provisos to Section 16 (Cargo) shall also apply to claims under this Section; in the case of proviso (h) (value declared on Bill of Lading), the limit of US\$2,500 shall apply to the aggregate of claims under Section 16 and this Section.

- (b) General average shall be adjusted according to the York/Antwerp Rules 1974,1994 or 2016. If it is not, then the liability of the Association shall be limited to what would be recoverable if general average were adjusted according to the law of England and the York/Antwerp Rules 1974; but a Member may be covered beyond this limit by special agreement with the Managers in writing.

Section 18 *Ship's proportion of general average*

Ship's proportion of General Average, Special charges or Salvage not recoverable under the Hull and Machinery policies solely by reason of the sound value of an insured vessel having been assessed for contribution to General Average, Special Charges or Salvage at a value in excess of the amount for which such vessel should have been insured in accordance with the provisions of Rule 12 (exclusion of sums insurable under Hull Policies).

PROVIDED THAT:-

Proviso (b) of Section 17 (unrecoverable general average contributions) shall likewise apply to this Section.

Section 19 *Property on board the insured vessel*

Liability for loss of or damage to any containers, equipment, fuel or other property on board the insured vessel, other than cargo and the effects of any person on board the insured vessel.

PROVIDED THAT:-

- (a) there is no cover under this Section for loss of or damage to any property which forms part of the insured vessel or which is owned or leased by the Member or by any company associated with or under the same management as the Member; and
- (b) unless the Member has obtained appropriate special cover by agreement with the Managers in writing, there is no cover under this Section where any liability arises under a contract or indemnity entered into by him and would not have arisen but for such contract or indemnity.

Section 20 *Salvors' expenses under standard forms of salvage agreement*

Liability of the Member to reimburse a salvor of the insured vessel for:

- (i) his "reasonably incurred expenses" (together with any increment awarded thereon) under the exception to the principle of "No cure - No pay" contained in Clause 1(a) of the Lloyd's Standard Form of Salvage Agreement (1980);
- (ii) the "Special Compensation" to which a salvor may be entitled under the exception to the principle of "No cure - No pay" contained in Article 14 of the International Convention on Salvage 1989 or the Special Compensation P. & I. Clauses (SCOPIC) where they are incorporated into the Lloyd's Standard Form of Salvage Agreements (2000) or (2011), or incorporated in the terms of a Standard Salvage Agreement approved by the Association.

Section 21 *Fines*

Liability for fines imposed in respect of the insured vessel by any court, tribunal or authority:-

- (a) for short or over delivery of cargo or for failure to comply with regulations relating to declaration of goods or to documentation of the cargo of the insured vessel;
- (b) for smuggling;
- (c) for breach of any law or regulation relating to immigration;
- (d) in respect of the accidental discharge or escape of oil or any hazardous substance from the insured vessel;
- (e) arising for any other reason, but only to such extent as the Committee shall determine.

PROVIDED THAT:-

- (a) Subject to paragraph (b) of this proviso, no fine is covered under this Section unless it was imposed on the Member.
- (b) A fine imposed on any other party may only be covered under this Section if:-
 - (i) the Member has been compelled to pay such fine by law or under the terms of a contract or indemnity approved by the Managers; or
 - (ii) the Member has reasonably paid such fine in order to prevent the arrest of the insured vessel or any other vessel or property belonging to the Member or in order to secure its release from arrest; or
 - (iii) the Committee shall otherwise determine.
- (c) The Committee may determine that the Association shall not indemnify a Member wholly or in part in respect of any fine or any costs arising in connection with such fine arising out of any incident or activity which, in the opinion of the Committee, the Member disregarded or failed to take reasonable steps to prevent.
- (d) The Committee shall have power from time to time to make bye-laws imposing restrictions, surcharges, exclusions, limits or any other conditions whatsoever in respect of or in relation to any particular country, area, port or place in connection with fines insured under this Section.

Section 21A Confiscation of vessels

Notwithstanding the terms of Rule 16(i) the Committee may authorise the payment, in whole or in part, of a Member's claim for loss of an insured vessel following confiscation of that vessel by any legally empowered court, tribunal or authority by reason of the infringement of any customs law or customs regulation:

PROVIDED THAT:-

- (i) the total aggregate amount recoverable from the Association shall under no circumstances exceed the market value of the insured vessel without commitment at the date of the confiscation;
- (ii) the Member shall have satisfied the Committee that he took such steps as appear to the Committee to be reasonable to prevent the infringement of the customs law or customs regulation giving rise to the confiscation;
- (iii) any amount claimed under this Section 21A of Rule 2 shall be recoverable to

such extent only as the Committee in its sole discretion may determine without having to give any reasons for its decision;

- (iv) no such claim shall be considered by the Committee until such time as the Member has been deprived of his interest in the insured vessel.

Section 22 *Inquiries and criminal proceedings*

Costs and expenses incurred by the Member:-

- (a) in protecting his interests before a formal inquiry into the loss of or a casualty involving the insured vessel; or
- (b) in connection with the defence of criminal proceedings brought against the Master of or a Seaman aboard the insured vessel or some other servant or agent of the Member or some other person associated with the Member;

PROVIDED THAT:-

No costs or expenses shall be recoverable under this Section unless:-

- (i) they were incurred with the written approval of the Managers, or
- (ii) the Committee determines that they should be recoverable from the Association.

Section 23 *Liability, costs and expenses incurred by direction of the Managers*

Liability, costs and expenses reasonably and necessarily incurred or sustained by the Member for the purpose or as a result of carrying out a specific written direction of the Managers in connection with the insured vessel, and in the event of a dispute between the Member and the Managers as to whether, or to what extent, any such liability, costs or expenses were so incurred or sustained, the Committee shall determine the issue.

Section 24 *Sue and labour and legal costs*

- (A) Extraordinary costs and expenses (other than those set out in paragraph (B) of this Section) reasonably incurred on or after the occurrence of any casualty, event or matter liable to give rise to a claim upon the Association and incurred solely for the purpose of avoiding or minimising (as required by Rule 23) any liability or expenditure against which the Member is wholly or, by reason of a deductible or otherwise, partly insured by the Association.
- (B) Legal costs and expenses relating to any liability or expenditure against which the Member is wholly, or, by reason of a deductible or otherwise, partly insured by the Association.

PROVIDED THAT:-

- (a) where, by reason of a deductible or otherwise, the Association would be liable to indemnify the Member for part only of a claim made against him by a third party, the Association shall only be liable under this Section for a similar proportion of the costs and expenses incurred in respect of that claim, unless the Committee shall determine that the full amount of such costs and expenses should be borne by the Association;
- (b) no costs or expenses shall be recoverable under this Section unless:-

- (i) they were incurred with the approval of the Managers, or
- (ii) they were incurred by the Association under Rule 26 (employment of lawyers and others), or
- (iii) the Committee determines that they should be recoverable from the Association.

3 Special Cover and Charterers Risks

(A) General

- (1) Subject to the Constitution and save in so far as expressly prohibited by these Rules the Managers may accept entries on behalf of the Association of vessels on terms which afford cover against any special or additional risks not set out in Rule 2, whether or not in the nature of Protection and Indemnity Cover. The nature and extent of the risks and the terms and conditions of insurance incorporating any such special terms shall be as agreed in writing between the Member concerned and the Managers.
- (2) The Association shall be at liberty to re-insure in whole or in part any of the risks insured under this Rule 3 and to the extent that the risks covered under or by virtue of this Rule, including the risks covered under Rule 2, are re insured by the Association, the Member and any Co-Assured shall only be entitled to recover from the Association the net amount actually recovered by the Association under such reinsurance in respect of his claim, together with that portion (if any) of the cover retained by the Association.
- (3) Notwithstanding Rule 2(a) a Member may be insured on the special term that the risks insured may arise otherwise than in respect of any insured vessel or otherwise than in connection with the operation of an insured vessel provided always that this shall have been expressly agreed in writing between the Member and the Managers.
- (4) Unless otherwise expressly agreed, any special insurance as described in subparagraphs (1) and (2) and (3) of this paragraph (A) shall be subject to all the warranties, conditions, exceptions, limitations and other terms contained in these Rules.

(B) Cover for Charterers and related parties

Without prejudice to the generality of this Rule 3, where an entry of a vessel in the Association is in the name of or on behalf of a charterer (other than a bare boat charterer or charterer by demise), the charterer may be covered as a Member, and any cargo interests wholly owned or controlled by such charterer or in the same ownership or control as him may be covered as a Co-Assured, upon such terms and conditions as the Managers of the Association may require in respect of the liabilities, losses, costs and expenses set out in Rule 2 and in respect of one or more of the liabilities, losses, costs and expenses set out in subparagraphs (1) to (7) of this paragraph (B), namely:

- (1) Liability as charterer to indemnify the owner or disponent owner of the insured vessel in respect of the risks set out in Rule 2.
- (2) Liability as charterer to pay freight, charter hire, demurrage or damages to the

owner or disponent owner of the insured vessel as a result of loss of or damage to the vessel for which the Member is responsible, but to the extent (and no more) that cover would otherwise be excluded by virtue of Rule 16(i) to (ix) and Proviso (a)(i) to Rule 2, Section 10.

- (3) Liability as charterer to contribute to general average, special charges or salvage in respect of freight and any property, other than cargo, carried on board the insured vessel and owned or leased by the Member.
- (4) Loss of or damage to fuel oil, stores and supplies belonging to the Member or for which he is responsible.
- (5) Where the Member and the Co-Assured are covered in the capacity of cargo owner, the liabilities, losses, costs and expenses set out in Rule 2, Section 11 where they arise out of an incident occurring at a time when the Member or the Co-Assured:
 - (a) owned all or part of the cargo being carried on the insured vessel; and
 - (b) where the Co-Assured owned all or part of such cargo the Co-Assured was wholly owned or controlled by, or was in the same ownership or control as, the Member and where such liabilities, losses, costs and expenses arose by virtue of the relationship between the Member and the Co-Assured.
- (6) Liabilities, losses, costs and expenses incurred as a charterer and covered under Rule 2 and under this paragraph (B) for which cover would otherwise be excluded by Rule 14, provided that:-
 - (a) cover against such liabilities, losses, costs and expenses may be terminated by the Association on 7 days' notice;
 - (b) there is no cover for liabilities, losses, costs and expenses arising otherwise than from the operation, ownership, management or chartering of a vessel, or in respect of cargo otherwise than in the ordinary course of transit as provided for in the Joint Cargo Committee Termination of Transit Clause (Terrorism) JC 2001/056;
 - (c) there is no cover in respect of the risks set out in clause 5 of the Institute War and Strike Clauses, Hulls-Voyage 1/11/95; and
 - (d) such cover shall terminate automatically in the circumstances and manner described in clause 6.2 of the Institute War and Strike Clauses, Hulls-Voyage 1/11/95.
 - (e) without prejudice to its general limit of liability under this paragraph (B) of Rule 3, the Association's liability under such cover in this sub-paragraph 6 in respect of all parties insured in respect of one vessel in respect of one incident shall not exceed in the aggregate the amount of US\$100,000,000 inclusive of interest and costs. For the purposes of this proviso, claims in respect of loss of or damage to cargo on the same cargo carrying voyage (including claims in respect of cargo's contribution to general average payable by the Member solely by reason of a breach of the contract of carriage) shall be deemed to have arisen out of the same incident and that incident shall be deemed to have occurred at the earliest of:
 - (i) the first place of discharge or port at which such loss or damage was ascertained and at the time of such ascertainment; and
 - (ii) if such loss or damage was ascertained after discharge of the cargo from the insured vessel, at the time and place of discharge; and

- (iii) where the Member sold the insured vessel (or otherwise disposed of the interest in the insured vessel in respect of which he has been insured) during the cargo carrying voyage, at the time when the last entry for the insured vessel terminated and at the place where the insured vessel was at that time, and a reference in this proviso to a cargo carrying voyage shall include, in cases where cargo is carried under a contract for carriage partly in the insured vessel and partly by other means of transport, the entire through or combined transport of that cargo under that contract.
- (f) in respect of such cover, the Member warrants to the Association that the insured vessel is chartered on terms not less favourable to the Member than the following:
 - (i) the vessel's owners may decline any orders sending the vessel to any place which is dangerous through war risks (as defined in clauses 1.1 to 1.3 of the Institute War and Strike Clauses, Hulls-Voyage 1/11/95);
 - (ii) the vessel's owners may insure their own interests against such war risks; and
 - (iii) the Member is to reimburse any premium paid by owners for insurance against such war risks, and the Member shall further use his best endeavours to procure a term of the charter party that he is not liable for any loss, damage or expense which is or which could be covered by available war risks insurance on normal commercial terms.
- (g) in the event of an insured vessel sailing for, deviating towards, or being within the Territorial Waters of any countries or places described in such Excluded Areas as the Association may from time to time notify (including any port area that at the date of this notice constitutes part of such a country or place howsoever it may hereafter be described), additional premium shall be paid at the discretion of the Association's Managers.
 Information of such voyage or deviation shall be given to the Managers as soon as practicable, but the absence of prior notice shall not affect the reinstatement of cover subject to the payment of additional premium to be agreed.
- (h) in the event of the Member not requiring continuation of such cover for an insured vessel proceeding into or remaining in an excluded area, they shall so advise the Managers before the commencement of such voyage, deviation or period and Rule 14 shall apply. Such cover shall be reinstated once such an insured vessel leaves an Excluded Area.
- (7) Liability as charterer to pay extraordinary costs and expenses reasonably and necessarily incurred in the removal and replacement of bunkers aboard the insured vessel for the purpose of avoiding or minimising liability on the part of the Member for physical damage to the insured vessel, its engines or other equipment, in particular the following activities:
 - (i) the removal from the ship of bunkers (including any fuel oil and/or lubricating oil);
 - (ii) the replacement of bunkers so removed with new and sound bunkers;
 - (iii) the cleaning of the ship's engines, tanks, pipelines and/or other similar affected areas; and
 - (iv) the lawful disposal of bunkers and other substances resulting from the activities set out in sub-paragraphs (i) and (iii) of this paragraph (B).

PROVIDED THAT there shall be no cover for any of the following:

- (a) The value or price of the bunkers removed from the insured vessel and/or the new and sound bunkers supplied to it;
- (b) Costs and expenses resulting from steps taken or which could reasonably have been taken by the Member's employees or from the reasonable use of equipment operated by or on behalf of the Member, and
- (c) Costs and expenses incurred other than as charterer of the insured vessel, in particular as supplier of bunkers removed and/or replaced.

Cover under sub-paragraphs (1) to (7) of this paragraph (B) is subject to the following provisos:-

- (a) If the Co-Assured has an interest in the cargo carried on board that vessel that interest shall constitute, for the duration of the voyage on which such cargo is carried, an interest in the vessel sufficient to constitute him a Co-Assured in respect of such vessel under Rule 36, and the provisions of paragraph (c) of the preamble to Rule 2 shall not apply.
- (b) The terms of each charter party must be in all material respects in a form approved by the Managers.
- (c) There is to be no cover under sub-paragraph (4) of this paragraph (B) in respect of:
 - (i) ordinary loss in weight or volume or ordinary degradation or deterioration of such fuel oil, stores or supplies;
 - (ii) loss, damage or expense caused by inherent vice or nature of such fuel oil, stores or supplies;
 - (iii) loss, damage or expense caused by delay, even where such delay is caused by a risk insured by the Association;
 - (iv) loss, damage or expense caused by a terrorist or any person acting from a political motive.
- (d) In respect of the cover under sub-paragraph (4) of this paragraph (B) the Association waives any implied warranty of seaworthiness of the vessel.
- (e) The provisions of Rule 7 shall not apply, but the Committee shall have power under this Rule to make Bye-Laws from time to time providing for the limitation of or other restrictions upon the liability of the Association for claims under all paragraphs of this paragraph (B), including cover under Rule 2. In the absence of any such Bye-Law and save as provided in Rule 3(B)6(e) or as otherwise agreed in writing with the Managers, the Association's liability under all paragraphs of this paragraph (B), including cover under Rule 2 or otherwise, in respect of all parties insured in respect of any one vessel under any one contract of insurance in respect of any one incident shall not exceed in the aggregate the amount of US\$500,000,000 inclusive of interest and costs. For the purposes of this proviso, claims in respect of loss of or damage to cargo on the same cargo carrying voyage (including claims in respect of cargo's contribution to general average payable by the Member solely by reason of a breach of the contract of carriage) shall be deemed to have arisen out of the same incident and that incident shall be deemed to have occurred at the earliest of:-

- (i) the first place of discharge or port at which such loss or damage was ascertained and at the time of such ascertainment; and
- (ii) if such loss or damage was ascertained after discharge of the cargo from the insured vessel, at the time and place of discharge; and
- (iii) where the Member sold the insured vessel (or otherwise disposed of the interest in the insured vessel in respect of which he has been insured) during the cargo carrying voyage, at the time when the last entry for the insured vessel terminated and at the place where the insured vessel was at that time.

And a reference in this proviso to a cargo carrying voyage shall include, in cases where cargo is carried under a contract for carriage partly in the insured vessel and partly by other means of transport, the entire through or combined transport of that cargo under that contract.

(C) Cover for Fixed Call Risks

Without prejudice to the generality of this Rule 3, the Association may, without derogation from Rule 43, insure a Member, including a charterer of any kind, in respect of the liabilities, losses, costs and expenses covered under Rule 2 upon terms that the Member shall pay a fixed Call, instead of Mutual Calls, consisting of a single fixed element which may include the cost of reinsurance other than that placed under the General Excess Loss Contracts or other reinsurance effected collectively by the parties to the Pooling Agreement and that the Member shall not be liable to pay a Supplementary Call, Overspill Call, Release or contribution in respect of a Solvency Margin and/or Guarantee Fund.

(D) Maritime Labour Convention Extension Clause 2016

- (1) Subject only to the other provisions of this MLC Extension (“the Extension”), the Association shall discharge and pay on the Member’s behalf under the 2006 Maritime Labour Convention as amended (MLC 2006) or domestic legislation by a State Party implementing MLC 2006:
 - (a) Liabilities in respect of outstanding wages and repatriation of a seafarer together with costs and expenses incidental thereto in accordance with Regulation 2.5, Standard A2.5 and Guideline B2.5 of MLC 2006; and
 - (b) Liabilities in respect of compensating a seafarer for death or long-term disability in accordance with Regulation 4.2, Standard A4.2.1 and Guideline B4.2 of MLC 2006.
- (2) The Member shall reimburse the Association in full:
 - (a) any claim paid under paragraph 1(a) save to the extent that such claim is in respect of liabilities, costs or expenses recoverable under Rule 2 Section 3 (Repatriation); and
 - (b) any claim paid under paragraph 1(b) save to the extent that such claim is in respect of liabilities, costs or expenses recoverable under Rule 2 Section 1 (Injury, illness and death – seamen).
- (3) There shall be no payment under paragraph 1(a) or paragraph 1(b) if and to the extent that the liability, cost or expense is recoverable under any social security scheme or fund, separate insurance or any other similar arrangement.

- (4) The Association shall not discharge or pay any liabilities, costs or expenses under paragraph 1(a) or paragraph 1(b), irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the Member or the Member's servants or agents, where such liabilities, costs or expenses were directly or indirectly caused by or contributed to by or arise from:
 - (a) Any chemical, biological, bio-chemical or electromagnetic weapon.
 - (b) The use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system.
- (5)
 - (a) The Extension may be cancelled in respect of War Risks by the Association on 30 days' notice to the Member (such cancellation becoming effective on the expiry of 30 days from midnight of the day on which notice of cancellation is issued).
 - (b) Whether or not such notice of cancellation has been given the Extension hereunder shall terminate automatically in respect of the War Risks:
 - (i) Upon the outbreak of war (whether there be a declaration of war or not) between any of the following: United Kingdom, United States of America, France, the Russian Federation, the People's Republic of China;
 - (ii) In respect of any ship, in connection with which cover is granted hereunder, in the event of such ship being requisitioned either for title or use.
 - (c) The Extension excludes loss, damage, liability or expense arising from:

 - (ii) Requisition for title or use.
- (6) The Extension shall be subject to Rules 15 (Liability Excluded for Nuclear Risks, etc) and 19 (Exclusion in respect of Sanctions, etc).
- (7) Without prejudice to paragraph 5, cover under the Extension shall cease 30 days after notice of termination in accordance with either Regulation 2.5, Standard A2.5.2.11 or Regulation 4.2, Standard A4.2.1.12.
- (8) Any dispute arising out of or in connection with the Extension shall be resolved in accordance with Rule 57 (Jurisdiction).

For the purpose of the Extension:

"Member" means any insured party who is liable for the payment of calls, contributions, premium or other sums due under the terms of entry;

"Seafarer" shall have the same meaning as in MLC 2006; and

"War Risks" means the risks set out in Rule 14 (Liability Excluded for War Risks).

4 Special Cover for Salvors

- (1) Without prejudice to Rule 3 (Special Cover) a Member who is the owner or operator of a salvage tug or other craft specially designed, converted or maintained for use in salvage operations may be insured, but only by special agreement with the Managers and upon such terms as may be required by the

Managers, against any liabilities, costs or expenses arising out of any salvage operations or attempted salvage operations performed or to be performed by the Member or by any sub-contractor of the Member or any of their respective servants.

- (2) The cover referred to in paragraph (1) of this Rule may be given on terms that the liabilities, costs or expenses need not arise in respect of any insured vessel or out of the operation of any insured vessel provided always that they arise in connection with the Member's business as a salvor.
- (3) It shall be a condition precedent of every insurance on the terms referred to in paragraph (2) of this Rule that the Member and any company which is a subsidiary or holding company of the Member or a subsidiary of the Member's holding company shall, at the time when the insurance is given and thereafter within thirty days before the beginning of each Policy Year, apply to enter for insurance in the Association every vessel intended to be used in connection with salvage operations which it then owns or operates (on terms that every such application may be accepted in respect of such one or more vessels as the Managers may determine).

5 Omnibus Rule

Notwithstanding anything to the contrary contained in these Rules, the Committee may determine that the Association shall pay a Member any amount, whether or not the full amount claimed, or shall insure such Member in respect of liabilities, costs or expenses incidental to the business of owning, operating or managing vessels, which arise in accordance with paragraphs (a)(i) to (iii) of the preamble to Rule 2 and which in the opinion of the Committee fall within the scope of the Association's business.

PROVIDED THAT:-

- (i) if any such liabilities, costs or expenses are expressly excluded by the provisions of any other Rule, the Committee's decision in favour must be unanimous among those present when the claim is considered; and
- (ii) the Committee need not give any reasons for its decision.

Part II - Deductibles, Limitations, Exclusions and Warranties

6 Deductibles

Unless otherwise agreed in writing between a Member and the Managers as part of the terms upon which a vessel is entered in the Association, the Member's recovery from the Association shall be subject to the following deductibles:-

(1) *Cargo claims and cargo's proportion of General Average*

In respect of liabilities, costs and expenses referred to in Rule 2 Sections 16 and 17 and any costs and expenses incurred in connection therewith under Rule 2 Section 24 the first US\$13,000 in respect of one insured vessel in respect of each cargo voyage.

(2) *All other Claims*

7 Limits of the Association's Liability other than in respect of Overspill

(1) *Definitions*

For the purpose of this Rule 7 and the provisos thereto, and without prejudice to anything elsewhere contained in these Rules:

- (b) a "claim in respect of oil pollution" means a liability, cost, loss or expense, howsoever incurred, in respect of or relating to an escape or discharge of oil or any threat or consequence of such escape or discharge, but excluding liability for loss of or damage to such oil.
- (c) "persistent oil" means
 - (i) any hydro-carbon mineral oil other than any oil which consists of hydro-carbon fractions at least fifty per cent (50%) of which, by volume, distils at a temperature of 340°C (645°F), and at least ninety five per cent (95%) of which, by volume, distils at a temperature of 370°C (700°F) when tested by the ASTM Method D86/78 or any other subsequent revision thereof; and
 - (ii) any other oil which the Association may determine from time to time.

(2) Limitation Generally

- (a) The Association's liability under an Owner's Entry for claims in respect of oil pollution shall be limited to such sum or sums and be subject to such terms and conditions as are set out in paragraph 3 of this Rule 7.
- (b) Where the insured vessel, being capable of carrying oil in bulk as cargo, is on a voyage involving loading or discharging oil as cargo at any port or place in the United States of America or within the exclusive economic zone as defined in the US Oil Pollution Act of 1990 ("OPA 90") and any amendments thereto, the Association shall have no liability under an Owner's Entry for any claim in respect of oil pollution in respect of any incident to which OPA 90 is applicable, unless an agreement has been entered into with the Association on the terms and conditions set out in paragraph 4 of this Rule 7.

 - (i) insured by the Association under Owner's Entries for claims in respect of oil pollution; or
 - (ii) insured for claims in respect of oil pollution under Owner's Entries with any other association which participates in the Pooling Agreement. In such circumstances the limit of the liability of the Association shall be such proportion of the sum set out in paragraph 3(b) of this Rule 7 as the claim by the Member bears to the aggregate of all such claims.

- (d) Where a vessel entered in the Association by or on behalf of any person (except a charterer other than a demise or bare boat charterer) is also separately insured in the name of or on behalf of the same or any other such person by the Association or by any other association which is a party to the Pooling Agreement for claims in respect of oil pollution, the aggregate recovery in respect of all such claims in respect of one vessel in respect of one incident shall not exceed in the aggregate the amount set out in paragraph (3)(b) of this Rule 7 and the liability of the Association to each such person for all such claims in respect of one vessel in respect of one incident shall not exceed in the aggregate such proportion of that amount as the maximum amount for which the Association would otherwise be liable in respect of such claims bears to the aggregate of all such claims for which the Association and all such associations would otherwise be liable.

(4) US Oil Pollution Cover

- (a) The Member shall declare quarterly in arrears at the end of each quarter ending 20th May, 20th August, 20th November and 20th February whether or not the Insured vessel has performed any voyage (a "relevant voyage") carrying oil as cargo to or from any port or place in the United States of America or within the exclusive economic zone ("EEZ") as defined in the US Oil Pollution Act 1990 ("OPA 90") and any amendments thereto and, if so, the number of voyages, and for each voyage, the nature and (in the case of cargoes of persistent oil carried by parcel tankers) quantity of the cargoes, the port(s) or place(s) of loading, discharging or transferring such cargoes and the date(s) of such loading, discharging or transfer.
- (b) If the insured vessel makes a relevant voyage involving loading or discharging persistent oil as cargo at any port or place in the US or within the EEZ, the Member shall pay an additional premium to be determined by the Association.
- (c) The Member shall pay such additional premium on or before the date specified in the debit note issued by the Association in accordance with the declarations made under paragraph 4(a) above.
- (d) In the event that the Member fails for any reason to make a declaration (whether or not any relevant voyage has been performed) within three months of the quarter dates specified in paragraph 4(a) of this Rule 7, the exclusion for oil pollution set out in paragraph (2) (b) of this Rule 7 will again come into effect in respect of the insured vessel for which a declaration has not been made from the expiry of the said period of three months.
- (e) In the event that any declaration made by the Member or on his behalf pursuant to paragraph 4(a) of this Rule 7 is in any material respect inaccurate, the Member shall cease to be covered by the Association in respect of the insured vessel for which an inaccurate declaration has been made with effect from the date of receipt of the inaccurate declaration by the Association, provided always that the Association may in its discretion and upon such terms as it thinks fit either:

- (i) reinstate the entry of the insured vessel for which cover has ceased pursuant to this provision, or
- (ii) admit in whole or in part any claim in respect of the insured vessel for which the Association is under no liability by reason of the cessation of cover in accordance with this provision.

(5) *Passengers and Seamen*

- (a) For the purposes of this paragraph (5), and without prejudice to anything else contained in these Rules, a "Passenger" shall mean a person carried on board a vessel under a contract of carriage or who, with the consent of the carrier, is accompanying a vehicle or live animals covered by a contract for the carriage of goods and a "Seaman" shall mean any other person on board a ship who is not a Passenger.
- (b) Unless otherwise limited to a lesser sum, the Association's liability under any one Owner's Entry in respect of one vessel in respect of one incident shall not exceed
 - (i) In respect of liability to Passengers US\$ 2,000,000,000 in the aggregate and
 - (ii) in respect of liability to Passengers and Seamen US\$ 3,000,000,000 in the aggregate.

PROVIDED THAT:-

- (1) Where there is more than one Owner's Entry in respect of the same insured vessel in the Association and/or in one or more associations which participate in the Pooling Agreement,
- (A) the Association's liability in respect of Passengers in respect of one vessel in respect of one incident shall not exceed in the aggregate such proportion of the amount of US\$ 2,000,000,000 that the amount for which the Association would otherwise be liable in respect of such persons bears to the aggregate of the amounts for which the Association and such other associations would otherwise be liable in respect of such persons and
- (B) the Association's liability and the liability of such other associations' in respect of Passengers and Seamen in respect of one vessel in respect of one incident shall not exceed in the aggregate US\$ 3,000,000,000 and the liability of the Association in respect of one vessel in respect of one incident shall not exceed:
 - (i) where claims in respect of liability to Passengers have been limited to US\$ 2,000,000,000 in accordance with proviso (A) such proportion of the balance of US\$ 1,000,000,000 as the amount for which the Association would otherwise be liable in respect of such Seamen bears to the aggregate amount for which the Association and such other associations would otherwise be liable in respect of such Seamen or
 - (ii) in all other cases, such proportion of US\$ 3,000,000,000 as the amount for which the Association would otherwise be liable in respect of Passengers and Seamen bears to the aggregate amount for which the Association and such

other associations would otherwise be liable in respect of such Passengers and Seamen.

- (2) where the Association's liability in respect of Passengers and Seamen is limited to US\$ 3,000,000,000 in the aggregate and the apportionment of such limit is not expressly provided for in this paragraph 5 of Rule 7 the amount of the Association's maximum liability shall be apportioned between claims in respect of Passengers and Seamen as determined by the Committee.

(6) Charterers' Entries

Where a charterer is insured otherwise than in accordance with Rule 3 and subject to the provisions of sub paragraph (a) of this paragraph 6 the Association's liability in respect of all persons insured under a Charterer's Entry in respect of all liabilities, losses, costs or expenses falling within Rule 2, in respect of one vessel one incident shall not exceed the aggregate amount of US\$ 350,000,000.

PROVIDED THAT:-

- (a) Where the insured vessel provides salvage or other assistance to another ship following a casualty, a claim by a Member in respect of oil pollution arising out of the salvage, the assistance or the casualty shall be aggregated with any claim in respect of oil pollution by any other vessel(s) similarly engaged in connection with the same casualty when such other vessel(s) are either:
- (i) insured by the Association in respect of oil pollution under Charterer's Entries; or
 - (ii) insured in respect of oil pollution under Charterer's Entries with any other association which participates in the Pooling Agreement. In such circumstances the Association's liability shall not exceed such proportion of US\$ 350,000,000 as the claim by the Member bears to the aggregate of all such claims.

(7) Consortium claims

(a) Definitions

For the purpose of this paragraph (7) the following words and expressions shall have the following meanings:

Consortium Agreement

Any agreement, which shall have been approved in writing by the Managers, under which a Member agrees with other parties to the reciprocal exchange or sharing of cargo space on the insured vessel and Consortium Vessels.

Consortium Vessel

Means a vessel or space thereon, not being the insured vessel, employed to carry cargo under a Consortium Agreement.

Consortium Claim

A claim shall be a Consortium Claim where:

- (i) it arises under a P&I entry of an insured vessel; and
- (ii) it arises out of or in connection with the carriage of cargo on a Consortium Vessel; and

- (iii) the Member and the operator of the Consortium Vessel are parties to a Consortium Agreement; and
- (iv) at the time the event giving rise to the claim occurs there is employed by the Member pursuant to the Consortium Agreement a vessel entered on behalf of the Member in the Association or another association which is a party to the Pooling Agreement.

For the purpose of a Consortium Claim under this paragraph 7, the Consortium Vessel shall be treated as an insured vessel entered on behalf of the Member under a Charterer's Entry in the Association.

(b) Allocation of Consortium Claims

Where an insured vessel under an Owner's Entry and an insured vessel under a Charterer's Entry are both employed by a Member pursuant to a Consortium Agreement at the time the incident giving rise to the Consortium Claim occurs, the Consortium Claim of the Member shall for the purpose of these Rules be treated as a claim arising in respect of the Owner's Entry of the Member.

(c) Aggregation

- (i) Where the Member has more than one vessel employed pursuant to the Consortium Agreement at the time the event giving rise to a Consortium Claim occurs, all such vessels shall be deemed to be an entry of one insured vessel.
- (ii) Where a Member employs one or more vessels pursuant to the Consortium Agreement at the time the event giving rise to a Consortium Claim occurs and the Member has an entry in respect of such vessels in the Association and another association which is a party to the Pooling Agreement:
 - (A) each such vessel shall be deemed to be a part entry of one vessel in the Association and the other association(s) which is a party to the Pooling Agreement, and
 - (B) where the Consortium Claims incurred by the Association and the other association(s) in respect of the insured vessel arising from that event out of the carriage of cargo on a Consortium Vessel in the aggregate exceed the sum specified in sub-paragraph (d) of this paragraph 7, the liability of the Association for such Consortium Claims shall not exceed that proportion of the sum specified in sub paragraph (d) of this paragraph 7 that the Consortium Claims recoverable from the Association in respect of each part entry bears to the aggregate of all the Consortium Claims for which the Association and any other association which is a party to the Pooling Agreement may be liable.

(d) Limit

The Association's liability in respect of a Consortium Claim on one Consortium Vessel in respect of all insured vessels under all entries in the Association and any other association which is a party to the Pooling Agreement in respect of one incident shall be limited in the aggregate to the amount of US\$ 350,000,000.

8 Other Limitations of the Association's Liability

(1) Generally

The Association shall in no circumstances be liable hereunder for a sum in excess of the liability in law of the Member for damages or otherwise and, when a Member is entitled to limit his liability, the liability of the Association shall not exceed the amount of such limitation. Where the Association is sued directly by a third party, it shall be entitled to adopt each and every denial, defence and right to limitation of liability that would have been available to the Member in such proceedings were the Member and not the Association to be the party sued.

(2) Unreasonable failure to limit

When a Member is or would be entitled to limit his liability in respect of any vessel, but the Committee determines that he has unreasonably failed to take the necessary steps to limit his liability, the liability of the Association shall not exceed the amount of the limitation. The burden of proving that a failure to limit is not unreasonable shall be on the Member.

(3) Limitation for persons other than shipowners

- (a) The Committee shall have power under this Rule to make Bye-Laws from time to time providing for limitation of or other restrictions upon the liability of the Association for claims (otherwise than in connection with oil pollution) against charterers (other than demise charterers) and to vary or revoke any such Bye-Laws.
- (b) If a Member has entered a vessel in the Association, and he is not the registered owner or demise charterer of that vessel or the manager or operator having control of the operation and employment of that vessel (being such control as is customarily exercised by a ship owner) or any other person in possession or control of that vessel or an insurer of protection and indemnity risks of such description of persons, then unless otherwise agreed in writing between the Member and the Managers the liability of the Association in respect of any claim brought by the Member relating to that vessel shall not exceed the amount to which he could have limited his liability for the claim if he had been the registered owner and had not been denied the right to limit.

9 Less than Full Tonnage Entered

If less than the full gross tonnage of a vessel is entered in the Association, the Member concerned shall, unless the entry of the vessel has been accepted on special terms which otherwise provide, be entitled only to recover such proportion of his claim as the entered tonnage bears to the full gross tonnage.

Where by virtue of these Rules or any special terms which may have been agreed a limit is set to the Association's liability in respect of any or all claims insured by the Association the foregoing provisions shall likewise apply to such limit and the Association's liability in respect thereof shall be reduced accordingly.

10 Payment First by the Member, Subrogation and Assignment

The insurance afforded to a Member is indemnity only and not liability.

Unless the Committee in its discretion otherwise determines it shall be a condition precedent of a Member's right to recover from the funds of the Association in respect of any loss, damage, liabilities, costs or expenses that he shall first have discharged or paid the same otherwise than from money advanced expressly or impliedly for that purpose whether by way of loan or otherwise.

Without prejudice to the Managers' powers under Rule 27 relating to the handing and settlement of claims, where the Association makes a payment to a Member or a Co-Assured and the Member or Co-Assured has rights against a third party, whether by way of a claim for contribution, indemnity or otherwise arising out of a claim or matter in respect of which the Association has made such payment to the Member or the Co-Assured, the Association shall be subrogated to the rights of the Member and the Co-Assured in respect of the claim or matter to the extent of that payment, including the right to any interest accruing on that amount prior to its recovery from such third party and the right to recover any costs incurred in relation to the exercise of such rights.

Further, the Member and the Co-Assured agree to hold such rights as trustees for the Association and to take such steps as the Association may direct with regard to their enforcement and recovery. All such recoveries, including interest and recovered costs howsoever and whensoever made, are to be paid to the Association, provided that if any such recovery exceeds the amounts paid by the Association, including interest and costs whether paid to third parties or incurred by the Association, the balance shall be paid to the Member.

If required by the Association, the Member and the Co-Assured shall execute a legal assignment of such rights to the Association. In the event that such rights are not assignable or transferable as a matter of law, the Member and the Co-Assured undertake not to dissolve themselves or otherwise render themselves incapable of taking such steps as may be required by the Association in enforcing any such rights against a third party.

The cover provided by the Association as set out in these Rules is solely for the benefit of the Member. It is not intended, save as otherwise provided in this Rule 10, that rights should be acquired by any third party through the operation of the Contracts (Rights of Third Parties) Act 1999 of the United Kingdom or similar legislation.

Notwithstanding any other provisions of this Rule 10 and the provisions of Rules 11 and 39, where a Member has failed to discharge a legal liability to pay damages or compensation for personal injury, illness or death of a seaman or under any statute giving effect to the Maritime Labour Convention 2006 or any similar enactment, the Association shall discharge or pay such claim on the Member's behalf directly to such seaman or dependant thereof.

PROVIDED ALWAYS THAT:-

- (i) the seaman or dependant has no enforceable right of recovery against any other party and would otherwise be uncompensated,
- (ii) subject to (iii) below, the amount payable by the Association shall under no

- circumstances exceed the amount which the Member would have been able to recover from the Association under the Rules and the Member's terms of entry,
- (iii) where the Association is under no liability to the Member in respect of such claim by reason of Rule 39, the Association shall nevertheless discharge or pay that claim to the extent only that it arises from an event occurring prior to the date of cancellation, but as agent only of the Member, and the Member shall be liable to reimburse the Association for the full amount of such claim.

11 No Liability Until Calls and Other Sums Paid

Without prejudice to anything elsewhere contained in these Rules it shall be a condition precedent of a Member's right to recover from the funds of the Association in respect of any loss, damage, liabilities, costs or expenses that all such Calls and other amounts whatsoever as shall have become due from the Member to the Association shall (whether in respect of this Class or any other Class) have been paid in full by the Member or by some assignee or other person on his behalf.

PROVIDED THAT:-

The Committee may waive the above condition, but in such event the Association shall be entitled to set off any amount due from a Member against any amount due to him from the Association.

12 Exclusion of Sums Insurable Under Hull Policies

Unless otherwise agreed in writing or the Committee otherwise determines, the Association shall not be liable for any loss, damage, liabilities, costs or expenses in connection with an insured vessel:-

- (i) against which a Member would be insured if the insured vessel were at all times fully insured under Hull Policies on terms not less wide than those of the Lloyd's Marine Policy with the Institute Time Clauses (Hulls) 1/10/83 attached, or
- (ii) which would not be recoverable under such Policies by reason of some franchise, deductible or deduction of a similar nature in such Policies.

"Fully insured" in this Rule means insured at such insured value as the Committee determines represents the market value of the insured vessel, disregarding any charter or other engagement to which she may be committed.

13 Association Not Liable for Interest

In no case shall a Member be allowed interest on any claim he may have against the Association.

13A Premium Tax and Other Excise Taxes

The Member shall pay on demand to the Association or its order the amount of any premium tax or other excise tax for which the Association determines it or the Member has or may become liable and shall indemnify and hold harmless the Association in respect of any loss, damage, liability, cost or expense which the Association may incur in respect of such premium tax or other excise tax.

14 Liability Excluded for War Risks and Other Risks, Except in Respect of Certain Guarantees and Undertakings Given by the Association

- (1) Except as provided in paragraphs (2), (3) and (4) of this Rule 14, unless either (a) the Committee otherwise determines or (b) it is otherwise agreed in writing between any Member and the Association, there is no cover in respect of any liabilities, costs or expenses (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the Member or on the part of the Member's servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liability arises or cost or expense is incurred, was caused by:-
- (i) War, civil war, revolution, rebellion, insurrection or civil strife arising there from, or any hostile act by or against a belligerent power, or any act of terrorism.
 - (ii) Capture, seizure, arrest, restraint or detention (barratry and piracy excepted) and the consequences thereof or any attempt thereat.
 - (iii) Mines, torpedoes, bombs, rockets, shells, explosives or similar weapons of war (save for those liabilities, costs or expenses which arise solely by reason of the transport of any such weapons whether on board the insured vessel or not).

PROVIDED ALWAYS THAT:-

- (a) This exclusion shall not apply to the use of such weapons, either as a result of government order or through compliance with a written direction given by the Managers or the Committee, where the reason for such use is the avoidance or mitigation of liabilities, costs or expenses which would otherwise fall within the cover given by the Association.
 - (b) In the event of any dispute as to whether or not any act constitutes an act of terrorism, the decision of the Committee shall be final.
- (2) A Member shall be covered in respect of the risks set out in Rule 2 which would otherwise not be covered by reason of paragraph 1 of this Rule in the following terms:
- (a) Such cover shall be subject to an excess of the greater of either:
 - (i) The fully insured value of the entered vessel as defined in Rule 12, which for the purposes only of this Rule 14 shall be deemed to be not less than US\$50,000 and not more than US\$100 million; or
 - (ii) The amounts recoverable under any War Risk Protection and Indemnity insurance (other than provided under the Member's terms of entry or under these Rules other than under Rule 3(B) (6)) including but not limited to Hull and Machinery and Crew War Risk insurance and including any Protection and Indemnity inclusive clauses attached thereto, which for the purpose of this Rule 14 shall be deemed both to exist and to have provided the Member with a full recovery.
 - (b) Such cover shall be subject to a limit of US\$500 million each vessel, any one accident or such limit as may be applicable to the claim under the Member's terms of entry with the Association.
 - (c) The limit under sub paragraph (b) of this paragraph 2 shall not in any case exceed US\$500 million in respect of all the Member's entries (whether as an owner or a charterer or otherwise) in the Association or any other party to the Pooling Agreement.

- (d) Where the Association re insures in whole or in part any risk covered under this paragraph 2, the Member shall be entitled to recover from the Association only the net amount recovered under any reinsurance together with that proportion (if any) of the cover retained by the Association.
- (e) Save as provided in paragraph 3 of this Rule 14 but otherwise notwithstanding anything to the contrary in this or any other of the Association's Rules there is no cover for any liability, loss, damage, cost or expense directly or indirectly caused by or contributed to by or arising from:
 - (i) any chemical, biological, biochemical or electromagnetic weapon; or
 - (ii) the use or operation, as a means of inflicting harm, of any computer virus.
- (f) The Committee may at any time whatsoever determine that any port, place, countries, zones or areas (whether of land or sea) be excluded from the cover provided under this Rule 14.

Such cover shall cease in respect of such ports, places, countries, zones or areas at midnight on the seventh day following the date of issue by the Association to the Members of Notice of such determination.

Unless the Committee otherwise determines there shall be no cover in respect of any claim howsoever arising out of any event, accident or occurrence within such ports, places, countries, zones or areas after such time and date.

- (g) Whether or not Notice has been given under sub-paragraph (g) of this proviso, cover provided under this Rule 14 shall cease immediately:-
- (h) in respect of any vessel, in connection with the cover provided under this paragraph 2 of Rule 14, in the event of such vessel being requisitioned either for title or use.
 - (i) upon the outbreak of war (whether declared or not) between any of the following countries:

the United Kingdom, The United States of America, France, the Russian Federation, the Peoples Republic of China;

and there is no cover for any liability, loss, damage, cost or expense arising from such outbreak of war.

- (j) Notwithstanding any other term or condition of cover provided under this paragraph 2 the Committee may determine to cancel such cover upon giving 7 days notice to Members such notice becoming effective on the expiry of 7 days from midnight of the day on which it was given; and the Committee may at any time after such notice is given resolve to reinstate such cover on such terms and conditions and with such limits as it may determine.
- (3) A Member shall be covered for liability to seamen and for sue and labour costs upon the following terms:

For the purposes of this Rule 19A "shortfall" includes but is not limited to any failure or delay in recovery by the Association by reason of such parties or reinsurers making payment into a designated account in compliance with the requirements of any state or international organisation or other competent authority.

- (iii) The Member must comply with all the Rules, recommendations, requirements and restrictions of that Classification Society relating to the insured vessel within the time or times specified by the Society, and
- (iv) The Member must immediately inform the Managers if, at any time during the period of entry, the Classification Society with which that vessel is classed

is changed, together with all outstanding recommendations, requirements or restrictions specified by any Classification Society relating to that vessel as at the date of such change, and

- (vi) The Member authorises the Managers to inspect any documents and obtain any information relating to the maintenance of Class of the insured vessel in the possession of any Classification Society with which that vessel is or at any time has been classed, and will where necessary authorise such Classification Society or Societies to disclose and make available such documents and information to the Managers upon request by the Managers and for whatever purposes the Managers may consider necessary.

B Surveys

- (1) The Managers may as a condition of acceptance or continuation or renewal of entry in the Association require a prospective Member or as the case may be a Member to submit any vessel to be entered by him or as the case may be any insured vessel already entered by him in the Association to be surveyed by a surveyor nominated by the Managers at the Member's or the prospective Member's expense on a date and at a place satisfactory to the Managers. Unless and until such survey has taken place or until any repairs or other action recommended by the surveyor have been carried out to the satisfaction of the Managers, the entry will not be accepted or continued or renewed save on such terms as the Managers may, in their discretion, agree. Furthermore, the Managers shall be empowered, as a condition of the acceptance, continuation or renewal of the entry of any insured vessel, to amend the terms of entry in the light of such survey.
- (2) Without prejudice to the provisions of Rule 20A and 20C no claim for recovery from the Association arising from any incident whatsoever arising between the time of the Managers' requirement for survey and the time such survey, repairs or recommended actions have been carried out shall be allowed save as determined by the Committee or the Managers if the vessel shall not have been submitted for survey or repaired as aforesaid.
- (3) Without prejudice to the provisions in paragraph (1) and (2) of this Rule 20(B) in the light of such survey or any other survey or inspection of the insured vessel and any recommendations by any surveyor or the Managers as to repairs or other action to be taken by the Member, the Managers shall have the power, in their discretion, to:
 - (a) terminate the Member's entry forthwith whereupon the Member shall cease to be insured and shall be allowed a return of premium pro rata for the period in respect of which the insurance has ceased.

- (b) amend or vary the terms of entry in such manner as they think fit.
- (c) impose conditions in the terms of entry in such form as they think fit including, without limitation, the exclusion of all or part of the risks specified in Rule 2 unless and until the Member has complied with the recommendations of the survey as to repairs or the action to be taken by the Member within such time as may be specified by the Managers to the satisfaction of the Managers and their surveyor.
- (4) The Member shall promptly notify the Managers of any incident or condition including, without limiting the generality of the foregoing, any casualty or intervention or direction of State or Port regulatory or supervisory authority which might give rise to repairs or other action to be taken by the Member or give rise to a request by the Managers for a condition survey or further condition surveys.

The Member shall provide the Managers with any information or documents requested at any time by the Managers relating to the condition, maintenance and operation of the insured vessel or her whereabouts.

C Ship Management and Appraisals

Without prejudice to the provisions of Rule 20A and 20B, the Managers may as a condition of acceptance, continuation or renewal of entry in the Association make an assessment of or carry out or require a prospective Member or, as the case may be, a Member to undergo a safety or other appraisal by the Managers (or such other person as the Managers may designate) of the management systems and/or operational practices employed by the prospective Member or Member ashore or on board any vessel to be entered by him or, as the case may be, any insured vessel. The appraisal shall be conducted at the expense of the prospective Member or the Member in such manner and at such places and times as the Managers may determine.

- (b) Amend or vary the terms of entry in such manner as they think fit.
- (c) Impose conditions of any kind in the terms of entry in such form as they think fit, including, without limitation, the exclusion of all or any of the risks specified in Rule 2 unless and until the Member or prospective Member has complied to the satisfaction of the Managers with any or all recommendations made by the Managers and within such time as may be required by them.

D Confidentiality of and Liability for Surveys and Appraisals

Unless the Managers agree in writing, neither the Member or prospective Member or their servants or agents shall disclose to any party other than the Association or the Managers any information relating to a safety appraisal or a survey carried out under this Rule. Neither the Association or the Managers shall be under any liability whatsoever for any loss, liability, cost or expense which a Member or Co-Assured may incur in respect of advice or assistance provided

by the Association or the Managers in connection with classification of the insured vessel, or in respect of any statutory requirements, surveys, certification or appraisals.

E Classification, Survey and Appraisal of Chartered Vessels

The Committee may determine that a Member who is a charterer (other than a demise charterer) shall be relieved from any of the conditions set out in this Rule where such charterer Member satisfies the Committee that he had no knowledge of or control over circumstances causing the breach of such condition.

F Statutory Requirements

Unless otherwise agreed in writing by the Managers, it is a condition of cover that every Member insured in respect of an insured vessel shall at all times comply with all statutory requirements of the state of the vessel's flag relating to the construction, adaptation, condition, fitment, equipment and manning of the vessel.

 - (d) Section 13 of the Act shall be excluded. As a result the Association shall be entitled to exercise its right to terminate the contract of insurance in respect of the Member and all insureds in the event that a fraudulent claim is submitted by or on behalf of the Member and/or any insured and/or any affiliated or associated company of the Member.

- (e) The Association shall not be liable for any loss, damage, liabilities, costs, or expenses caused by the wilful misconduct of the Member or his manager.

- (b) the Association shall be entitled to a commission from the Member of 1% per annum on the amount of the bail or security provided, or such other sum as may be considered appropriate by the Managers;
- (c) the Member shall upon the Association agreeing to provide the bail or security, give to the Association on request an undertaking in the form set out in the Second Schedule (form B3). Whether or not the Member has given such undertaking, if the Association does provide bail or security, with or without the Member's authority, then the provision of such bail or security shall be upon the terms as between the Association and the Member that the terms and conditions contained in that form of undertaking shall be binding on the Member as if such undertaking had been duly given by him to the Association;
- (d) the Member shall on such date or dates as the Association determines pay the Association the amount of any deductible which the Association determines may apply to any liability, loss, cost or expense in respect of which the bail or other security has been provided and in respect of which the Member may be insured;
- (e) any payment by the Association under any such guarantee, undertaking or certificate shall, to the extent of any amount recoverable under any policy of insurance or extension to the cover provided by the Association, be by way of loan;
- (f) there shall be assigned to the Association to the extent and on the terms that it determines in its discretion to be practicable all the rights of the Member under any other insurance and against any third party;
- (g) the Association shall in no circumstances provide cash deposits.

29 Abandonment of Vessel to Association on Total Loss

Upon an insured vessel becoming an actual total loss, or if the vessel is agreed by Hull Underwriters as constituting a constructive or compromised total loss (whether or not subject to production to Hull Underwriters of further evidence concerning the casualty), or becomes a commercial total loss the Managers shall, subject to the Hull Underwriters' rights in the matter, be entitled to request the Member concerned to abandon the vessel to the Association, or to such other person, body, corporation, authority etc. (including the world at large), as the Managers shall nominate. Unless the Member concerned, upon receipt of such request from the Managers, so abandons the vessel, the liability of the Association arising from such loss shall be limited to the amount he would have recovered if he had abandoned the vessel as requested by the Managers.

PART IV - Entry For and Cesser of Insurance

30 Eligibility for Insurance or Reinsurance

- (1) The Managers on behalf of the Association may enter into a contract of insurance in respect of any vessel with any of the following persons: the registered owner, owners in partnership, owners holding separate shares in severalty, part owner, mortgagee, trustee, charterer, operator, manager or builder of that vessel, any other person whatsoever interested in or in possession of the vessel, or any other person who in the opinion of the Managers should be regarded and treated as any of the persons above mentioned.

For the purposes of this paragraph, a vessel shall include an unidentified vessel which the person entering into a contract of insurance with the Association has agreed to employ or operate under a charter or similar contract, provided that such vessel shall be entered as a named vessel as soon as it is identified.

- (2) Subject to the Constitution and save insofar as expressly prohibited by these Rules, the Managers may enter into contracts of reinsurance on behalf of the Association whereby the Association agrees to reinsure the risks arising in connection with any one or more vessels insured by another association or insurer or else agrees to reinsure the whole or any part or proportion of the insurance business of any other association or insurer. The consideration payable to the Association and the terms and conditions on which the reinsurance is accepted by the Association shall be such as are agreed between the Managers on behalf of the Association and such other association or insurer. Save where otherwise agreed in writing the other association or insurer shall be in every respect subject to and bound by the provisions of these Rules and his contract with the Association shall for all purposes take effect as though he were the owner of any vessel or vessels in connection with which the relevant risks may arise and had as owner entered the vessel or vessels in the Association for insurance.
- (3) The Association may continue to be a party to The Pooling Agreement and to any addendum, variation or replacement which may be made to such agreement, or to any other agreement of a similar nature or purpose and in particular may be or become a shareholder in Hydra and a party to any agreement with or associated with Hydra and the Association's shareholding in it.
- (4) The Association or the Managers on its behalf may effect the reinsurance or ceding of any risks insured by the Association (including any risk which may fall on the Association by reason of a reinsurance or pooling agreement referred to in paragraphs (2) and (3) of this Rule) with such reinsurers and on such terms as the Managers shall consider appropriate.
- (5) Subject to the Constitution and save insofar as expressly prohibited by these Rules the Committee may agree to enter into arrangements on behalf of the Members of this Class whereby this Class agrees to indemnify by way of reinsurance or otherwise any other one or more of the other Classes in respect of all or any part of the risks insured by such Class on such terms as the Committee shall determine.

31 Application for Entry

Any person who desires to enter a vessel for insurance in the Association shall make application for such entry in such form as may from time to time be required by the Managers.

The Managers shall be entitled in their absolute discretion to refuse any application for the entry of a vessel for insurance in the Association, whether or not the applicant is a Member of the Association.

The Managers may accept an application for entry on condition that the insured vessel is insured as part of a fleet. For the purposes of this Rule 31, a fleet shall be one or more insured vessels which the Managers determine shall be a fleet. All Members and Joint Members insured in respect of one or more vessels in a fleet shall be jointly and severally liable to perform all the obligations of any one of them towards the Association in respect of such vessel or vessels, including without limitation, the liability to pay all Calls and other sums due to the Association. Any failure by a Member or Joint Member insured in respect of a vessel or vessels in a fleet to perform any obligation whatsoever towards the Association in respect of such vessel or vessels shall be deemed to be a failure of all Members and Joint Members insured in respect of such vessel or vessels. In the case of a failure to pay Calls or any other sums whatsoever due from such Member or Joint Members to the Association, the Association shall be entitled to give notice to all or any of such Members or Joint Members under Rule 39.

An entry shall be an Owner's Entry or a Charterer's Entry or such other entry as the managers shall determine.

32 Entered Tonnage; Monetary Rate; Basic Rate of Contribution

Before an application is accepted for the entry of a vessel the applicant and the Managers shall agree the entered tonnage and monetary rate for the vessel concerned. In deciding upon the monetary rate of any vessel the Managers may take into account all matters which they may consider relevant including (without prejudice to the generality of the foregoing) the degree of risk estimated to be involved in the proposed insurance.

The Basic Rate of Contribution of the vessel for the purpose of calculating the mutual element(s) of Calls shall be the entered tonnage multiplied by the monetary rate.

33 Certificate of Entry and Notification of Variations

- (1) As soon as reasonably practical after accepting an application for the entry of a vessel for insurance in the Association the Managers on behalf of the Association shall issue to the applicant a Certificate of Entry in such form as may from time to time be prescribed by the Managers but so that such Certificate of Entry shall state the date of the commencement of the period of insurance and the terms and conditions on which the vessel has been accepted for insurance.
- (2) If at any time or from time to time the Managers on behalf of the Association and a Member shall agree to vary the terms relating to an insured vessel, the Managers shall, as soon as reasonably practical thereafter, notify the Member in

writing of the terms of such variation and the date from which such variation is to be effective.

- (3) Every Certificate of Entry and every notification as aforesaid shall be conclusive evidence and binding for all purposes as to the commencement of the period of insurance, as to the terms and conditions on which the vessel has been entered for insurance, and as to the terms of any variation and the date from which such variation is to be effective; provided that in the event that any Certificate of Entry or any such notification shall have been defaced or lost or in the opinion of the Managers contains any error or omission the Managers may on behalf of the Association issue a new Certificate of Entry or a new notification which shall be conclusive evidence and binding as aforesaid.

34 Period of Cover

The cover afforded by the Association shall begin at the time stated in the Certificate of Entry for the commencement of the cover and continue until the end of the then current Policy Year at noon on 20 February next unless otherwise agreed at the time of entry. Thereafter, subject to a cesser of insurance or to the exercise by the Club of any right to terminate an entry as provided elsewhere in these Rules, the cover shall continue from Policy Year to Policy Year unless:

- (1) notice shall have been given in writing by either the Member to the Managers or the Managers to the Member not later than noon on 20 January in any year, that the insurance specified in the notice is to cease, in either of which events the insurance shall cease at the end of the then current Policy Year; or
- (2) the Managers shall have informed the Member orally or in writing at any time before the start of a Policy Year at noon on any 20 February that the terms of the insurance offered to it by the Club for that Policy Year are to be changed for the next Policy Year, including but not limited to premium or deductibles and whether such terms are generally or specifically applicable, in which event, unless terms are agreed between the Member and the Managers by the start of that Policy Year at noon on 20 February immediately following such notice, the insurance shall thereupon cease; or
- (3) the Managers by 30 days notice in writing to a Member at any time terminate the entry in respect of any vessel.

An entered ship shall not be withdrawn from the Club at any other time or in any other manner except with the consent of the Managers.

If before the end of any Policy Year these Rules shall have been altered in any respect which affects the terms and conditions of the contract of insurance between a Member and the Association, then such alteration shall be binding upon the Member and for all purposes take effect as from the commencement of the next Policy Year.

35 Inception of Membership

If the Managers on behalf of the Association accept an application for the entry of a vessel for insurance in the Association from a person who is not already a Member of the Association, then unless he is to be a Co-Assured that person

may, if agreed with the Association or the Managers on its behalf, as from the commencement of the period of insurance of that vessel, be and become a Member or Joint Member of the Association and his name shall be entered in the Register of Members of the Association.

Without prejudice to the provisions of Rule 31 the Managers may accept an application from a Member for another person or persons to become Joint Members or Co-Assured insured in respect of an insured vessel and to provide cover for such persons upon the terms set out in Paragraphs A to E of Rule 36.

The Member who makes such application shall be deemed to have full power and authority to act in the name of and on behalf of the Joint Member and the Co-Assured both in relation to that application and in relation to any other application or request arising under or in connection with the terms and conditions on which the vessel is entered for insurance and neither the Association nor the Managers shall be liable in any manner whatsoever to any Member, Joint Member or Co-Assured in the event that the Member did not, in fact, have such power and authority.

A Joint Member shall become a Member of the Association, shall be named in the Certificate of Entry and his name shall be entered in the Register of Members of the Association. He shall, unless otherwise agreed in writing with the Managers, be jointly and severally liable to the Association with all other Members insured in respect of such entry and in particular shall be jointly and severally liable with such other Members to pay all amounts due to the Association in respect of such entry.

36 Joint Members, Co-Assured and Affiliates

A Joint Members

- (1) Any Member who has made an application as described in Rules 31 and 35 warrants that he is, in relation to the insured vessel, either the owner, owner in partnership, owner holding separate shares in severalty, part owner, trustee, charterer (whether bareboat, demise or otherwise) of the entered ship, a manager or operator having control of the operation and employment of the insured vessel (being such control as is customarily exercised by a shipowner), or any other person in possession and control of the insured vessel.
- (2) In relation to any such application from a Member for any person or persons to become a Joint Member the Member and each Joint Member warrants that the Joint Member is, in relation to the insured vessel, either:
 - (i) interested in the operation, management or manning of an insured ship; or
 - (ii) the holding company or the beneficial owner of the person identified in the Certificate of Entry as the Member or of any person interested in the operation, management or manning of the insured vessel; or
 - (iii) a mortgagee of the insured vessel; or
 - (iv) the charterer of the insured vessel.

- (3) The cover afforded to a Joint Member shall extend only to risks, liabilities and expenses arising out of operations and/or activities customarily carried on by or at the risk and responsibility of shipowners (or, in the case of a Charterer's Entry, charterers) and which are within the scope of the cover afforded by the Rules and any special terms set out in the Certificate of Entry.

B Co-Assured - Charterer

A Co-Assured insured under this Paragraph B shall not be a Member of the Association but shall be named in any Certificate of Entry and shall be a charterer of the insured Vessel, being a charterer which is affiliated to or associated with the Member. Such Co-Assured charterer shall only be covered for the risks, liabilities and expenses in respect of which the affiliated or associated Member has cover.

C Co-Assured - Other than a contractor or charterer

A Co-Assured insured under the terms of this Paragraph C shall not be a Member of the Association but shall be named in any Certificate of Entry and shall not be a contractor or sub-contractor of the Member for the provision of services by or to the insured vessel or a charterer of all or any part of the insured vessel.

Notwithstanding the fact that such Co-Assured is named in the Certificate of Entry, the cover of the Association will only extend insofar as the Co-Assured may be found liable to pay in the first instance for loss or damage which is properly the responsibility of the Member or any Joint Member in respect of the entry and there is no cover in respect of any amount which would not have been recoverable from the Association by the Member or Joint Member had the claim in respect of such loss or damage been made or enforced against them. Once the Association has made indemnification under such cover it shall not be under any further liability and shall not make any further payment to any person or company whatsoever, including any Member or Joint Member insured, in respect of that loss or damage.

D Co-Assured - Contractor

A Co-Assured insured under this Paragraph D shall not be a Member of the Association but shall be named in any Certificate of Entry and shall be a contractor or sub-contractor of a Member for the provision of services by or to the insured vessel, provided that:

- (a) the contract has been approved by the Association with which the insured vessel is entered; and
- (b) the contract provides that each party should be similarly responsible for any loss or damage to its own (or its sub-contractors') property and loss of life or personal injury to its own (or its sub-contractors') personnel.
- (c) the Co-Assured shall only be covered for liabilities, costs and expenses which are to be borne by the Member under the terms of the contract and would, if borne by the Member, be recoverable by the Member from the Association.

E Co-Assured - Affiliates and Associates

Unless otherwise agreed by the Managers the Association provides cover to any person associated or affiliated to a Member provided that the cover afforded to such person is restricted whereby should a claim in respect of which a Member named in the Certificate of Entry is insured by the Association be made or enforced through a person or company affiliated or associated with such Member, the Association shall if so requested by the Member indemnify such person or company against any loss which as a consequence thereof such person or company shall have incurred in that capacity provided always that there is no cover for any amount which would not have been recoverable from the Association by the Member had such claim been made or enforced against him. Once the Association has made such indemnification it shall not be under any further liability and shall not make any further payment to any person or company whatsoever, including the Member, in respect of the loss or damage in respect of which the claim was brought.

The following provisos shall apply to this Rule 36

- (i) The receipt by the Member or any Joint Member or Co-Assured of any sums paid by the Association in respect of such an entry shall be sufficient discharge by the Association for the same;
- (ii) Any provision of these Rules by which a Member or Joint Member or Co-Assured ceases to be insured or ceases to be entitled to recover from the Association in respect of any liability, loss or damage to which he might be entitled under these Rules shall be deemed to apply to all Members and all Joint Members and all Co-Assureds. Failure by the Members or any one of the Joint Members or Co-Assureds to comply with any of the obligations under these Rules is deemed to be the failure of the Members and all the Joint Members and all the Co-Assureds. Conduct of a Member or any one Joint Member or Co-Assured which would have entitled the Association to decline to indemnify it shall be deemed to be the conduct of all Members and all Joint Members and Co-Assureds;
- (iii) The contents of any communication between the Member or any Joint Member or Co-Assureds and the Association or the Managers, their servants or agents, shall be deemed to be within the knowledge of the Member and all Joint Members or Co-Assureds;
- (iv) The cover provided in respect of Members, Joint Members and Co-Assureds insured under the same entry shall not extend to any disputes of whatsoever nature or howsoever arising either among such Joint Members and Co-Assureds or with the Member;
- (v) The Managers shall not be bound to issue on behalf of the Association more than one Certificate of Entry in respect of each insured vessel or more than one Endorsement Slip and delivery of such Certificate of Entry or Endorsement Slip, as the case may be, to one of several jointly insured Members shall be sufficient delivery to each and all of such Members and any Co-Assured.
- (vi) Failure by any Member or Joint Member or any Co-Assured who is named in the same Certificate of Entry to disclose material information within his knowledge shall be deemed to have been the failure of all the Members, Joint Members and all Co-Assureds;

- (vii) No Member or Joint Member or Co-Assured shall recover any amounts from the Association save for those liabilities arising out of operations and/or activities customarily carried on by or at the risk of or responsibility of shipowners and which are within the scope of the Member's operations as a Member;
- (viii) Unless otherwise agreed in writing with the Managers and recorded in the Certificate of Entry, where a charterer or other party is named as a Member, Joint Member or Co-Assured and a waiver of subrogation is required under a contract, rights of subrogation against such Joint Member or Co-Assured shall be waived only where the Managers have agreed such a waiver in writing. Any such waiver will apply only to those liabilities, costs and expenses which are borne by the Member or other Joint Member under the terms of the relevant contract and shall not apply to any liabilities, costs and expenses which are to be borne by the charterer or party under the terms of that contract.
- (ix) Without prejudice to the provisions of the Third Schedule any limitation of the Association's liability to a Member, whether in these Rules or in an agreed special term, shall be construed as a limitation on the aggregate amount payable to all Members and Co-Assureds insured in respect of one entry. In such cases the claim of the registered owner of the insured vessel shall be preferred to the claims of the other Members and any Co-Assureds, which shall rank in equal shares among themselves as to any balance provided that in such cases the Committee may take into account the possibility of further claims against the Association being made by the Members and Co-Assureds or any other party and may withhold such sums from distribution as it thinks fit in order to meet those claims.

37 Assignment

- (1) No insurance given by the Association and no interest under these Rules or under any contract between the Association and any Member may be assigned without the written consent of the Managers who shall have the right in their discretion to give or refuse such consent without stating any reason or to give such consent upon any such terms or conditions as they may think fit. Any purported assignment made without such consent or without there being due compliance with any such terms and conditions as the Managers may impose shall, unless the Managers in their absolute discretion otherwise determine, be void and of no effect.
- (2) Whether or not the Managers shall expressly so stipulate as a condition for giving their consent to any assignment, the Association shall be entitled in settling any claim presented by the assignee to deduct or retain such amount as the Managers may then estimate to be sufficient to discharge any liabilities of the assignor to the Association, whether existing at the time of the assignment or having accrued or being likely to accrue thereafter.
- (3) Where the Managers consent to an assignment, they shall, after any conditions which they have imposed have been complied with, and upon receipt of due notice of assignment, issue on behalf of the Association an Endorsement Slip giving particulars of the assignment, including the time from which it is to take effect; and that Endorsement Slip shall be conclusive evidence of those particulars.

38 Cesser of Insurance on Certain Specified Events

(1) A Member shall cease to be insured by the Association and the period of insurance shall terminate in respect of any and all vessels entered by him upon the happening of any of the following events:

- (a) If the Member is an individual:
 - (i) upon his death, or
 - (ii) if a receiving order shall be made against him, or
 - (iii) if he shall become bankrupt or make any composition or arrangement with his creditors, or
 - (iv) if he shall become incapable by reason of mental disorder or criminal conviction of managing and administering his property and affairs, or
 - (v) if under any system of law other than English law, there occurs an event in relation to that individual which has a similar effect to any of the above.
- (b) If the Member is a corporation:
 - (i) upon the passing of any resolution for voluntary winding up, or
 - (ii) upon an order being made for compulsory winding up, or
 - (iii) upon dissolution, or
 - (iv) upon the appointment of an administrator, receiver, trustee, custodian, liquidator or other similar official for its or for substantially all of its assets, or
 - (v) upon crystallisation of, and/or possession being taken of any of its assets comprised in or subject to a floating charge, by or on behalf of the holder of such charge, or
 - (vi) if under any system of law other than English law, there occurs an event in relation to that corporation which has a similar effect to any of the above.

Termination shall be deemed to take place when the event occurred or, where relevant, upon the making of the first court order, but if there is no such method of determination the effective date and time shall be such date and time as when the Managers notify the Member that they have reasonable grounds for believing that any of the above situations or conditions have occurred.

The provisions of this Rule 38(1) shall also apply to any Co-Assured as if he had been a Member.

(2) A Member shall cease to be insured by the Association and the period of insurance shall terminate in respect of any vessel entered by him upon the happening of any of the following events affecting such vessel:-

- (i) if he shall part with or assign the whole or any part of his interest in the insured vessel whether by Bill of Sale or other formal document or otherwise or shall cease to have an interest in the insured vessel or shall part with or transfer the entire control or possession of the insured vessel, whether by demise charter or otherwise;
- (ii) if the insured vessel shall be mortgaged or otherwise hypo the cated without an undertaking or guarantee having been given to the Association, in a form and by such person as may be approved by the Managers in writing, to pay all Calls and other sums due or to become due in respect of the insured vessel;

- (iii) if any person having given an undertaking or guarantee under the preceding paragraph (2)(ii) fails to discharge his liability thereunder upon demand by the Managers;
- (iv) if the management of the insured vessel is transferred or the flag of the insured vessel is changed. Where a vessel is entered for insurance through an agent (not being an insurance broker) such agent shall for the purpose of this paragraph (2) (iv) of this Rule be deemed to be the manager of the insured vessel unless at the time of the vessel's entry for insurance the Managers were furnished in writing with the name of the management of the vessel to be insured;
- (v) if the insured vessel shall become an actual total loss or shall be agreed by Hull Underwriters as constituting a constructive total loss or a compromised total loss (whether or not subject to production to Hull Underwriters of further evidence concerning the casualty), or shall become a commercial total loss, except as regards liabilities, costs and expenses arising out of the casualty which gave rise to the loss of the vessel;
- (vi) if the insured vessel shall be missing for ten days from the date she was last heard of or from her being posted at Lloyd's as missing, whichever shall be the earlier;
- (vii) if the insured vessel ceases to be classed or its classification is suspended or the Member fails to fulfil any of the conditions of Rule 20(A) to 20(F) inclusive.

PROVIDED THAT:-

Where a Member ceases to be insured by reason of any of the events set out in this Rule 38 paragraph (2)(i)-(2)(iii) and (2)(v)-(2)(vii), the Managers may on behalf of the Association agree in writing to extend the period of insurance on such terms as they think fit.

Where a Member ceases to be insured by any of the events set out in Rule 38 (2) (iv), the Managers may determine that the Member shall remain insured on the same terms and conditions that applied at the time of the event until the end of the same policy year.

39 Termination of Insurance for Non-Payment

- (1) If a Member (whether as a Member of this or any other Class) has failed to pay on the due date for payment any sum due to the Association or to any other person on its behalf, he shall be deemed to have failed to pay any further sums (including but not limited to instalments determined under Rule 47(1)) whose date for payment to the Association or to any other person has been notified by the Association, and all such sums and further sums shall be deemed to be immediately due and payable by the Member to the Association. The Association may at any time thereafter at its sole discretion:
 - (i) declare any or all of such sums and further sums to be immediately due and payable; and/or
 - (ii) serve a notice on the Member (the "Final Demand Notice") requiring him to pay the whole or part of any or all such sums and further sums (the "Demanded Sums") on or before the date specified in the Final Demand Notice (the "Deadline") which shall refer to one or more of the consequences of non-payment set out in paragraph (2) of this Rule.

- (2) If the Member fails to pay the Demanded Sums in full on or before the Deadline:-
- (i) that Member shall immediately cease to be insured by the Association and the period of insurance shall immediately terminate in respect of any and all vessels entered by him and
 - (ii) the Association shall immediately cease to be liable and shall not thereafter become liable to that Member for any loss, damage, liabilities, costs or expenses whatsoever in respect of any or all vessels at any time entered by him, irrespective of whether insurance of such vessels terminated by reason of this or any other Rule or at any previous time for any other reason, or whether the events giving rise to such loss, damage, costs, expenses or liabilities occurred before or after termination and whether any claim by the Member against the Association was made before or after the Deadline.

PROVIDED THAT:-

- (a) such Final Demand Notice shall not be invalidated by reason that the sums specified therein as being due to the Association are greater or lesser than the sum actually due;
- (b) in determining what sums are due to the Association under this or any other Rule or otherwise no account shall be taken of any amount due or alleged to be due by the Association to the Member and no set-off of any kind whatsoever shall be allowed against such sums (even if previously allowed) unless specifically agreed in writing by the Managers on behalf of the Association and referred to in such Final Demand Notice;
- (c) at the written request of the Member the Committee may determine to reinstate the Member and to extend the period of insurance in respect of any and all vessels entered by him on such terms as the Committee thinks fit and the Committee may further determine that the Association shall be liable to the Member for any liabilities, costs or expenses in respect of any and all vessels at any time entered by or for the Member to such extent and upon such terms as the Committee thinks fit.

40 No Waiver

Without prejudice to the generality of Rule 53, no act, omission, course of dealing, forbearance, delay or indulgence of any kind by or on behalf of the Association nor the granting of time, nor the acceptance by the Association (whether express or implied) of liability for, or the recognition of, any claim, and whether occurring before or after any of the events or termination or notice provisions contained in Rules 38 and 39 shall derogate from the effect of such Rules or be treated as any waiver of any of the Association's rights thereunder.

41 Liability of Association on Cesser of Insurance

When a Member ceases to be insured otherwise than under Rule 39 (termination for non-payment), such cesser shall not prejudice any claim of the Member against the Association for liabilities, costs and expenses arising out of events occurring before the date of cessation.

42 End of Membership

For the avoidance of any doubt, the obligations of a Member to the Association shall continue and shall be deemed to be cumulative from initial acceptance as a Member throughout each Policy Year of membership until not only has that Member ceased to be a Member, because for any reason the periods of insurance of all vessels entered by him for insurance in the Association have ended, but also he has discharged all the obligations, whenever arising, in respect of his membership in full.

Part V - Calls and Finance

43 Liability for Calls and Other Sums

Members who have vessels entered for insurance in the Association in respect of any Policy Year shall, unless otherwise agreed in writing in accordance with Rule 3, provide by way of Mutual Calls, Supplementary Calls, Overspill Calls, Releases and contributions to a Solvency Margin and Guarantee Fund all funds which the Committee determines are required:-

- (i) To meet such of the general expenses of the Association as the Committee may from time to time determine shall be charged against the insurance business of this Class in respect of such Policy Year.
- (ii) To meet the claims, reinsurance premiums, expenses and outgoings (whether incurred, accrued or anticipated) of the insurance business of this Class in respect of such Policy Year (including without prejudice to the generality of the foregoing, any proportion of any claims, expenses or outgoings of any insurer other than the Association which has fallen or which may be thought likely to fall upon this Class by virtue of any reinsurance or pooling agreement concluded between the Association and such other insurer).
- (iii) For such transfers to the reserves or other accounts of the Association (as referred to in Rule 49) and for subsequent application for the purposes of such reserves or other accounts or otherwise as the Committee determine.
- (iv) For such transfers as the Committee may determine to meet any deficiency which has occurred or may be thought likely to occur in any closed Policy Year or Years.
- (v) To meet such proportion (if any) as the Committee may determine appropriate of the claims, reinsurance premiums, expenses and outgoings (whether incurred, accrued or anticipated) of the other Classes of the Association.
- (vi) To be set aside in order to establish and/or maintain an adequate Solvency Margin and Guarantee Fund in respect of any Policy Year.

44 Mutual Calls

- (1) In such amounts and on such dates during and after the end of each Policy Year as the Committee shall determine, and subject to Rule 46 (reduction of Calls for vessels insured for part of a year) and to any special terms agreed with the Association, each Member shall pay to the Association a Mutual Call for that Policy Year in respect of each of his vessels insured during that Policy Year, including (without limitation) the Member's Basic Rate of Contribution together with such contribution as the Committee may determine to the premiums payable by the Association for that Policy Year under the General Excess Loss Reinsurance Contracts and other reinsurance effected collectively by the parties to the Pooling Agreement.
- (2) If at any time before any Policy Year is closed it shall appear to the Committee that the whole of the product of the Mutual Call is not required, the Committee may resolve to declare a Mutual Call Return, expressed as a percentage of the Mutual Call, payable to the Members in such amounts and on such dates as the

Committee shall determine. If the full Mutual Call has not already been paid the Mutual Call Return may be offset by a Member against his obligation to pay the balance.

45 Supplementary Calls

- (1) At any time or times during or after the end of a Policy Year but not after such Policy Year has been closed, the Association may levy one or more Supplementary Calls for that Policy Year in respect of each vessel insured during that Policy Year. Such Call shall comprise a percentage determined by the Committee to be applied to the mutual element of the Mutual Calls for that Policy Year.
- (2) The Committee or the Managers may at any time take any necessary steps to enable such persons to become aware of their financial commitments for the relevant Policy Year by indicating an estimate of the percentage of any Supplementary Call or Calls to be levied. If any such estimate shall be given to any such person it shall be without prejudice to the right of the Association to levy the Supplementary Calls for the relevant Policy Year in accordance with these Rules at a greater or lesser percentage than so indicated and neither the Association, the Committee nor the Managers shall under any circumstances be under any liability whatsoever or howsoever arising as a result of any estimate so given or in respect of any error, omission or inaccuracy contained therein.

45A Overspill Claims and Calls

- 1(1) All claims incurred by the Association or by any other party to the Pooling Agreement under the entry of any one vessel arising from any one incident or occurrence including any claim in respect of liability for the removal or non-removal of any wreck shall be treated for the purposes of this Rule as if they were one claim.
- 1(2) Any reference to a claim incurred by the Association or by any other party to the Pooling Agreement shall be deemed to include the costs and expenses associated therewith.
- 2(1) Without prejudice to any other applicable limit, any Overspill Claim incurred by the Association shall not be recoverable from the Association in excess of the aggregate of:
 - (a) that part of the Overspill Claim which is eligible for pooling under the Pooling Agreement but which, under the terms of the Pooling Agreement, is to be borne by the Association; and
 - (b) the maximum amount that the Association is able to recover from the other parties to the Pooling Agreement as their contributions to the Overspill Claim.
- 2(2) The aggregate amount referred to in paragraph 2(1) of this Rule shall be reduced to the extent that the Association can evidence
 - (a) that costs have been properly incurred by it in collecting or seeking to collect
 - (i) Overspill Calls levied to provide funds to pay that part of the Overspill Claim referred to in paragraph 2(1)(a), or
 - (ii) the amount referred to in paragraph 2(1)(b), or

- (b) that it is unable to collect an amount equal to that part of the Overspill Claim referred to in paragraph 2(1)(a) that it had intended to pay out of the levy of Overspill Calls because any Overspill Calls so levied, or parts thereof, are not economically recoverable, provided that if, due to a change in circumstances, such amounts subsequently become economically recoverable, the aggregate amount referred to in paragraph 2(1) shall be reinstated to that extent.
- 2(3) In evidencing the matters referred to in paragraph 2(2)(b) the Association shall be required to show that
 - (a) it has levied Overspill Calls in respect of the Overspill Claim referred to in paragraph 2(1) on Members in accordance with and in the maximum amounts permitted under paragraph 5; and
 - (b) it has levied those Overspill Calls in a timely manner, has not released or otherwise waived a Member's obligation to pay those Calls and has taken all reasonable steps to recover those Calls.
- 3(1) The funds required to meet any Overspill Claim incurred by the Association shall be provided
 - (a) from such sums as the Association is able to recover from the other parties to the Pooling Agreement as their contributions to the Overspill Claim, and
 - (b) from such sums as the Association is able to recover from any special insurance which may, in the discretion of the Association, have been effected to protect the Association against the risk of payments of Overspill Claims, and
 - (c) from such proportion as the Association in its discretion determines of any sums standing to the credit of such reserves as the Association may in its discretion have established, and
 - (d) by levying one or more Overspill Calls in accordance with paragraph 5, irrespective of whether the Association has sought to recover or has recovered all or any of the sums referred to in paragraph 3(1)(b) but provided the Association shall first have made a determination in accordance with paragraph 3(1)(c), and
 - (e) from any interest accruing to the Association on any funds provided as aforesaid.
- 3(2) The funds required to pay such proportion of any Overspill Claim incurred by any other party to the Pooling Agreement which the Association is liable to contribute under the terms of the Pooling Agreement shall be provided in the manner specified in paragraph 3(1)(b) - (e).
- 3(3) To the extent that the Association intends to provide funds required to pay any Overspill Claim incurred by it in the manner specified in paragraph 3(1)(d), the Association shall only be required to pay such Overspill Claim as and when such funds are received by it, provided that it can show from time to time that in seeking to collect such funds, it has taken the steps referred to in paragraph 2(3) (a) and (b).
- 4(1) Any of the issues referred to in paragraph 4(2) on which the Association and a Member cannot agree shall be referred to a panel (the "Panel") constituted in accordance with arrangements established in the Pooling Agreement, which acting as a body of experts and not as an arbitration tribunal, shall determine the issue.

- 4(2) This paragraph 4 shall apply to any issue of whether, for the purpose of applying any of paragraphs 2(2), 2(3) or 3(3) in relation to any Overspill Claim (the "relevant Overspill Claim")
- (a) costs have been properly incurred in collecting or seeking to collect Overspill Calls; or
 - (b) any Overspill Call or part thereof is economically recoverable; or
 - (c) in seeking to collect the funds referred to in paragraph 3(3), the Association has taken the steps referred to in that sub-paragraph.
- 4(3) If the Panel has not been constituted at a time when a Member wishes to refer an issue to it, the Association shall, on request by the Member, give a direction for the constitution of the Panel as required under the Pooling Agreement.
- 4(4) The Association may (and, on the direction of the Member, shall) give such direction as is required under the Pooling Agreement for the formal instruction of the Panel to investigate any issue and to give its determination as soon as reasonably practicable.
- 4(5) The Panel shall in its discretion decide what information, documents, evidence and submissions it requires in order to determine an issue and how to obtain these, and the Association and the Member shall co-operate fully with the Panel.
- 4(6) In determining any issue referred to it under this paragraph, the Panel shall endeavour to follow the same procedures as it follows in determining issues arising in respect of the relevant Overspill Claim which are referred to it under the Pooling Agreement.
- 4(7) In determining an issue the members of the Panel
- (a) shall rely on their own knowledge and expertise, and
 - (b) may rely on any information, documents, evidence or submission provided to it by the Association or the Member as the Panel sees fit.
- 4(8) If the three members of the Panel cannot agree on any matter, the view of the majority shall prevail.
- 4(9) The Panel shall not be required to give reasons for any determination.
- 4(10) The Panel's determination shall be final and binding upon the Association and the Member (subject only to paragraph 4(11)) and there shall be no right of appeal from such determination.
- 4(11) If the Panel makes a determination on an issue referred to in paragraph 4(2) (b) or (c) the Association or the Member may refer the issue back to the Panel, notwithstanding paragraph 4(10), if it or he considers that the position has materially changed since the Panel made its determination.
- 4(12) The costs of the Panel shall be paid by the Association.
- 4(13) Costs, indemnities and other sums payable to the Panel by the Association in relation to any Overspill Claim, whether the reference to the Panel has been made under this paragraph 4 or under the Pooling Agreement, shall be deemed to be costs properly incurred by the Association in respect of that Overspill Claim for the purposes specified in paragraph 2(2)(a).

- 5(1) If
- (a) the Association shall at any time determine that funds are or may in future be required to pay part of an Overspill Claim (whether incurred by the Association or by any other party to the Pooling Agreement); and
 - (b) the Association shall have made a declaration under paragraphs 6(1) or 6(3) that a Policy Year shall remain open for the purpose of levying an Overspill Call or Calls in respect of that Overspill Claim, the Association in its discretion, at any time or times after such declaration has been made, may levy one or more Overspill Calls in respect of that Overspill Claim in accordance with paragraph 5(2).
- 5(2) The Association shall levy any such Overspill Call
- (a) on all Members entered in the Association on the Overspill Claim Date in respect of vessels entered by them at that time, notwithstanding the fact that, if the Overspill Claim Date shall be in a Policy Year in respect of which the Association has made a declaration under paragraph 6(3), any such vessel may not have been entered in the Association at the time the relevant incident or occurrence occurred, and
 - (b) at such percentage of the Convention Limit of each such vessel as the Association shall determine.
- 5(3) An Overspill Call shall not be levied in respect of any vessel entered on the Overspill Claim Date by a Member with an overall limit of cover equal to or less than the Group Reinsurance Limit.
- 5(4) The Association shall not levy on any Member in respect of the entry of any one vessel an Overspill Call or Calls in respect of any one Overspill Claim exceeding in the aggregate two and one half percent (2 1/2%) of the Convention Limit of that vessel.
- 5(5) If at any time after the levying of an Overspill Call upon the Members in respect of vessels entered in the Association in any Policy Year, it shall appear to the Association that the whole of such Overspill Call is unlikely to be required to meet the Overspill Claim in respect of which such Overspill Call was levied, the Association may decide to dispose of any excess which in the opinion of the Association is not so required in one or both of the following ways:
- (a) by transferring the excess or any part thereof to the reserves; or
 - (b) by returning the excess or any part thereof to those Members who have paid that Overspill Call in proportion to the payments made by them.
- 6(1) If at any time prior to the expiry of a period of thirty-six months from the commencement of a Policy Year (the "relevant Policy Year"), any of the parties to the Pooling Agreement sends a notice (an "Overspill Notice") in accordance with the Pooling Agreement that an incident has occurred in the relevant Policy Year which has given or at any time may give rise to an Overspill Claim, the Association shall as soon as practicable declare that the relevant Policy Year shall remain open for the purpose of levying an Overspill Call or Calls in respect of that claim and the relevant Policy Year shall not be closed for the purpose of making an Overspill Call or Calls in respect of that claim until such date as the Association shall determine.

- 6(2) If at the expiry of the period of thirty-six months provided for in paragraph 6(1), no Overspill Notice as therein provided for has been sent, the relevant Policy Year shall be closed automatically for the purpose of levying Overspill Calls only, whether or not closed for any other purposes, such closure to have effect from the date falling thirty-six months after the commencement of the relevant Policy Year.
- 6(3) If at any time after a Policy Year has been closed in accordance with the provisions of paragraphs 6(1) or 6(2), it appears to the Association that an incident or occurrence which occurred during such closed Policy Year may then or at any time in the future give rise to an Overspill Claim, the Association shall as soon as practicable declare that the earliest subsequent open Policy Year (not being a Policy Year in respect of which the Association has already made a declaration in accordance with paragraphs 6(1) or 6(3)) shall remain open for the purpose of levying an Overspill Call or Calls in respect of that claim and such open Policy Year shall not be closed for the purpose of making an Overspill Call or Calls in respect of that claim until such date as the Association shall determine.
- 6(4) A Policy Year shall not be closed for the purpose of levying Overspill Calls save in accordance with this paragraph 6.
- 7(1) If
- (a) the Association makes a declaration in accordance with paragraphs 6(1) or 6(3) that a Policy Year shall remain open for the purpose of levying an Overspill Call or Calls, and
- (b) a Member who is liable to pay any such Overspill Call or Calls as may be levied by the Association in accordance with paragraph 5 ceases or has ceased to be insured by the Association for any reason, or the Association determines that the insurance of any such Member may cease, the Association may require such Member to provide to the Association by such date as the Association may determine (the "due date") a guarantee or other security in respect of the Member's estimated future liability for such Overspill Call or Calls, such guarantee or other security to be in such form and amount (the "guarantee amount") and upon such terms as the Association in its discretion may deem to be appropriate in the circumstances.
- 7(2) Unless and until such guarantee or other security as is required by the Association has been provided by the Member, the Member shall not be entitled to recovery from the Association of any claims whatsoever and whensoever arising in respect of any and all vessels entered in the Association for any Policy Year by him or on his behalf.
- 7(3) If such guarantee or other security is not provided by the Member to the Association by the due date, a sum equal to the guarantee amount shall be due and payable by the Member to the Association on the due date, and shall be retained by the Association as a security deposit on such terms as the Association in its discretion may deem to be appropriate in the circumstances.
- 7(4) The provision of a guarantee or other security as required by the Association (including a payment in accordance with paragraph 7(3)) shall in no way restrict or limit the Member's liability to pay such Overspill Call or Calls as may be levied by the Association in accordance with paragraph 5.

45B Releases

- (1) Without prejudice to Rule 45A (Overspill Claims and Calls) and for the purposes of this Rule 45B only, Calls means Calls other than Overspill Calls.

If a Member ceases to be insured in respect of an insured vessel for any reason whatsoever, the Managers may at any time after termination of insurance of that vessel calculate and at the Member's request shall calculate, and notify such Member of:

- (a) the estimated amount of his liability for further Calls which the Association may levy in respect of such vessel, according to the Release formula determined from time to time by the Committee.
 - (b) the amount of all other sums due or reasonably determined by the Managers to become due from such Member to the Association.
- (2) In determining the Release formula to be used for estimating the amount of liability of Members for further Calls the Committee may take into account any contingencies and other special considerations which it may determine are relevant for this purpose and shall in any event take account of the factors as are set out, and otherwise comply with, the International Group Agreement 2013.
- (3) The amounts calculated and notified by the Managers under paragraph (1)(a) of this Rule shall be a Release and shall be payable by such Member on such date or dates as the Managers may require, in either case without deduction.
- (4) The amounts calculated and notified by the Managers under paragraph (1)(b) of this Rule shall be secured by the Member in a form and on terms acceptable to the Managers. Such security shall be provided within fourteen days of a written request to do so, failing which the Association shall have the right to terminate the entry in accordance with Rule 39 even if a Release has been paid in accordance with paragraph (3) or secured under paragraph (8) of this Rule.
- (5) When a Member has paid his Release in full in accordance with paragraph (3) of this Rule he shall be under no further liability for any further Calls which the Association may levy after the date of such notification and shall have no right to share in any return of an excess or any part thereof which the Committee may thereafter determine in accordance with Rule 50(4).
- (6) The Managers may, at any time prior to payment of a Release in full in accordance with paragraph (3) of this Rule, recalculate such Release in accordance with the Release formula referred to in paragraph (1) of this Rule and notify the relevant Member thereof, whereupon such Member shall become liable to pay such recalculated Release in accordance with this paragraph (6), credit being given against such recalculated Release for any part or instalments of a Release paid to the Association in respect of such vessel.
- (7) Until a Member has paid his Release in full in accordance with paragraph (3) of this Rule, he shall remain liable to pay all Calls levied in respect of such vessel after the date of such notification, credit being given against such further Calls for any part or instalments of a Release paid to the Association in respect of such vessel.
- (8) A Member who may be entitled under the terms of the International Group Agreement 1999 or other subsequent similar agreement to make a request to

the Association to pay such further Calls as and when they become due instead of a Release, shall:

- (a) make such request in writing no later than seven days after the Managers have notified such Release to such Member,
- (b) within 14 days of the Managers' request to do so, provide to the Association as security for such further Calls a bank guarantee on terms and from a bank acceptable to the Managers in the amount of such Release together with such Member's written undertaking on terms acceptable to the Managers to increase, within 14 days of a request by the Managers to do so, the amount of such bank guarantee to cover any increase in the Association's or the Managers' estimate of such further Calls.

This paragraph (8) shall be without prejudice to paragraph (4) of this Rule and the provisions set out therein shall operate separately to the requirements of this paragraph (8).

- (9) Until a Member has both made a request as required by sub-paragraph 8(a) and provided a bank guarantee and undertaking as required by sub-paragraph 8(b), he shall remain liable to pay any Release or revised Release notified under paragraphs (1) and (6) of this Rule, and the Managers may recalculate such Release in accordance with the Release formula referred to in paragraph (1) and notify such Member thereof, whereupon he shall become liable to pay such recalculated Release in accordance with this paragraph (9), credit being given for any instalments of a Release received by the Association in respect of such vessel.
- (10) A Member shall have no right to dispute any Release save that, after payment thereof in full to the Association or after payment of all instalments required by the Managers, the Member shall be entitled to claim repayment thereof in whole or in part using the procedure set out in Rule 57.

45C Solvency Margin and Guarantee Fund

A Member shall pay on demand such sums as the Association may by any Government legislation or Regulation be required to set aside in order to establish and/or maintain an adequate Solvency Margin and/or Guarantee Fund. A Member shall contribute to such sums in proportion to his Basic Rate of Contribution payable in respect of the relevant Policy Years.

46 Reduction of Calls for Vessels Insured for Part of a Year

- (1) Where the period of insurance of a vessel commences during the course of a Policy Year, the Mutual, Supplementary and Overspill Calls, Solvency Margin and Guarantee Fund Contribution and any Release in respect of that vessel for that Policy Year shall be reduced pro rata, that is to say by the same proportion as the period between the commencement of the Policy Year and the commencement of the period of insurance bears to the whole Policy Year.
- (2) Where the period of insurance of a vessel ends during the course of a Policy Year by reason of one of the events in Rule 38(2)(i)-(vi) and the Member gives the Managers notice in writing of that event within one month of its occurrence, the Mutual, Supplementary and Overspill Calls, Solvency Margin and Guarantee

Fund Contribution and any Release in respect of that vessel for that Policy Year shall be reduced pro rata, that is to say by the same proportion as the period between the end of the period of insurance and the end of the Policy Year bears to the whole Policy Year.

- (3) Save as aforesaid, a Member shall remain liable to pay Mutual, Supplementary and Overspill Calls, Solvency Margin and Guarantee Fund Contribution and any Release for the whole Policy Year, notwithstanding the cesser of insurance of a vessel during the course of that Policy Year.

47 Payment of Calls and Other Sums Due to the Association

- (1) Calls and other sums due to the Association shall be paid on demand or in such instalments and on such dates as are determined by the Committee or the Managers.
- (2) The Association shall have a lien on an insured vessel for all Calls and other sums due to it under these Rules in respect of that vessel. Such lien shall extend to any and all other insured vessels which are part of the same fleet as that vessel in accordance with Rule 31 and shall be in addition to, and in no way construed as a waiver or amendment of, any other contractual or maritime lien which the Association may expressly or impliedly possess in respect of such insured vessel or vessels.
- (3) The Association shall be entitled to set off any Calls or other sums due from a Member to the Association against any amounts for which the Association may be liable to such Member. No claim by a Member against the Association shall afford that Member any right to make any set off against Calls or other sums due to the Association, nor shall it entitle a Member to withhold or delay payment of any such amounts.
- (4) The currency of payment of any amounts due to the Association shall be determined by the Managers.
- (5) If any Call, not being an Overspill Call, or other sum due to the Association from a Member is not paid and is considered to have become irrecoverable, the sums required to make good any resulting shortfall or deficiency in the funds of the Association shall become general expenses of the Association for which Calls may be levied or reserves applied in accordance with these Rules.
- (6) (a) The Committee may at any time by means of Bye Laws determine the rate of interest which shall be payable on any Calls or other sums due to the Association as from the due date of payment or such later date as may be specified.
- (b) The Managers may on behalf of the Association charge interest on Calls and other sums due at the rate specified in the Bye Laws.

48 Laid-Up Returns

- (1) If an insured vessel shall be laid-up in any safe port or place for a period of thirty or more consecutive days after anchoring or mooring there (such period being computed from the day of arrival to the day of departure, one only of such days being included) the Member concerned shall be allowed in respect of such vessel for the period of lay-up a return of Calls except Overspill Calls calculated

at the rate of 75 per cent of the mutual element of his Mutual Calls and of any estimated Supplementary Call plus such amount as the Committee shall determine shall be allowed in respect of the premium payable by the Association under the General Excess Loss Reinsurance Contracts effected collectively by the parties to the Pooling Agreement.

- (2) For the purpose of this Rule a vessel shall not be treated as laid-up if it had either crew members (other than crew necessary in the opinion of the Managers for its maintenance and safety) or cargo on board.

Provided that the Managers may allow in respect of such vessel for the period of lay-up a return of Calls except Overspill Calls calculated at up to 50 per cent of the mutual element of his Mutual Calls and of any estimated Supplementary Call plus such amount as the Committee shall determine shall be allowed in respect of the premium payable by the Association under the General Excess Loss Reinsurance Contracts effected collectively by the parties to the Pooling Agreement where the vessel is laid up with crew (other than crew necessary in the opinion of the Managers for its maintenance and safety) but without any cargo on board.

- (3) Unless otherwise agreed in writing by the Managers no claim for laid-up returns relating to any Policy Year shall be recoverable from the Association unless:

(a) written notice of the intended lay-up has been given to the Managers before its commencement, including details of the place of lay-up and of the number of crew and the amount and nature of any cargo on board.

(b) written notice of termination of lay-up has been given to the Managers before the vessel leaves the place of lay-up

(c) the claim for laid-up returns is submitted to the Managers before the earlier of the following dates: three calendar months after the end of the Policy Year to which the claim relates (where the lay-up has continued from that Policy Year into the next); and three calendar months after the termination of lay-up (regardless of whether the lay-up has continued from one Policy Year into the next), accompanied by a certificate or other document issued by the government or port authority having jurisdiction over the port or place of lay-up which states:

- (i) the port or place of lay-up
 - (ii) the date on which the lay-up period began and, (if the lay-up has ended), the date on which the lay-up ended
 - (iii) that the insured vessel had no cargo on board at any time during the lay-up period
 - (iv) the number of crew on board during the lay-up period.
- (d) the Member has provided the Managers with such information as they may require from time to time in connection with such lay-up.

(4) If an insured vessel commences or recommences trading after it has been and has remained in safety in any safe port for a period of four consecutive calendar months or more after anchoring or mooring there (such period being computed from the day of arrival to the day of departure, one only of such days being included) in circumstances in which the Member concerned is entitled to Laid-up Returns under paragraph (1) or (2) of this Rule, the Member shall

give the Managers seven days prior written notice of such commencement or recommencement so as to enable the Managers if they think fit to require to be satisfied as to the condition of the insured vessel by a survey of the insured vessel or otherwise.

- (5) If the Member does not so inform the Managers, the Association shall not be liable for any loss, damage, liability, costs or expenses which would have been avoided if the opportunity for such survey had been given, a survey had been carried out and all defects revealed in that survey had been remedied.
- (6) The Directors shall have sole discretion in determining whether the port or place concerned is safe within the meaning of this Rule 48.

49 Reserves

- (1) The Association may establish and maintain such reserve funds or other accounts for such contingencies or purposes (to the benefit of the Association in all or any of its Classes) as the Committee may determine.
- (2) Without prejudice to the generality of paragraph (1) of this Rule, the Association may establish and maintain reserves or other accounts to provide a source of funds available to be applied for any purposes of the Association, including (but not limited to) the following:
 - (i) To eliminate or reduce the amount of Supplementary Calls in respect of any past, present or future Policy Year;
 - (ii) To eliminate or reduce any deficiency which has occurred or may be thought likely to occur in respect of any closed Policy Year;
 - (iii) To protect the Association against any actual or potential losses on exchange or interest rate differentials, or in connection with any realised or unrealised investments;
 - (iv) To provide against direct or indirect fiscal or other obligations incurred in jurisdictions where the Association may be providing or be deemed to be providing insurance to Members or insured vessels.
- (3) In addition, the Association shall create reserves in the following instances:
 - (a) From the proceeds of any Calls made pursuant to Rule 45C in order to establish and maintain an adequate Solvency Margin and/or Guarantee Fund;
 - (b) From the proceeds of any Overspill Calls made pursuant to Rules 43 and 45A, in which event the following provisions will apply:
 - (i) One or more Overspill Reserves so created shall be made up from the proceeds of one Overspill Call only and shall be specified to be in respect of a particular Overspill Claim (whether such claim has occurred or is anticipated);
 - (ii) Any Overspill Reserve shall be invested as a separate fund and any gains or losses in the fund so invested shall be credited or debited to the said Overspill Reserve;
 - (iii) Each Member who has made a contribution to an Overspill Call which has been used to create an Overspill Reserve or Reserves shall have an interest in such Overspill Reserve or Reserves proportional to the amount actually contributed by him to the Overspill Call;
 - (iv) If more than one Overspill Call has been made in respect of one Overspill Claim

and more than one Overspill Reserve created in respect of such Overspill Claim, then such Overspill Reserves shall be utilised for the payment of such Overspill Claim in the order in which they were established;

- (v) Any sums standing to the credit of an Overspill Reserve or Reserves shall be used to eliminate or reduce the specified Overspill Claim or to pay such claim in whole or in part, or shall be returned to or held to the account of a Member according to his interest and in accordance with Rule 45A hereof;
- (4) The Committee may determine the application of the sums standing to the credit of any reserve for any of the purposes for which the reserve was maintained even though the sum be paid in respect of any different Policy Year or years from that from which the funds originated. The sums standing to the credit of any reserve may be applied for any other or different purposes whenever the Committee determines this to be in the interests of the Association or its Members. The Committee may also at any time transfer sums from one reserve to another.
- (5) The funds required to establish such reserves or accounts may be raised in either or both of the following ways:-
 - (i) the Committee, when determining the rate of any Mutual or Supplementary Calls for any Policy Year, may determine that any specified amount or proportion of such Calls shall be transferred to and applied for the purpose of any such reserve or account;
 - (ii) the Committee may on the closing of any Policy Year or at any time or times thereafter determine that any specified amount or proportion of the funds standing to the credit of that Policy Year shall be transferred to and applied for the purposes of any such reserve or account.

50 Closing of Policy Years in Respect of Supplementary Calls

The following provisions of this Rule 50 shall apply only to the closing of a Policy Year in respect of Supplementary Calls, whether such closing takes effect at the same time as or separately from the closing of such Policy Year in respect of Overspill Calls.

- (1) The Committee shall with effect from such date after the end of each Policy Year as it thinks fit determine that such Policy Year shall be closed.
- (2) After any Policy Year shall be closed no further Supplementary Calls shall be levied on the Members for that Policy Year.
- (3) The Committee may determine that any Policy Year is closed in respect of Supplementary Calls notwithstanding that it is known or anticipated that there are in existence or may in the future arise claims, reinsurance premiums, expenses or outgoings in respect of such Policy Year (apart from Overspill Claims) which have not yet accrued or whose validity, extent or amount have yet to be established.
- (4) If upon the closing of any Policy Year it shall appear to the Committee that the whole of the Calls and other receipts in respect of such Policy Year (and of all transfers from reserves and provisions made for the credit of or in respect of that Policy Year) is unlikely to be required to meet the claims, expenses and outgoings arising in respect of that Policy Year (as referred to in Rule 43 (Liability for Calls

and other Sums)), then the Committee may determine to dispose of any excess which in its opinion is not so required in one or any of the following ways:-

- (i) by transferring the excess or any part thereof to the reserves of the Association in accordance with Rule 49;
 - (ii) by applying the excess or any part thereof to meet any deficiency which has occurred or may be thought likely to occur in any closed Policy Year or Years;
 - (iii) by returning the excess or any part thereof to the Members entered for such Policy Year in accordance with paragraph (7) of this Rule.
- (5) If at any time or times after a Policy Year shall have been closed it shall appear to the Committee that the claims, reinsurance premiums, expenses or outgoings arising in respect of that Policy Year (as referred to in Rule 43 (Liability for Calls and other Sums)) exceed or are likely to exceed the totality of the Calls and other receipts in respect of such Policy Year (and of all transfers from reserves and provisions made for the credit of or in respect of such Policy Year) then the Committee may determine to provide for such deficiency in any one or more of the following ways:-
- (i) by transferring funds from the reserves or other accounts of the Association;
 - (ii) by transferring funds standing to the credit of any different closed Policy Year;
 - (iii) by levying Mutual or Supplementary Calls in respect of an open Policy Year with the intention (as permitted by Rule 43) of applying a part thereof to meet any such deficiency;
 - (iv) where the deficiency arises from an Overspill Claim, by levying one or more Overspill Calls in accordance with Rules 43 and 45A.
- (6) At any time after any Policy Year shall have been closed the Committee may determine to amalgamate the accounts of any two or more closed Policy Years and to pool the amount standing to the credit of the same. If the Committee shall so determine then the two or more closed Policy Years concerned shall for all purposes be treated as though they constituted a single closed Policy Year.
- (7) Any amount which the Committee may determine to return to the Members in accordance with paragraph (4)(iii) of this Rule shall be returned to the Members entered in respect of such Policy Year in proportion to the Mutual and any Supplementary Calls paid by them in respect of such Policy Year (after taking into account any returns or rebates applicable thereto under their terms of entry or under any other provision of these Rules) save that no return shall be made to any Member who seen try ceased in the course of such Policy ear by reason of Rule 38 (1) (Death or Incapacity), Rule 38 (2) (vii) (Termination in respect of Classification Survey or Appraisal) or 39 (non-payment) or whose liability for Calls in respect of such Policy Year has been assessed under the provisions of Rule 45B (Releases).

51 Investment

- (1) The funds of the Association may be invested as determined by the Committee by means of the purchase of such stocks, shares, bonds, debentures or other securities or the purchase of such currencies, commodities, or other real or personal property, or by means of being deposited in such accounts or by

means of being loaned on such terms and in such manner as the Committee determines. The funds of the Association may also be invested by such other method as the Committee may determine including investments in and loans to any holding subsidiary or associated company of the Association or any one or more of the Classes of the Association on such terms and in such manner as the Committee determines.

- (2) The Committee may determine that all or any of the funds standing to the credit of any Policy Year or of any reserve or account shall be pooled and invested either as one fund or as two or more separate funds.
- (3) If any funds shall have been so pooled and invested the Committee may determine the apportionment of the income arising on the pooled investments among and between the different Policy Years, reserves and accounts from which the fund or funds so invested originated. The Committee may similarly determine the apportionment of the capital gains and losses and gains and losses on exchange realised and unrealised.
- (4) Without prejudice to paragraph (3) of this Rule, the Committee may determine that after the closing of any Policy Year that year shall not be credited with any share of the apportionments made under that paragraph and that its share shall instead be credited to any reserve or account maintained by the Association.

- (4) Whenever any power, duty or discretion is conferred or imposed upon the Managers by virtue of agreement between them and the Association or by these Rules, such power, duty or discretion may, subject to any terms, conditions or restrictions contained therein, be exercised by the Managers or by any servant or agent of the Managers to whom the same shall have been delegated or sub-delegated.

THE SECOND SCHEDULE Bye-Laws

Class 2 - Freight, Demurrage and Defence

The following Rules numbered 1 to 53 inclusive shall apply only to contracts of insurance effected by the Association in this Freight, Demurrage and Defence Class (Class 2) of the Association and are to be construed accordingly.

Part I - Introductory

1 Introductory

- (1) All contracts of insurance effected by the Association incorporate all the provisions of these Rules, save insofar as those provisions are varied by any special terms which may have been agreed pursuant to the powers of the Association as set out in the Constitution.
- (2) A person by whom or on whose behalf an application is made for the insurance or reinsurance by the Association of any vessel shall be deemed to have agreed not only on his own behalf but also on behalf of himself, any and all Co-Assureds and his or their successors and each of them that both he and they will in every respect be subject to and bound by any contract of insurance with the Association, including the provisions of these Rules incorporated as aforesaid.

The provisions of these Rules govern a contract of insurance between the relevant Member (or Joint Member) and the Association alone: for the avoidance of any doubt membership of the Association does not create any contractual or other legal relationship between any one Member and any other.
- (3) These Rules and all contracts between a Member and the Association relating to the insurance afforded by the Association or otherwise shall be subject to the Constitution.
- (4) These Rules and all contracts between a Member and the Association relating to the insurance afforded by the Association or otherwise shall be governed by English law, and, subject to the arbitration provisions set out in Rule 52 thereof, shall constitute an irrevocable submission by the Association and its Members and Co-Assureds to the jurisdiction of the English courts.
- (5) In the event of any conflict between the English text of these Rules and any text thereof written in any other language the English text shall prevail.
- (6) If any provision of these Rules is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall, nevertheless, continue in full force without being impaired or invalidated in any way.
- (7) These Rules shall apply generally for entire Policy Year periods.

PROVIDED THAT:-

The Committee may amend these Rules during a Policy Year by not less than one calendar month's notice to Members whenever necessary or expedient to deal with matters of interpretation and of law (whether conventional, statutory or Court made), which were not incorporated into these Rules at the beginning of the Policy Year in question.

(NOTE: the definitions of "Association", "Member", "Co-Assured", "Managers", "Committee", "Vessel" and other terms used in these Rules are set out in Rule 53).

Part II - Risks Covered and Claims Handling

2 Disputes Covered

The Association insures each of its Members in the manner and to the extent provided in Rule 3 in connection with claims, disputes or proceedings which arise:

- (a) out of events occurring during the period of insurance of any insured vessel entered by him and
- (b) in respect of the Member's interest, whether actual or prospective, in the insured vessel and which relate to the matters enumerated below, namely:-
 - (i) freight, dead freight, demurrage, detention or any other matter arising out of the trading of the insured vessel generally;
 - (ii) detention, salvage, general average contributions and charges (except where the insured vessel is a salvage tug or other craft specially designed, converted, or maintained for use in salvage operations and the claim arises as a result of or during any salvage operations or attempted salvage operations; but the Committee in its absolute discretion may allow claims of this type to be covered);
 - (iii) a policy of insurance, other than with the Association, the West of England Ship Owners' Mutual Insurance Association (London) Limited or the West of England Mutual War Risks Association Limited;
 - (iv) damage sustained by the insured vessel;
 - (v) representation at official inquiries and protection against any interference by a public body, authority, company or corporation in matters connected with the business of ship owning;
 - (vi) any contract for the building, purchase, sale, conversion or repair of the insured vessel (including any guarantee in connection with such contract) only if the contract was made at the beginning of or during the period of insurance or the Managers agree in writing that claims, disputes or proceedings arising from the particular contract will be covered;
 - (vii) any mortgage of the insured vessel or contract for such mortgage;
 - (viii) any other contract in relation to the insured vessel;
 - (ix) any other matter which the Committee determines falls within the scope of the Freight, Demurrage and Defence Class.

3 Extent of Cover

Subject to any special terms which may be agreed a Member is entitled:

- (a) to recover from the Association the costs and expenses incurred in connection with any of the claims, disputes and proceedings described in Rule 2, (including costs and expenses payable to other parties to such proceedings under any judgement or order therein), but only if the Committee has determined that the case merits the support of the Association and has not withdrawn that support;
- (b) to receive legal advice from the Association in connection with any of the claims, disputes and proceedings described in Rule 2 or the possibility thereof;

- (c) to recover from the Association the costs and expenses incurred in obtaining advice in connection with the claims, disputes and proceedings aforesaid or the possibility thereof from lawyers, surveyors, representatives and other persons (other than employees of the Member or of the Association or Managers), where the Managers have consented to the obtaining of such advice.

PROVIDED THAT:

- (A) No costs or expenses shall be recoverable from the Association unless:
- a) they have been incurred with the prior consent in writing of the Managers; or
 - b) they have been incurred by the Association on behalf of the Member in accordance with Rule 9 (Employment of Lawyers and others); or
 - c) the Committee shall determine that they were reasonably incurred and ought in all the circumstances to be borne by the Association, and
 - d) they are not excluded by any proviso, warranty, condition, exemption, limitation, deductible or other term contained in these Rules or in the terms of entry, and
 - e) they were incurred by the Member in the capacity in which the Member has entered the insured vessel in the Association.
- (B) Unless a higher figure is agreed by the Managers in writing, there shall be no recovery from the Association in excess of US\$ 10 million in the aggregate in respect of any one case (as defined in Rule 53), including where such case relates to the building of an insured vessel.

There is no cover for any claim, dispute or proceeding with or against the Association, its directors, the Managers or their employees or agents.

4 Omnibus Rule

Notwithstanding anything to the contrary contained in these Rules, the Committee may determine that the Association shall pay a Member any amount, whether or not the full amount claimed, in respect of losses, liabilities, costs or expenses incidental to the business of owning, operating or managing vessels, which in the opinion of the Committee fall within the scope of the Association's business.

PROVIDED THAT: the Committee need not give any reasons for its decision.

5 Discretion of Committee

- (1) The Committee may determine whether any particular case merits the support of the Association, and without prejudice to the generality of the foregoing the Committee shall in exercising its discretion be entitled to take into account the consideration whether or not to support a Member in respect of any particular case is in the interest of the Membership.
- (2) The Committee may at any and all times impose such terms as a condition of supporting a Member in any particular case as it thinks fit.
- (3) The Committee may at any time withdraw the Association's support from a Member in any particular case if it considers that such case ought to be settled or otherwise discontinued, and the Association shall not be liable for any costs and expenses incurred in connection with such case after the time of such withdrawal of support.

6 Obligation to Sue and Labour

- (1) Upon the occurrence of any casualty, dispute, event or matter liable to give rise to a claim by a Member upon the Association, it shall be the duty of the Member and his agents to take and continue to take all such steps as may be reasonable for the purpose of averting or minimising any expense or liability in respect whereof he may be insured by the Association.
- (2) The duty imposed on a Member and his agents hereunder shall be to take such steps as could reasonably be expected to be taken by a competent and prudent uninsured owner in the same or similar circumstances and no account shall be taken of any circumstances peculiar to the Member such as his lack of means or inability to provide the requisite funds for any reasons whatsoever.
- (3) If a Member commits any breach of this obligation, the Committee may determine to reject any claim by him against the Association arising out of the casualty, dispute, event or matter, or reduce the sum payable by the Association in respect thereof by such amount as it may determine.

7 Notification of Claims, Admission of Liability, etc.

- (1) A Member must:
 - (a) promptly notify the Managers in writing of every casualty, event or matter which is liable to give rise to a claim upon the Association and of every event or matter (including any legal or arbitration proceedings commenced against the Member) which is liable to cause the Member to incur liabilities, costs or expenses for which he may be insured by the Association;
 - (b) promptly notify the Managers of every survey or inspection of any object or document or any opportunity to survey in connection with a matter referred to under (a);
 - (c) at all times promptly notify the Managers of any information, documents or reports in his or his servants' or agents' possession, power or knowledge relevant to such casualty, event or matter as is referred to under (a);
 - (d) whenever so requested by the Managers, promptly produce to the Managers and/or allow the Managers or their agents to inspect, copy or photograph, all relevant documents of whatsoever nature in his or his servants' or agents' possession or power;
 - (e) permit the Managers or their agents to interview any servant, agent or other person who may have been employed by the Member at the material time or at any time thereafter or whom the Managers may consider likely to have any direct or indirect knowledge of the matter or who may have been under a duty at any time to report to the Member in connection therewith.
- (2) A Member shall not settle or admit liability for any claim for which he may be insured by the Association, nor submit to judgement in respect of such a claim, nor enter into any arrangement with a judgement creditor for the discharge or payment of any such claim or for the provision of funds to discharge the judgement debt without prior written consent of the Managers.
- (3) If a Member commits any breach of his obligations referred to in (1) or (2) above the Committee may determine to reject any claim by the Member against

the Association arising out of the casualty, event or matter, or reduce the sum otherwise payable by the Association in respect thereof by such amount as it may determine.

8 Time Bar

- (1) Without prejudice to the duty of prompt notification contained in Rule 7, if a Member:
 - (a) fails to notify the Managers of any casualty, event or matter referred to in Rule 7 within one year after he has knowledge thereof (or in the opinion of the Committee ought to have known thereof), or
 - (b) fails to submit a claim to the Managers for reimbursement of any loss, damage, liabilities, costs or expenses within one year after discharging the same (in the case of an agreed settlement, after he receives the Managers' approval for the settlement in accordance with Rule 7(2)), the Member's claim against the Association shall be extinguished and the Association shall be under no further liability in respect thereof unless the Committee shall otherwise determine.
- (2) Without prejudice to paragraph (1) of this Rule, no claim shall in any event be recoverable from the Association unless written notice thereof has been given to the Managers within three years from the time of the casualty or other event or matter giving rise to the claim.

9 Employment of Lawyers and other Persons

- (1) Without prejudice to any other provisions of these Rules and without waiving any of the Association's rights hereunder, the Managers may at any and all times appoint and employ on behalf of a Member upon such terms as they may think fit lawyers, surveyors or other persons (whether or not lawyers, surveyors or other persons have already been appointed or employed by the Member) for the purpose of dealing with any matter liable to give rise to a claim by the Member upon the Association, including, but not limited to, investigating, or advising upon any such matter and taking or defending legal or other proceedings in connection therewith. The Managers may also at any time discontinue such employment as they may think fit.
- (2) The costs and expenses incurred in connection with a particular case shall only be recoverable from the Association on condition that all lawyers, surveyors and other persons employed in the case are appointed with the prior consent of the Managers, or by the Managers under paragraph (1) of this Rule.
- (3) All lawyers, surveyors and other persons appointed by the Managers on behalf of a Member or appointed by a Member with the prior consent of the Managers shall at all times be and be deemed to be appointed and employed on the terms:
 - (i) that (without prejudice to their right to retire from the matter on any other grounds) they shall be entitled to retire from the matter if either the Managers or the Member so requests or if such person considers that a conflict of interest has arisen or may arise between the Member and the Association so that he ought to retire from the matter;
 - (ii) that they have been instructed by the Member at all times (both while so acting

- and after having retired from the matter) to give advice and to report to the Managers in connection with the matter without prior reference to the Member;
- (iii) that they are to produce to the Managers without prior reference to the Member any documents or information in their possession or power relating to such matter, as if such person had been appointed to act and had at all times been acting on behalf of the Association and notwithstanding that any such advice, reports, documents or information would otherwise be the subject of legal or any other form of privilege.

10 Powers of the Managers relating to the Handling and Settlement of Claims

- 1) The Managers shall have the right if they so decide:
- (a) to control or direct the conduct of any claim or legal or other proceedings relating to any liability, loss, damage, costs or expenses in respect whereof a Member is or may be insured in whole or in part;
- (b) to require the Member to take any step in connection with the handling of such claim or proceedings which the Managers may think appropriate;
- (c) to require the Member to settle, compromise or otherwise dispose of such claim or proceedings in such manner and upon such terms as the Managers see fit.
- (2) If a Member does not settle, compromise, dispose of or take steps in connection with the handling of a claim or proceedings as required by the Managers in accordance with paragraph (1) of this Rule, any eventual recovery by the Member from the Association in respect of such claim or proceedings shall be limited to the amount he would have recovered if he had acted as required by the Managers.
- (3) Where the Association has provided bail or other security in accordance with Rule 49 (Bail) and the Member fails to comply with a requirement made or direction given under this Rule, the Association by giving to the Member fourteen days' written notice to this effect shall (unless in the meantime the Association has been released from its liability in respect of such bail or other security) be entitled in the name of the Member to defend, settle or otherwise deal with such claim or potential claim against him and the Member shall on demand indemnify the Association against any loss, damage, liabilities, costs and expenses incurred by the Association as a result of exercising its rights under this Rule; except insofar as such loss, damage, liabilities, costs and expenses, if incurred by the Member, would be recoverable under his insurance with the Association.

Part III - Deductibles, Limitations, Exclusions and Warranties

11 Deductibles and Party and Party Costs

- (1) Each claim covered under Rule 3 shall be subject to a deductible of US\$ 5,000 and 25% of the claim in excess of the amount of US\$ 5,000, provided that the total deductible shall not exceed US\$50,000 except where the claim relates to a contract for the building of an insured vessel where the total deductible shall not exceed US\$ 100,000.
- (2) Whenever, in accordance with Rule 9, any lawyer, surveyor or other third party is appointed and employed by the Managers on behalf of the Member or appointed and employed by the Member with the prior consent of the Managers, the Members shall on the Managers' request pay to the Association US\$ 5,000 on account of the deductible which shall be repayable to the Member without interest to the extent that the Member's payment on account exceeds the amounts payable by the Association to such third parties.
- (3) The Member shall account to the Association for all costs, expenses and disbursements recovered by any order, award or settlement in every case supported by the Association. If any claims, disputes or proceedings are settled or compromised for a lump sum, the Association shall be entitled to recover from the Member such reasonable sum as the Association may in its sole discretion determine as being attributable to costs.

12 Less than Full Tonnage Entered

If less than the full gross tonnage of a vessel is entered in the Association, the Member concerned shall, unless the entry of the vessel has been accepted on special terms which otherwise provide, be entitled only to recover such proportion of his claim as the entered tonnage bears to the full gross tonnage.

Where by virtue of these Rules or any special terms which may have been agreed a limit is set to the Association's liability in respect of any or all claims insured by the Association the foregoing provisions shall likewise apply to such limit and the Association's liability in respect thereof shall be reduced accordingly.

13 Payment First by the Member

The insurance afforded to a Member is indemnity only and not liability.

Unless the Committee in its discretion otherwise determines it shall be a condition precedent of a Member's right to recover from the funds of the Association in respect of any loss, damage, liabilities, costs or expenses that he shall first have discharged or paid the same otherwise than from money advanced expressly or impliedly for that purpose whether by way of loan or otherwise.

14 No Liability until Calls and other Sums Paid

Without prejudice to anything elsewhere contained in these Rules it shall be a condition precedent of a Member's right to recover from the funds of the Association in respect of any costs or expenses that all such Calls and other amounts whatsoever as shall have become due from the Member to the

Association (whether in respect of this Class or any other Class) shall have been paid in full by the Member or by some assignee or other person on his behalf.

PROVIDED THAT:

The Committee may waive the above condition, but in such event the Association shall be entitled to set off any amount due from a Member against any amount due to him from the Association.

15 Exclusion of Sums Insurable under other Insurances

Unless otherwise agreed in writing or the Committee otherwise determines, there is no cover for any costs or expenses in connection with an insured vessel:

- (i) which would be recoverable from Hull underwriters if the insured vessel were at all times fully insured under Hull Policies on the terms of the Lloyd's Marine Policy with the Institute Time Clauses (Hulls) 1.10.83 attached, or
- (ii) which would be recoverable from the Association if the insured vessel were entered for insurance in any other Class of the Association at full gross tonnage and for its ordinary cover, regardless of any limitation therein or any deductible applicable thereto, or
- (iii) which would be excluded from the insurances mentioned in paragraphs (i) and (ii) above by reason of clauses 23, 24, 25 or 26 of the Institute Time Clauses (Hulls) 1.10.83 or Rule 14 of the Class 1 Rules of the said Association respectively, or
- (iv) which would be excluded from the insurances mentioned in paragraphs (i) and (ii) above by reason of any deductible, franchise or deduction of a similar nature in those insurances (other than a deductible of 1% of the insured value in the case of the Hull Policies), or
- (v) which would be recoverable from any other insurers in respect of loss of the following: hire, freight, employment or use of the insured vessel.

"Fully insured" in paragraph (i) of this Rule means insured at such insured value as the Committee determines represents the market value of the insured vessel, disregarding any charter or other engagement to which she may be committed.

16 Association Not Liable for Interest

In no case shall a Member be allowed interest on any claim he may have against the Association.

17 Premium Tax and other Excise Taxes

The Member shall pay on demand to the Association or its order the amount of any premium tax or other excise tax for which the Association determines it or the Member has or may become liable and shall indemnify and hold harmless the Association in respect of any loss, damage, liability, cost or expense which the Association may incur in respect of such premium tax or other excise tax.

18 Double Insurance

- (1) Unless the Committee otherwise determines, the Association shall not be liable

for any loss, damage, liabilities, costs or expenses in respect of an insured vessel which are recoverable under any other insurance or which would have been so recoverable:

- (i) apart from any terms in such other insurance excluding or limiting liability on the ground of double insurance; and
 - (ii) if the insured vessel had not been entered in the Association with cover against the risks set out in these Rules.
- (2) In no case shall the Association be liable for any costs or expenses in connection with any franchise, deductible or deduction of a similar nature borne by a Member under such other insurance.

19 Liability Excluded if Adventure Illegal, Hazardous or Improper

No claim shall be recoverable from the Association if it arises out of or is consequent upon an insured vessel carrying contraband, blockade running or being employed in an unlawful trade, or if the Committee having regard to all the circumstances shall be of the opinion that the carriage, trade, voyage or any other activity on board or in connection with the insured vessel, was imprudent, unsafe, unduly hazardous or improper.

19A Sanctions, Prohibitions and Adverse Action

- (1) Unless the Committee otherwise determines, there is no cover in respect of an insured vessel being employed by the Member in a carriage, trade or on a voyage which thereby in any way howsoever exposes the Club to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any state or international organisation or other competent authority.
- (2) The Association shall in no circumstances have a liability to a Member in respect of that part of any liabilities, costs and expenses which is not recovered by the Association from parties to the Pooling Agreement, and/or under the Group Excess Loss Reinsurance Contract or any other reinsurer because of a shortfall in recovery from such parties or reinsurers thereunder by reason of a sanction, prohibition or adverse action against them by a state or international organisation or other competent authority or the risk thereof if payment were to be made by such parties or reinsurers. For the purposes of this Rule 19A "shortfall" includes but is not limited to any failure or delay in recovery by the Association by reason of such parties or reinsurers making payment into a designated account in compliance with the requirements of any state or international organisation or other competent authority.
- (3) Notwithstanding the express or implied terms of any other provision of these Rules, on becoming aware of any prima facie evidence of any conduct by a Member which exposes or might expose the Club to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any state or international organisation or other competent authority the Association shall be entitled to terminate its insurance of the Member immediately and without notice, whereupon that Member shall immediately cease to be insured by the Association and the period of insurance shall immediately terminate in respect of any and all vessels entered by him.

20 Costs in Connection with Bail Not Covered

No costs, expenses or charges incurred by a Member in connection with the provision of bail or other security, whether by the Association or not, to obtain the release of or prevent the arrest or attachment of an insured vessel or any other property or assets whatsoever of that Member shall be recoverable from the Association.

21 Rules Subject to Marine Insurance Act 1906 and Insurance Act 2015

- (1) Subject to Rules 21(2) and 21(3), these Rules and all contracts of insurance made by the Association shall be subject to and incorporate the provisions of the Marine Insurance Act 1906 and the Insurance Act 2015 of the United Kingdom, and any statutory modifications thereof, except insofar as such Act or modification may have been excluded by these Rules or by any term of such contracts.
- (2) The following provisions of the Insurance Act 2015 ("the Act") shall be excluded from the Rules and any contract of insurance made by the Association as follows:
 - (a) Section 8 of the Act shall be excluded. As a result any breach of the duty of fair presentation shall entitle the Association to avoid the policy, regardless of whether the breach of the duty of fair presentation be innocent, deliberate or reckless.
 - (b) Section 10 of the Act shall be excluded. As a result all warranties in these Rules or any contract of insurance must be strictly complied with and if the Member or any insured fails to comply with any warranty the Association shall be discharged from liability from the date of the breach, regardless of whether the breach is subsequently remedied.
 - (c) Section 11 of the Act shall be excluded. As a result the rules and all terms of any contract of insurance made by the Association, including terms which tend to reduce the risk of loss of a particular kind, loss at a particular location and/or loss at a particular time, must be strictly complied with and if the Member or any insured fails to comply with any such term, the Association's liability may be excluded, limited or discharged in accordance with these rules notwithstanding that the breach could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.
 - (d) Section 13 of the Act shall be excluded. As a result the Association shall be entitled to exercise its right to terminate the contract of insurance in respect of the Member and all insureds in the event that a fraudulent claim is submitted by or on behalf of the Member and/or any insured and/or any affiliated or associated company of the Member.
 - (e) Without prejudice to Rule 47, no contract of insurance made by the Association shall be subject to, nor shall the Association be in breach of, any implied term that the Association shall pay any sums due in respect of a claim within a reasonable time save where the breach is deliberate or reckless and Section 13A of the Act is excluded to this extent.

- (f) Section 14 of the Act shall be excluded. As a result, all contracts of insurance made by the Association shall be deemed to be contracts of the utmost good faith, and any breach of the duty of the utmost good faith shall entitle the Association to avoid the contract of insurance.
- (g) The provisions of the Marine Insurance Act 1906 which are omitted by the Act shall cease to apply as shall, save to the extent that the Act is excluded by these Rules, any such provisions which are incompatible with the Act.
- (3) Further in relation to the Act:
 - (a) The applicant and any agent shall make to the Managers a fair presentation of the risk by providing the Managers with all material particulars and information together with any additional particulars and information as the Managers may require.
 - (b) The applicant and any agent shall ensure that every material representation as to a matter of fact is substantially correct, and every material representation as to a matter of expectation or belief is made in good faith.
 - (c) In accordance with sub-Rule 21(2)(a) above, Section 8 of the Insurance Act 2015 is excluded. Any breach of sub-Rule 21(3)(a) or (b) shall entitle the Association to avoid the contract of insurance, regardless of whether the breach is innocent, deliberate or reckless.
 - (d) The Member shall disclose any change in any material information relating to an entry including, but not limited to, any change of: management, flag, classification society, government authority responsible for ship certification for the trade in question, nationality of crew, trading or operating area or nature of trade or operation. Upon such disclosure, or upon their discovery of a failure to disclose, the Managers may amend the Member's premium rating or terms of entry, or terminate the entry in respect of such ship with effect from the time of disclosure or failure to disclose.
 - (e) The Association shall not be liable for any loss, damage, liabilities, costs or expenses caused by the wilful misconduct of the Member or his manager.

22 Disclosure if Entry Continued

A Member who desires to continue the entry for insurance of an insured vessel (whether or not a notice has been or is to be given pursuant to Rule 27) shall immediately prior to the 30 days before the commencement of the next ensuing Policy Year be under the same duty to the Association as regards disclosure of material circumstances as if he were an applicant desiring to enter a vessel for insurance in the Association.

Part IV - Entry For and Cesser of Insurance

23 Eligibility for Insurance or Reinsurance

- (1) The Managers on behalf of the Association may enter into a contract of insurance in respect of any vessel with any of the following persons: the registered owner, owners in partnership, owners holding separate shares in severalty, part owner, mortgagee, trustee, charterer, operator, manager or builder of that vessel, any other person interested in or in possession of the vessel, or any other person who in the opinion of the Managers should be regarded and treated as any of the persons above mentioned.

For the purposes of this paragraph, a vessel shall include an unidentified vessel which the person entering into a contract of insurance with the Association has agreed to employ or operate under a charter or similar contract, provided that such vessel shall be entered as a named vessel as soon as it is identified.

- (2) Subject to the Constitution and save insofar as expressly prohibited by these Rules, the Managers may enter into contracts of reinsurance on behalf of the Association whereby the Association agrees to reinsure the risks arising in connection with any one or more vessels insured by another Association or insurer or else agrees to reinsure the whole or any part or proportion of the insurance business of any other Association or insurer. The consideration payable to the Association and the terms and conditions on which the reinsurance is accepted by the Association shall be such as are agreed between the Managers and such other Association or insurer. Save where otherwise agreed in writing the other Association or insurer shall be in every respect subject to and bound by the provisions of these Rules, and his contract with the Association shall for all purposes take effect as though he were the owner of any vessel or vessels in connection with which the relevant risks may arise and had as owner entered the vessel or vessels in the Association for insurance.
- (3) The Association or the Managers on its behalf may effect the reinsurance or ceding of any risks insured by the Association (including any risk which may fall on the Association by reason of a reinsurance agreement referred to in paragraph (2) of this Rule) with such reinsurers and on such terms as the Managers shall consider appropriate.
- (4) Subject to the Constitution and save insofar as expressly prohibited by these Rules the Committee may agree to enter into arrangements on behalf of the Members of this Class of the Association whereby the Members of this Class of the Association agree to indemnify by way of reinsurance or otherwise any other one or more of the other Classes of the Association in respect of all or any part of the risks insured by such Class on such terms as the Committee shall determine.

24 Application for Entry

Any person who desires to enter a vessel for insurance in the Association shall make application for such entry in such form as may from time to time be required by the Managers.

The Managers shall be entitled in their absolute discretion to refuse any

application for the entry of a vessel for insurance in the Association, whether or not the applicant is a Member of the Association.

Applications for the entry of a vessel or vessels may be made in respect of vessels which form part of a particular and specified fleet for the purposes of such entry and if the Association accepts such an application, the Association will treat such entries as belonging to such a fleet notwithstanding that the beneficial ownership of such vessels may be different from one another, and all Members and Joint Members within each such fleet shall be jointly and severally liable to perform all the obligations of any one of them towards the Association, including without limitation the liability to pay all Calls and other sums due to the Association in respect of any and all vessels within that fleet entry. Any failure by a Member or Joint Member in the same fleet to perform any obligation whatsoever towards the Association shall be deemed to be a failure of all Members and Joint Members within such fleet. In the case of a failure to pay Calls or any other sums whatsoever due from such Member to the Association, the Association shall be entitled to give notice to all or any of such Members or Joint Members under Rule 32.

25 Entered Tonnage: Basic Rate of Contribution

Before an application is accepted for the entry of a vessel the applicant and the Managers shall agree the entered tonnage and Basic Rate of Contribution for the vessel concerned. In deciding upon the Basic Rate of Contribution of any vessel the Managers may take into account all matters which they may consider relevant including (without prejudice to the generality of the foregoing) the degree of risk estimated to be involved in the proposed insurance.

26 Certificate of Entry and Endorsement Slip

- (1) As soon as reasonably practical after accepting an application for the entry of a vessel for insurance in the Association the Managers on behalf of the Association shall issue to the applicant a Certificate of Entry in such form as may from time to time be prescribed by the Managers but so that such Certificate of Entry shall state the date of the commencement of the period of insurance and the terms and conditions on which the vessel has been accepted for insurance.
- (2) If at any time or from time to time the Managers on behalf of the Association and a Member shall agree to vary the terms relating to an insured vessel, the Managers shall, as soon as reasonably practical thereafter, issue to the Member an Endorsement Slip stating the terms of such variation and the date from which such variation is to be effective.
- (3) Every Certificate of Entry and every Endorsement Slip issued as aforesaid shall be conclusive evidence and binding for all purposes as to the commencement of the period of insurance, as to the terms and conditions on which the vessel has been entered for insurance, and as to the terms of any variation and the date from which such variation is to be effective; provided that in the event that any Certificate of Entry or any Endorsement Slip shall have been defaced or lost or in the opinion of the Managers contains any error or omission the Managers may on behalf of the Association issue a new Certificate of Entry or a new Endorsement Slip which shall be conclusive evidence and binding as aforesaid.

27 Period of Cover

The cover afforded by the Association shall begin at the time stated in the Certificate of Entry for the commencement of the cover and continue until the end of the then current Policy Year at noon on 20 February next unless otherwise agreed at the time of entry. Thereafter, subject to a cesser of insurance or to the exercise by the Club of any right to terminate an entry as provided elsewhere in these Rules, the cover shall continue from Policy Year to Policy Year unless:

- (1) notice shall have been given in writing by either the Member to the Managers or the Managers to the Member not later than noon on 20 January in any year, that the insurance specified in the notice is to cease, in either of which events the insurance shall cease at the end of the then current Policy Year; or
- (2) the Managers shall have informed the Member orally or in writing at any time before the start of a Policy Year at noon on any 20 February that the terms of the insurance offered to it by the Club for that Policy Year are to be changed for the next Policy Year, including but not limited to premium or deductibles and whether such terms are generally or specifically applicable, in which event, unless terms are agreed between the Member and the Managers by the start of that Policy Year at noon on 20 February immediately following such notice, the insurance shall thereupon cease; or
- (3) the Managers by 30 days notice in writing to a Member at any time terminate the entry in respect of any vessel.

An entered ship shall not be withdrawn from the Club at any other time or in any other manner except with the consent of the Managers.

If before the end of any Policy Year these Rules shall have been altered in any respect which affects the terms and conditions of the contract of insurance between a Member and the Association, then such alteration shall be binding upon the Member and for all purposes take effect as from the commencement of the next Policy Year.

28 Inception of Membership

If the Managers on behalf of the Association accept an application for the entry of a vessel for insurance in the Association from a person who is not already a Member of the Association, then unless he is to be a Co-Assured that person may, if agreed with the Association or the Managers on its behalf, as from the commencement of the period of insurance of that vessel, be and become a Member or Joint Member of the Association and his name shall be entered in the Register of Members of the Association.

29 Joint Entries

Where a Certificate of Entry for an insured vessel records as parties insured thereunder more persons than one whether jointly or separately interested, any such persons who are not Members of the Association are hereinafter referred to as "Co-Assured" or "Co-Assureds". Where such persons are Members of the Association in respect of such vessel they are hereinafter referred to as "Joint Member" or "Joint Members" and in such circumstances:

- (i) the Managers shall not be bound to issue on behalf of the Association more than one Certificate of Entry in respect of each insured vessel or more than one Endorsement Slip and delivery of such Certificate of Entry or Endorsement Slip, as the case may be, to one of several jointly insured Members shall be sufficient delivery to each and all of such persons;
- (ii) the Joint Members and each of them shall be jointly and severally liable to pay all Calls and other sums due to the Association in respect of such entry and the receipt of any one of such Joint Members for any sums payable by the Association in respect of such entry shall be a sufficient discharge of the Association for the same;
- (iii) failure by any Joint Member or any Co-Assured who is named in the same Certificate of Entry to disclose material information within his knowledge shall be deemed to have been the failure of all the Joint Members and/or all Co-Assureds;
- (iv) conduct of any Joint Member or any Co-Assured who is named in the same Certificate of Entry which would have entitled the Association to decline to indemnify him shall be deemed the conduct of all the Joint Members and/or all Co-Assureds;
- (v) unless the Managers have otherwise agreed in writing, the contents of any communication from or on behalf of the Association to any Joint Member and/or Co-Assured shall be deemed to be within the knowledge of all the Joint Members and/or Co-Assureds and any communication from any Joint Member and/or Co-Assured to the Association, the Managers or their agents shall be deemed to have been made with the full approval and authority of all the Joint Members and/or Co-Assureds;
- (vi) the Association shall in no case be liable for any costs or expenses incurred in connection with any dispute or proceedings between the Joint Members and/or Co-Assureds or any of them;
- (vii) any limitation of the Association's liability to a Member, whether in these Rules or in an agreed special term, shall be construed as a limitation on the aggregate amount payable to all Joint Members and/or Co-Assureds. In such cases the claim of the registered owner of the insured vessel shall be preferred to the claims of the other Joint Members and/or any Co-Assureds, which shall rank *pari passu* among themselves as to any balance; provided that in such cases the Committee may take into account the possibility of further claims against the Association being made by the Joint Members and/or Co-Assureds or any of them, and may withhold such sums from distribution as it thinks fit in order to meet those claims.

30 Assignment

- (1) No insurance given by the Association and no interest under these Rules or under any contract between the Association and any Member may be assigned without the written consent of the Managers who shall have the right in their discretion to give or refuse such consent without stating any reason or to give such consent upon any such terms or conditions as they may think fit. Any purported assignment made without such consent or without there being due compliance

with any such terms and conditions as the Managers may impose shall, unless the Managers in their absolute discretion otherwise determine, be void and of no effect.

- (2) Whether or not the Managers shall expressly so stipulate as a condition for giving their consent to any assignment, the Association shall be entitled in settling any claim presented by the assignee to deduct or retain such amount as the Managers may then estimate to be sufficient to discharge any liabilities of the assignor to the Association, whether existing at the time of the assignment or having accrued or being likely to accrue thereafter.
- (3) Where the Managers consent to an assignment, they shall, after any conditions which they have imposed have been complied with, and upon receipt of due notice of assignment, issue on behalf of the Association an Endorsement Slip giving particulars of the assignment, including the time from which it is to take effect; and that Endorsement Slip shall be conclusive evidence of those particulars.

31 Cesser of Insurance on Certain Specified Events

- (1) A Member shall cease to be insured by the Association and the period of insurance shall terminate in respect of any and all vessels entered by him upon the happening of any of the following events:
 - (a) If the Member is an individual:
 - (i) upon his death, or
 - (ii) if a receiving order shall be made against him, or
 - (iii) if he shall become bankrupt or make any composition or arrangement with his creditors, or
 - (iv) if he shall become incapable by reason of mental disorder or criminal conviction of managing and administering his property and affairs, or
 - (v) if under any system of law other than English law, there occurs an event in relation to that individual which has a similar effect to any of the above.
 - (b) If the Member is a corporation:
 - (i) upon the passing of any resolution for voluntary winding up, or
 - (ii) upon an order being made for compulsory winding up, or
 - (iii) upon dissolution, or
 - (iv) upon the appointment of an administrator, receiver, trustee, custodian, liquidator or other similar official for its or for substantially all of its assets, or
 - (v) upon crystallisation of, and/or possession being taken of any of its assets comprised in or subject to a floating charge, by or on behalf of the holder of such charge, or
 - (vi) if under any system of law other than English law, there occurs an event in relation to that corporation which has a similar effect to any of the above.

Termination shall be deemed to take place when the event occurred or, where relevant, upon the making of the first court order, but if there is no such method of determination the effective date and time shall be such date and time as

when the Managers notify the Member that they have reasonable grounds for believing that any of the above situations or conditions have occurred.

The provisions of this Rule 31(1) shall also apply to any Co-Assured as if he had been a Member.

- (2) A Member shall cease to be insured by the Association and the period of insurance shall terminate in respect of any vessel entered by him upon the happening of any of the following events affecting such vessel:
- (i) if he shall part with or assign the whole or any part of his interest in the insured vessel whether by Bill of Sale or other formal document or otherwise or shall cease to have an interest in the insured vessel or shall part with or transfer the entire control or possession of the insured vessel, whether by demise charter or otherwise;
 - (ii) if the insured vessel shall be mortgaged or otherwise hypothecated without an undertaking or guarantee having been given to the Association in a form and by such person as may be approved by the Managers in writing, to pay all Calls and other sums due or to become due in respect of the insured vessel;
 - (iii) if any person having given an undertaking or guarantee under the preceding paragraph (2)(ii) fails to discharge his liability thereunder upon demand by the Managers;
 - (iv) if the management of the insured vessel is transferred or the flag of the insured vessel is changed. Where a vessel is entered for insurance through an agent (not being an insurance broker) such agent shall for the purpose of this paragraph (2) (iv) of this Rule be deemed to be the manager of the insured vessel unless at the time of the vessel's entry for insurance the Managers were furnished in writing with the name of the management of the vessel to be insured;
 - (v) if the insured vessel shall become an actual total loss or shall be agreed by Hull Underwriters as constituting a constructive total loss or a compromised total loss (whether or not subject to production to Hull Underwriters of further evidence concerning the casualty), or shall become a commercial total loss, except as regards liabilities, costs and expenses arising out of the casualty which gave rise to the loss of the vessel;
 - (vi) if the insured vessel shall be missing for ten days from the date she was last heard of or from her being posted at Lloyd's as missing, whichever shall be the earlier.

PROVIDED THAT:

Where a Member ceases to be insured by reason of any of the events set out in this Rule 31 paragraph (2)(i)-(2)(vi), the Managers may on behalf of the Association agree in writing to extend the period of insurance on such terms as they think fit.

32 Termination of Insurance for Non-Payment

- (1) If a Member (whether as a Member of this or any other Class) has failed to pay on the due date for payment any sum due to the Association or to any other person on its behalf, he shall be deemed to have failed to pay any further sums (including but not limited to instalments determined under Rule 40(1)) whose date for payment to the Association or to any other person has been notified

by the Association, and all such sums and further sums shall be deemed to be immediately due and payable by the Member to the Association. The Association may at any time thereafter at its sole discretion:

- (i) declare any or all of such sums and further sums to be immediately due and payable; and/or
 - (ii) serve a notice on the Member (the "Final Demand Notice") requiring him to pay the whole or part of any or all such sums and further sums (the "Demanded Sums") on or before the date specified in the Final Demand Notice (the "Deadline") which shall refer to one or more of the consequences of non-payment set out in paragraph (2) of this Rule.
- (2) If the Member fails to pay the Demanded Sums in full on or before the Deadline:
- (i) that Member shall immediately cease to be insured by the Association and the period of insurance shall immediately terminate in respect of any and all vessels entered by him and
 - (ii) the Association shall immediately cease to be liable and shall not thereafter become liable to that Member for any loss, damage, liabilities, costs or expenses whatsoever in respect of any or all vessels at any time entered by him, irrespective of whether insurance of such vessels terminated by reason of this or any other Rule or at any previous time for any other reason, or whether the events giving rise to such loss, damage, costs, expenses or liabilities occurred before or after termination and whether any claim by the Member against the Association was made before or after the Deadline.

PROVIDED THAT:-

- (a) such Final Demand Notice shall not be invalidated by reason that the sums specified therein as being due to the Association is greater or lesser than the sum actually due;
- (b) in determining what sums are due to the Association under this or any other Rule or otherwise no account shall be taken of any amount due or alleged to be due by the Association to the Member and no set-off of any kind whatsoever shall be allowed against such sums (even if previously allowed) unless specifically agreed in writing by the Managers on behalf of the Association and referred to in such Final Demand Notice;
- (c) at the written request of the Member the Committee may determine to reinstate the Member and to extend the period of insurance in respect of any and all vessels entered by him on such terms as the Committee thinks fit and the Committee may further determine that the Association shall be liable to the Member for any liabilities, costs or expenses in respect of any and all vessels at any time entered by or for the Member to such extent and upon such terms as the Committee thinks fit.

33 No Waiver

Without prejudice to the generality of Rule 47, no act, omission, course of dealing, forbearance, delay or indulgence of any kind by or on behalf of the Association nor the granting of time, nor the acceptance by the Association (whether express or implied) of liability for, or the recognition of, any claim, and

whether occurring before or after any of the events or termination or notice provisions contained in Rules 31 and 32 shall derogate from the effect of such Rules or be treated as any waiver of any of the Association's rights thereunder.

34 No Waiver

When a Member ceases to be insured otherwise than under Rule 32 (Termination of Insurance for Non-payment), such cesser shall not prejudice any claim of the Member against the Association for costs or expenses and liabilities arising out of events occurring before the date of cessation.

35 End of Membership

For the avoidance of any doubt, the obligations of a Member to the Association shall continue and shall be deemed to be cumulative from initial acceptance as a Member throughout each Policy Year of membership until not only has that Member ceased to be a Member, because for any reason the periods of insurance of all vessels entered by him for insurance in the Association have ended, but also he has discharged all the obligations, whenever arising, in respect of his membership in full.

Part V - Calls and Finance

36 Liability for Calls

Members who have vessels entered for insurance in the Association in respect of any Policy Year shall, unless otherwise agreed in writing, provide by way of Mutual Calls, Supplementary Calls, Releases and contributions to a Solvency Margin and Guarantee Fund all funds which the Committee determines are required:

- (i) To meet such of the general expenses of the Association as the Committee may from time to time determine shall be charged against the insurance business of this Class in respect of such Policy Year;
- (ii) To meet the claims, expenses and outgoings (whether incurred, accrued or anticipated) of the insurance business of this Class in respect of such Policy Year (including without prejudice to the generality of the foregoing, any proportion of any claims, expenses or outgoings of any insurer other than the Association which has fallen or which may be thought likely to fall upon this Class by virtue of any reinsurance or pooling agreement concluded between the Association and such other insurer);
- (iii) For such transfers to the reserves or other accounts of the Association (as referred to in Rule 42) and for subsequent application for the purposes of such reserves or other accounts or otherwise as the Committee determine;
- (iv) For such transfers as the Committee may determine to meet any deficiency which has occurred or may be thought likely to occur in any closed Policy Year or Years;
- (v) To meet such proportion as the Committee may determine appropriate of the claims, expenses and outgoings (whether incurred, accrued or anticipated) of any one or more of the other Classes of the Association;
- (vi) To be set aside in order to establish and/or maintain an adequate Solvency Margin and Guarantee Fund in respect of any Policy Year.

37 Mutual Calls

- (1) In such amounts and on such dates during and after the end of each Policy Year as the Committee shall determine, and subject to Rule 39 (reduction of Calls for vessels insured for part of a year) and to any special terms agreed with the Association, each Member shall pay to the Association a Mutual Call for that Policy Year in respect of each of his vessels insured during that Policy Year, including (without limitation) the Member's Basic Rate of Contribution together with such contribution as the Committee may determine to the premiums payable by the Association for that Policy Year under the General Excess Loss Reinsurance Contracts and other reinsurance effected collectively by the parties to the Pooling Agreement.
- (2) If at any time before any Policy Year is closed it shall appear to the Committee that the whole of the product of the Mutual Call is not required, the Committee may resolve to declare a Mutual Call Return, expressed as a percentage of the Mutual Call, payable to the Members in such amounts and on such dates as the

Committee shall determine. If the full Mutual Call has not already been paid the Mutual Call Return may be offset by a Member against his obligation to pay the balance.

38 Supplementary Calls

- (1) At any time or times during or after the end of a Policy Year but not after such Policy Year has been closed, the Association may levy one or more Supplementary Calls for that Policy Year in respect of each vessel insured during that Policy Year. Such Call shall comprise a percentage determined by the Committee to be applied to the mutual element of the Mutual Calls for that Policy Year.
- (2) The Committee or the Managers may at any time take any necessary steps to enable such persons to become aware of their financial commitments for the relevant Policy Year by indicating an estimate of the percentage of any Supplementary Call or Calls to be levied. If any such estimate shall be given to any such person it shall be without prejudice to the right of the Association to levy the Supplementary Calls for the relevant Policy Year in accordance with these Rules at a greater or lesser percentage than so indicated and neither the Association, the Committee nor the Managers shall under any circumstances be under any liability whatsoever or howsoever arising as a result of any estimate so given or in respect of any error, omission or inaccuracy contained therein.

39 Reduction of Calls for Vessels Insured for Part of a Year

- (1) Where the period of insurance of a vessel commences during the course of a Policy Year, the Mutual and Supplementary Calls, Solvency Margin and Guarantee Fund Contribution and any Release in respect of that vessel for that Policy Year shall be reduced pro rata, that is to say by the same proportion as the period between the commencement of the Policy Year and the commencement of the period of insurance bears to the whole Policy Year.
- (2) Where the period of insurance of a vessel ends during the course of a Policy Year by reason of one of the events in Rule 31 (Cesser of Insurance on Certain Specified Events) and the Member gives the Managers notice in writing of that event within one month of its occurrence, the Mutual and Supplementary Calls, Solvency Margin and Guarantee Fund Contribution and any Release in respect of that vessel for that Policy Year shall be reduced pro rata, that is to say by the same proportion as the period between the end of the period of insurance and the end of the Policy Year bears to the whole Policy Year.
- (3) Save as aforesaid, a Member shall remain liable to pay Mutual and Supplementary Calls, Solvency Margin and Guarantee Fund Contribution and any Release for the whole Policy Year in full, notwithstanding the cesser of insurance of a vessel during the course of that Policy Year.

40 Payment of Calls and other Sums Due to the Association

- (1) Calls and other sums due to the Association shall be paid on demand or in such instalments and on such dates as are determined by the Committee or the Managers.

- (2) The Association shall have a lien on an insured vessel for all Calls and other sums due to it under these Rules in respect of that vessel. Such lien shall extend to any and all other insured vessels which are part of the same fleet as that vessel in accordance with Rule 24 and shall be in addition to, and in no way construed as a waiver or amendment of, any other contractual or maritime lien which the Association may expressly or impliedly possess in respect of such insured vessel or vessels.
- (3) The Association shall be entitled to set off any Calls or other sums due from a Member to the Association against any amounts for which the Association may be liable to such Member. No claim by a Member against the Association shall afford that Member any right to make any set off against Calls or other sums due to the Association, nor shall it entitle a Member to withhold or delay payment of any such amounts.
- (4) The currency of payment of any amounts due to the Association shall be determined by the Managers.
- (5) If any Call or other sum due to the Association from a Member is not paid and is considered to have become irrecoverable, the sums required to make good any resulting shortfall or deficiency in the funds of the Association shall become general expenses of the Association for which Calls may be levied or reserves applied in accordance with these Rules.
- (6)
 - (a) The Committee may at any time by means of Bye-Laws determine the rate of interest which shall be payable on any Calls or other sums due to the Association as from the due date of payment or such later date as may be specified.
 - (b) The Managers may on behalf of the Association charge interest on Calls and other sums due at the rate specified in the Bye-Laws.

41 Releases

- (1) If a Member ceases to be insured in respect of an insured vessel for any reason whatsoever, the Managers may at any time after termination of insurance of that vessel calculate and notify such Member of the estimated amount of his liability for further Calls which the Association may levy in respect of such vessel, according to the Release formula determined from time to time by the Committee, together with the amount of all other sums due by such Member to the Association.
- (2) In determining the Release formula to be used for estimating the amount of liability of Members for further Calls the Committee may take into account any contingencies and other special considerations which it may determine are relevant for this purpose (including but not limited to matters such as inflation and currency fluctuations).
- (3) The amounts calculated and notified by the Managers under paragraph (1) of this Rule shall be a Release and shall be payable by such Member on such date or dates as the Managers may require, in either case without deduction.
- (4) When a Member has paid his Release in full in accordance with paragraph (3) of this Rule he shall be under no further liability for any further Calls which the Association may levy after the date of such notification and shall have no right

- to share in any return of an excess or any part thereof which the Committee may thereafter determine in accordance with Rule 43(4).
- (5) The Managers may, at any time prior to payment of a Release in full in accordance with paragraph (3) of this Rule, recalculate such Release in accordance with the Release formula referred to in paragraph (1) of this Rule and notify the relevant Member thereof, whereupon such Member shall become liable to pay such recalculated Release in accordance with this paragraph (5), credit being given against such recalculated Release for any part or instalments of a Release paid to the Association in respect of such vessel.
 - (6) Until a Member has paid his Release in full in accordance with paragraph (3) of this Rule, he shall remain liable to pay all Calls levied in respect of such vessel after the date of such notification, credit being given against such further Calls for any part or instalments of a Release paid to the Association in respect of such vessel.
 - (7) A Member shall have no right to dispute any Release save that, after payment thereof in full to the Association or after payment of all instalments required by the Managers, the Member shall be entitled to claim repayment thereof in whole or in part using the procedure set out in Rule 52.

42 Reserves

- (1) The Association may establish and maintain such reserve funds or other accounts for such contingencies or purposes (to the benefit of the Association in all or any of its Classes) as the Committee may determine.
- (2) Without prejudice to the generality of paragraph (1) of this Rule, the Association may establish and maintain reserves or other accounts to provide a source of funds available to be applied for any purposes of the Association, including (but not limited to) the following:
 - (i) To eliminate or reduce the amount of Supplementary Calls in respect of any past, present or future Policy Year;
 - (ii) To eliminate or reduce any deficiency which has occurred or may be thought likely to occur in respect of any closed Policy Year;
 - (iii) To protect the Association against any actual or potential losses on exchange or interest rate differentials, or in connection with any realised or unrealised investments;
 - (iv) To provide against direct or indirect fiscal or other obligations incurred in jurisdictions where the Association may be providing or be deemed to be providing insurance to Members or insured vessels.
- (3) In addition, the Association shall create a reserve from the proceeds of any Calls made pursuant to Rule 45 in order to establish and maintain an adequate Solvency Margin and/or Guarantee Fund.
- (4) The Committee may determine the application of the sums standing to the credit of any reserve for any of the purposes for which the reserve was maintained even though the sum be paid in respect of any different Policy Year or Years from that from which the funds originated. The sums standing to the credit of any reserve may be applied for any other or different purposes whenever the Committee

determines this to be in the interests of the Association or its Members. The Committee may also at any time transfer sums from one reserve to another.

- (5) The funds required to establish such reserves or accounts may be raised in either or both of the following ways:
 - (i) the Committee, when determining the rate of any Mutual or Supplementary Calls for any Policy Year, may determine that any specified amount or proportion of such Calls shall be transferred to and applied for the purpose of any such reserve or account;
 - (ii) the Committee may on the closing of any Policy Year or at any time or times thereafter determine that any specified amount or proportion of the funds standing to the credit of that Policy Year shall be transferred to and applied for the purposes of any such reserve or account.

43 Closing of Policy Years

- (1) The Committee shall with effect from such date after the end of each Policy Year as it thinks fit determine that such Policy Year shall be closed.
- (2) After any Policy Year shall have been closed no further Supplementary Calls maybe levied in respect of that Policy Year.
- (3) The Committee may determine that any Policy Year is closed notwithstanding that it is known or anticipated that there are in existence or may in the future arise claims, expenses or outgoings in respect of such Policy Year which have not yet accrued or whose validity, extent or amount have yet to be established.
- (4) If upon the closing of any Policy Year it shall appear to the Committee that the whole of the Calls and other receipts in respect of such Policy Year (and of all transfers from reserves and provisions made for the credit of or in respect of that Policy Year) are unlikely to be required to meet the claims, expenses and outgoings arising in respect of that Policy Year (as referred to in Rule 36), then the Committee may determine to dispose of any excess which in their opinion is not so required in one or any of the following ways:
 - (i) by transferring the excess or any part thereof to the reserves of the Association in accordance with Rule 42;
 - (ii) by applying the excess or any part thereof to meet any deficiency which has occurred or may be thought likely to occur in any closed Policy Year or Years;
 - (iii) by returning the excess or any part thereof to the Members entered for such Policy Year in accordance with paragraph (7) of this Rule.
- (5) If at any time or times after a Policy Year shall have been closed it shall appear to the Committee that the claims, expenses and outgoings arising in respect of that Policy Year (as referred to in Rule 36) exceed or are likely to exceed the totality of the Calls and other receipts in respect of such Policy Year (and of all transfers from reserves and provisions made for the credit of or in respect of such Policy Year) then the Committee may determine to provide for such deficiency in any one or more of the following ways:
 - (i) by transferring funds from the reserves or other accounts of the Association;
 - (ii) by transferring funds standing to the credit of any different closed Policy Year;

- (iii) by Mutual or Supplementary Calls in respect of an open Policy Year with the intention (as permitted by Rule 36) of applying a part thereof to meet any such deficiency.
- (6) At any time after any Policy Year shall have been closed the Committee may determine to amalgamate the accounts of any two or more closed Policy Years and to pool the amounts standing to the credit of the same. If the Committee shall so determine then the two or more closed Policy Years concerned shall for all purposes be treated as though they constituted a single closed Policy Year.
- (7) Any amount which the Committee may determine to return to the Members in accordance with paragraph (4)(iii) of this Rule shall be returned to the Members entered in respect of such Policy Year in proportion to the Calls paid by them in respect of such Policy Year (after taking into account any returns or rebates applicable thereto under their terms of entry or under any other provision of these Rules) save that no return shall be made to any Member whose entry ceased in the course of such Policy Year by reason of Rule 31 (Cesser of insurance on Certain Specified Events) or 32 (non-payment) or whose liability for Calls in respect of such Policy Year has been assessed under the provisions of Rule 41 (releases).

44 Investment

- (1) The funds of the Association may be invested as determined by the Committee by means of the purchase of such stocks, shares, bonds, debentures or other securities or the purchase of such currencies, commodities, or other real or personal property, or by means of being deposited in such accounts or by means of being loaned on such terms and in such manner as the Committee determines. The funds of the Association may also be invested by such other method as the Committee may determine including investments in and loans to any holding subsidiary or associated company of the Association or any one or more of the Classes of the Association on such terms and in such manner as the Committee determines.
- (2) The Committee may determine that all or any of the funds standing to the credit of any Policy Year or of any reserve or account shall be pooled and invested either as one fund or as two or more separate funds.
- (3) If any funds shall have been so pooled and invested the Committee may determine the apportionment of the income arising on the pooled investments among and between the different Policy Years, reserves and accounts from which the fund or funds so invested originated. The Committee may similarly determine the apportionment of the capital gains and losses and gains and losses on exchange realised and unrealised.
- (4) Without prejudice to paragraph (3) of this Rule, the Committee may determine that after the closing of any Policy Year that year shall not be credited with any share of the apportionments made under that paragraph and that its share shall instead be credited to any reserve or account maintained by the Association.

2

45 Solvency Margin and Guarantee Fund

A Member shall pay on demand such sums as the Association may by any Government legislation or Regulation be required to set aside in order to establish and/or maintain an adequate Solvency Margin and/or Guarantee Fund. A Member shall contribute to such sums in proportion to his Basic Rate of Contribution payable in respect of the relevant Policy Years.

Part VI - Miscellaneous

46 Delegation of Authority and Settlement of Claims on the Association, etc.

- (1) All actions taken by the Committee and/or the Managers under these Rules are deemed to be taken for and on behalf of the Association.
- (2) The Committee shall meet as often as required to consider claims on the Association and any other matters relating to the business of the Association.
- (3) The Committee shall under no circumstances be obliged to permit a Member (whether or not he is also a Director) or his representatives to be present when considering a claim by the Association against him or by him on the Association and, unless the Committee otherwise determines, all representations and submissions to the Committee by or on behalf of a Member in connection with such a claim shall be made in writing.
- (4) Whenever any power, duty or discretion is conferred or imposed upon the Managers by virtue of agreement between them and the Association or by these Rules, such power, duty or discretion may, subject to any terms, conditions or restrictions contained therein, be exercised by the Managers or by any servant or agent of the Managers to whom the same shall have been delegated or sub-delegated.
